Gustine High School

Principal – Adam Cano; Assistant Principal - Stacy Lopes
Counselors - Ashley Ramirez, Daisy Zagazeta

February 1, 2026

Gustine High School continues to see positive momentum across academics, activities, and student engagement. Our winter athletic teams are wrapping up their seasons with strong performances and positive outcomes. Senior Nights are underway, with boys' soccer already celebrating its seniors. As we transition into spring, our student-athletes are gearing up for the upcoming seasons in baseball, softball, track, tennis, boys volleyball, and our newly added co-ed golf program.

From February 2-6, we proudly celebrated National School Counseling Week. We extend our sincere appreciation to our counseling team for their continued dedication and support of our students' academic, social, and postsecondary success.

To support college and career readiness, Gustine High School hosted a CTE Professional Learning Day to roll out our Work-Based Learning Toolkit. This work will continue as we prepare for our CTE Industry Launch on May 8, ensuring our students are well prepared for both college and career pathways.

Our school band also had a highlight this month, as the marching band delivered an outstanding performance at OLM for students and staff. The event was a big success, showcasing our students' talent, pride, and community spirit.

The FFA program continues to excel, hosting a successful Dinner Dance and actively preparing students for the upcoming county fairs. In addition, ASB is leading student engagement efforts by organizing *Little Reds Night* for students at Gustine Elementary and Romero Elementary on February 13 and by preparing for our annual 8th Grade Day in March.

Thank you for your continued support of Gustine High School as we work together to provide meaningful opportunities and positive experiences for all students.

We are proud of the hard work, success, and involvement of our students and staff across academics, athletics, and extracurricular activities.

Administrative Report
Gustine Unified School District

Amanda Hazan-Sanchez, Proud Principal of Gustine Elementary School

GES is excited to provide scholars with every opportunity for academic rigor and experiences by providing a safe learning environment for every Hawk. We expect outstanding effort, and encouraging personal responsibility and mutual respect of every Scholar and all Staff.

During the busy month of we were able to conduct several instructional norms visits and formal observations in classrooms at GES and a total of 246 since school started. We are excited to see the continued progress and growth that is occurring in every classroom and throughout campus.

In January we had our annual Math and Literacy Night where students families had the opportunity to learn from GES Teachers on math skills and literacy practices. We also celebrated The Great Kindness Challenge all week, the last week of January.

We are looking forward to the remainder of the school year and excited for all of the engaging activities that will take place!

Maintenance Director

Board of Trustees Meeting

February 2026

The maintenance Department has made measurable progress in reducing outstanding work orders, with emphasis on safety, reliability, and restoring full functionality across school sites.

Scoreboards have been installed and are now operational at both the baseball and softball fields, improving facilities for athletic programs and community use.

Staff continue working to bring required certification up to date, including electric cart operation, forklift operation, and pesticide application certification, ensuring compliance with safety standards and strengthening operational readiness.

The department is actively coordinating with Acme Construction to address outstanding issues with the Central Kitchen freezer. This effort is focused on correcting deficiencies, restoring dependable operation, and preventing disruption to food service programs.

In addition, aging and failing equipment has been identified and is being addressed through the use of qualified outside contractors when necessary to ensure timely repairs, minimize downtime, and maintain safe conditions.

The department remains focused on improving response times, resolving outstanding work orders, strengthening vendor accountability, and supporting district operations through continued training and facility improvements.

These efforts reflect continued progress toward stabilizing operation and improving overall facility reliability districtwide.

Administrative Report to the Gustine Unified School District Board

February 2026

Name: Veronica Miranda – Principal

School Enrollment: 227

Monthly Highlights

We have successfully completed the first 100 days of school and are now fully immersed in high-quality teaching and learning. Instructional focus is strong across the campus. I continue to conduct regular classroom walkthroughs, intentionally spending extended time in classrooms to observe instruction and provide meaningful feedback, with a particular emphasis on student engagement. To date, I have completed 155 walkthroughs this school year. Maintaining high visibility and providing timely, actionable feedback remain key components of our approach to supporting instructional improvement and academic growth.

