November 24, 2026

Dear Parents:

On Wednesday, December 2, seventh- and eighth-grade students who have been participating in the Southern Hills CTC Bridge Building Challenge as part of their Information Technology class will travel to Southern Hills CTC in Georgetown to compete.

This competition provides students with an opportunity to showcase their creativity, problem-solving skills, and engineering abilities while competing against students from other schools.

Students will depart from the middle school at approximately 8:15 a.m. and return at approximately 1:00 p.m.

There is no cost for students to participate in this trip. A complimentary lunch consisting of a hot dog, chips, a cookie, and water will be provided at the competition. Students may also choose to bring their own packed lunch or obtain a sack lunch from the school. If your student needs a sack lunch from the school, please notify Mr. Basford by Monday, November 30.

Students are expected to follow all school rules, demonstrate good sportsmanship, and represent our school in a positive manner throughout the trip.

If you have any questions, please feel free to contact us at 513-875-2829.

Thank you,

Jason Basford, Satellite Information Technology Teacher
Heidi Greco, Principal
