IVCC SUMMER CAMPS OFFERED IN OTTAWA!

June is Youth Tech Month in Ottawa! The following camps will be offered at the IVCC Ottawa Center, 321 West Main Street, Ottawa, Illinois.

ROBLOX Makers

[Ages: 8-12] Jun 8-11
Class ID: 29910 1-4 PM $189

Unlock the power or ROBLOX Studio, the creation tool used by real-world ROBLOX developers! Create and adventure and bring characters to life.

Virtual Reality: the Future is Now

[Ages: 12-14] Jun 8-11
Class ID: 29912 1-4 PM $189

Learn the foundations of VR design and create your own virtual worlds, exploring simulated environments, and learning basic programming concepts.

Make Your First 3D Video Game

[Ages: 8-12] Jun 22-25
Class ID: 29915 9 AM-12 PM $189

Learn the physics behind 3D games, explore beginner-level event scripting, level design, and control the flow of game playing and storytelling. Final projects are only compatible with Windows products.

Python Programmers

[Ages: 12-14] Jun 29-Jul 2
Class ID: 29916 1-4 PM $189

Python is the world's fastest growing programming language favored by Google and NASA. Give your teen the opportunity to develop tech literacy experience, develop problem-solving skills, and explore an introduction to a career in programming.

Advance Registration Required