Attendance remains a priority. As a district, we are working to reduce chronic absenteeism and increase daily attendance. At the site level, our most effective strategy has been building strong, personal connections with students and families so they know they are valued and supported. These relationships allow us to collaboratively identify and address barriers to regular attendance whenever possible. My office team and I have identified a targeted group of students and are actively working with them and their families to support progress toward attendance goals. In addition, our school will continue to offer daily, weekly, biweekly, monthly, and trimester attendance incentives to reinforce positive habits and engagement.

Data collection and analysis remain essential to our academic success. Grade-level teams meet weekly to review student progress, analyze data, and make instructional adjustments as needed. To further support literacy development, I developed and facilitated a reading foundational skills workshop for parents and caregivers. I personally contacted families to encourage participation. At the conclusion of the workshop, families received instructional resources, including a whiteboard, a marker, flashcards, and decodable texts, to support learning at home. Early intervention remains a critical focus, as addressing student needs promptly is key to long-term academic success.

Administrative Report to the Gustine Unified School District

February 2026

Name: Peter Duenas / Marcos Huerta **Position:** Principal / Assistant Principal

School Site: Gustine Middle School

School Enrollment: 6th – 8th (338 Students)

Monthly Highlights:

Gustine Middle School remains strongly committed to enhancing our students' skills in mathematics, reading, and writing. Our teachers are actively refining their instructional practices by collaborating around our professional teaching norms and implementing targeted support and strategies provided by MCOE science and math coaches.

School spirit is in full swing as ASB hosts school dress-out days throughout the month, bringing excitement and unity to our campus.

Boys Basketball is off to an exciting start, now four games into the season. Our Junior Varsity team has made a powerful early statement and is quickly establishing itself as a team to watch.

As we move into the later part of the school year, students continue to receive meaningful support through College and Career readiness activities, including 8th-grade promotion checks and individual student conferences, ensuring they are prepared and confident for their next steps.

February 2026 Board Report

ASB: For the first month of the year and back from winter break, ASB created 2 cards to Ms. Hazan's son for his US Navy service and wished him good luck during his training. Everyone wrote a small note to him. We are also making posters for the attendance party with some conchas and hot chocolate. We are also making basketball posters for our home games. Currently we are making posters for kindness week to spread love around campus. Lastly ASB did posters for Ms. Haro for Counselors Appreciation Week to show her our appreciation for all her help.

Sports: Boys basketball games started and they have started off great! Their next home game is February 12 at 4pm. Come and support our team! We are looking forward to tryouts for Spring Sports.

Spring 2026

February 2026 Board Report

Feb 11, 2026

Good Evening GUSD Board, I am Nevaeh Graze and I hold the occupation of Commissioner of Academics for GHS...

Associated Student Body :

— *J*anuary is a very slow month for most of ASB as we held our Winter Formal on **January 17th** and now we are preparing for the end of the year events such as 8th Grade day and Club Rush for students new and old! So please look out for any announcements of dates for any annual events!

Future Farmers of America :

— *T*he Gustine FFA chapter has participated in various Leadership Development Events such as the: Great River Valley Super Wednesday and the local Job Interview and Creed competitions. At these events our FFA members presented their LDE's to judges. All of the participants did a great job and few of our members got the chance to move on to the Central Region LDE Competition to present their LDE's on **March 6th**. We wish all of them the best of luck!

Athletics :

— *W*inter sports are coming to an end as the Spring season is starting! Spring sports tryouts have taken place; Color Guard having tryouts on the **21st to the 23rd of January**, both Baseball & Softball started their tryouts on the **14th of January** up until the **24th**, and finally Tennis and Track will be having tryouts soon. So as this Winter season comes to an end, let us recognize our Winter athletes: Girls Basketball & Soccer as well as Boys Basketball & Soccer. Boys Basketball is ranked 0 - 5 in league, whilst our Boys Soccer team is actively ranked 5 - 4 - 2 in league; Girls Basketball is 1 - 7 in ranked league, and the Girls Soccer team is 3 - 7 in league. Here at Gustine High School, we urge our students and athletes to aim for their future and legacy at GHS to make the greatest impact; we can't wait to recognize the improvements our athletes have made over the years!

Thank you all for your continued support at Gustine High School. Have a good rest of your evening!

This past month, our students participated in several activities that strengthened their communication, leadership, and social skills while making a positive impact on both our school and community.

FFA hosted its first sectional competition for all speaking contests, with more than 20 members competing in Spanish Creed, Regular Creed, Impromptu Speaking, Job Interview, Prepared Speech, and Extemporaneous Speech. From this competition, six students advanced to the regional level. FFA also organized a field trip to San Francisco, allowing the floral class to visit the famous flower market. In addition, we held our annual dinner auction, where FFA members proudly served our sponsors who make our chapter's growth and success possible.

Outside of campus, both high school and middle school Explorers will be attending the Pebble Beach golf tournament, providing community service alongside our local police department.

We also celebrated our annual Winter Formal, themed Night in Madrid, where students came together to enjoy a memorable night. I can confidently say that students, including myself, had an amazing time.

Our boys and girls soccer teams played multiple games throughout the month, including senior nights that made the season unforgettable for our athletes.

Several students are currently preparing for the Speech and Debate competitions at local and state level through the Migrant Program.

AVID welcomed a guest speaker from Cal Poly Humboldt, who answered student questions and shared valuable college advice with AVID members across all grade levels.

Spanish Club celebrated Día de Reyes with a rosca, and students who found the little angel brought snacks to our most recent meeting. We also had multiple students competing in the Rotary Speech Contest, sharing powerful messages about how Rotary unites good in our community.

Finally, several members of FBLA attended the State Leadership Conference, competing in events such as Job Interview, Advertising, Marketing, Personal Finance, among others. With multiple earning top 10th.

It was an honor to participate in most of these activities and to see how exciting it was for our students to enjoy and grow from these opportunities.

1. **Scope of Agreement**
   - 1.1 License. This License Agreement between Licensee and DTS covers Licensee's use of DTS's proprietary web-based application in accordance with the terms and conditions expressed herein.
   - 1.2 Agreement to Be Bound. Licensee agrees to be bound by, and comply with, the terms of this License Agreement by (i) accessing and/or using the DTS Application and/or (ii) ratifying this License Agreement by signing below.

2. **License and Right to Use.** DTS hereby grants to Licensee a non-exclusive and non-transferable license to use DTS application in order to create, edit, update, print and track specific documents as described in Exhibit **A** of this agreement.
   - 2.1 DTS retains all rights, title and interest in DTS application and any registered trademarks associated with the license.
   - 2.2 Licensee retains all rights, title and interest in the documents as described in Exhibit **A** of this agreement.

3. **Internet Areas**. Neither Licensee nor any third party shall be permitted to establish any "pointers" or links between the Online Area and any other area on or outside of the DTS login without the prior written approval of DTS.

4. **Term of License**. The term of this License Agreement is for **one (1) year** from the effective date noted at the top of this document.

5. **Personnel**. DTS will assign the appropriate personnel to represent DTS in all aspects of the license including but not limited to account set up and customer license inquiries.

6. **Content**. DTS will be solely responsible for loading the content supplied by Licensee into DTS's secure server and will provide complete access to Licensee and its representatives. Licensee is solely responsible for the sufficiency, adequacy, and completeness of its content; for updating its content as necessary; and for proper implementation of any plans or procedures required by local, state, or federal law.

7. **Security of Data**. At all times, DTS will have complete security of Licensee's documents on dedicated servers that only authorized DTS personnel will have access to. All logins by DTS's authorized personnel will be stored and saved as to time of log-in.
   - 7.1 Licensee may request in writing that DTS only store Licensee's documents for the period of time that allows Licensee and its authorized personnel to create, edit and update their documents.

8. **Management of Database**. DTS shall allow Licensee to review, edit, create, update and otherwise manage all content of Licensee available through the Secure Login of DTS.

9. **Customer Service**. DTS shall respond promptly and professionally to questions, comments, complaints and other reasonable requests regarding any aspect of DTS application by Licensee. DTS business hours are Monday-Friday 8AM PST to 5PM PST except for national/state holidays.

10. **Fees**.

10.1 Licensee shall pay a fee of **$1,650.**

10.2 Document Set Up Fee. The one-time set up fee for documents as described in Exhibit A and made a part of this Agreement is **$0**.

10.3 Licensee shall pay the annual licensing fee upon execution of the Agreement between parties and the electronic submittal of the invoice to Licensee.

10.4 DTS will charge a one-time setup fee of $200 per standard document up to a maximum of $850 for customized documents.

11. **Warranty**.

11.1 Licensee represents and warrants that all information provided to DTS, including but not limited to narratives, editorials, information regarding schools, is owned by Licensee and Licensee has the right to use and allow use by DTS as called for hereunder and that no copyrights, trademark rights or intellectual property rights of any nature of any third party will be infringed by the intended use thereof. In the event any claim is brought against DTS based on an alleged violation of the rights warranted herein, Licensee agrees to indemnify and hold DTS harmless from all such claims, including attorney fees and costs incurred by DTS in defending such claims.

11.2 The express warranties provided in this License Agreement are the sole and exclusive warranties made by DTS to Licensee. DTS makes no other warranty, express or implied, and Licensee assumes no warranty, express or implied, by use of the DTS Application. By accepting this Agreement, Licensee acknowledges that it is not relying on any implied warranties, including warranties of performance, fitness for a particular purpose or otherwise, or upon any representation or warranty outside those expressly contained in this Agreement.

12. Liability.

12.1 DTS will not be liable to Licensee for indirect, incidental, exemplary, special or consequential damages; loss or corruption of data or interruption or loss of business; or loss of revenues, profits, goodwill or anticipated sales or savings.

12.2 The maximum aggregate liability of DTS under this License Agreement is limited to the fees received by DTS from Licensee for use of the DTS Application.

12.3 This limitation on DTS's liability applies whether the claims sound in warranty, contract, tort, infringement, or otherwise. Nothing in this License Agreement excludes any liability that cannot be limited as a matter of law.

13. Choice of Law and Venue. This License Agreement, and any dispute related to this License Agreement or arising from it, shall be governed exclusively by the laws of the State of California. The state and federal courts of the State of California shall have exclusive jurisdiction to adjudicate any dispute arising out of, or related to, this License Agreement or its formation, interpretation, or enforcement.

14. Severability. If any portion of this License Agreement is not enforceable under applicable law, it will not affect any other term of this Agreement.

15. Definitions.

15.1 Document. A document is defined as **a**) a specific template provided by CDE or; **b**) any specific word document or forms that have different fields or school references such as elementary, middle or high schools* submitted by District or CDE; or **c**) individual inserts submitted by District or CDE that are integrated into existing documents or are offered as supplemental and/or addendums to other report documents.

* Licensee submits a SPSA template for their elementary, middle and high schools, which is counted as three (3) separate documents.

15.2 Customized Documents. Any document that is not a standard CDE template is considered a custom document and as such may be subject to additional setup fees; DTS shall provide an estimated cost of these additional fees prior to the execution of this agreement.

16. Additional Services. DTS can also provide Data Transfer and Document Translation services to Licensee for an additional fee. The fee for each additional service would be agreed upon between the parties and invoiced at the time the services were requested. The fee shall be payable within thirty (30) days from DTS invoice.

2025–26 Title I, Part A Nonprofit Private School Low Income Count

The local educational agency (LEA) shall provide, on an equitable basis, special educational services or other benefits to nonprofit private school eligible children.

CDE Program Contact:

Sylvia Hanna, Title I Policy, Program, and Support Office, SHanna@cde.ca.gov, 916-319-0948

The LEA must offer to provide equitable services that address the needs of eligible students attending nonprofit private school and staff under the programs listed below. The enrollment numbers are reported under penalty of perjury by each private school in its annual Private School Affidavit. The information filed in the Private School Affidavit is not verified, and the California Department of Education takes no position as to its accuracy. It is expected that districts engaged in private school consultation verify the accuracy of student enrollment data if it is being used for the purpose of providing equitable services.

INFORMATION/ DISCUSSION REPORT

Career Technical Education (CTE) & FBLA

BY: FBLA OFFICERS

WHAT IS CTE?

Career and Technical Education (CTE) prepares students for future careers by combining academic knowledge with hands-on experience. Students gain real-world skills that can help them succeed in college, careers, and life.

Business CTE courses:

- Business Manaegment II → learning about business through entrepreneurship
- Business Management III (Currently Business Management Enterprises) → hands-on learning with Reds Market, the student store, Direct-to-Garment printer, and simulating an actual business

BENEFITS of CTE

- Develops real-world skills: teamwork, problem-solving, communication.
- Provides opportunities for internships and work experience.
- Helps students explore career paths early.
- Can lead to industry certifications while in high school.

MAKE *YOUR* MARK

FBLA

WHAT IS FBLA?

Future Business Leaders of America is an organization that helps students build leadership, business, and teamwork skills. Members get the chance to compete in events, attend conferences, and participate in community service projects. FBLA also teaches valuable skills like servant leadership, communication, organization, and professionalism, helping students prepare for college, future careers, and leadership roles in their communities.

BENEFITS OF FBLA

- Builds leadership & teamwork skills.
- Offers competitive events in accounting, marketing, management, entrepreneurship, & more.
- Encourages professional networking & mentorship.
- Strengthens college and career readiness.
- Competitions
- Workshops & fun events
- Bonding activities & parties
- Community service projects
- Semester Trips

CTE & FBLA

CTE and FBLA complement each other by combining skill development with practical application. CTE teaches students the technical knowledge and career skills they need, while FBLA gives them opportunities to practice leadership, teamwork, and business skills through competitions, projects, and community service. Together, they prepare students to succeed in college, careers, and future leadership roles.

Accomplishments

- Presentation to GMS, promoting FBLA, leadership, and CTE opportunities
- Registered and prepared members for multiple FBLA competitive events
- Delivered Thanksgiving meals for local Green Acres Mobile Home
- Organized our third annual community shoebox drive to support individuals and families in need in Merced County.
- CSU Stanislaus fabrication lab leadership trip, including bowling and team-building activities
- Recieved 2 Gold Champion Chapter Banners the past two years by completing champion chapter activites
- Competitive Achievements (Central Section Leadership Conference – 2 Years Ago):
    - 9th Place – Business Management
    - 7th Place – Impromptu Speaking
    - 5th Place – Spreadsheet Applications

Mid-Year LCAP Update

Gustine Unified School District
February 10, 2026

Context for the Mid-Year LCAP Update

Senate Bill 114 (2023) added a requirement for LEAs to present a report on the annual update to the Local Control and Accountability Plan (LCAP) and Budget Overview for Parents (BOP) on or before February 28 each at a regularly scheduled meeting of the governing board or body of the LEA.

The report must include the following:

- All available midyear outcome data related to metrics identified in the current LCAP; and,

- All available midyear expenditure and implementation data on all actions identified in the current LCAP.

Funding Changes Impacting the Budget Overview for Parents

Gustine Unified School District adopted our LCAP and Budget on June .

The adopted state budget included additional funds that were not anticipated by our organization.

The impact to our adopted Budget Overview for Parents is as follows:

Item	As adopted in Budget Overview for Parents	New Amount
Total LCFF Funds	$25,185,203	$25,125,397
LCFF Supplemental / Concentration Grants	$6,687,562	$6,723,758

25-26 LCAP Goals

Goal 1: Academic Achievement Gustine Unified School District will increase student achievement and prepare students to be college and career ready by providing opportunities for access to a broad course of study, academic counseling and intervention supports, technology and research based curriculum, provided by a high quality professional staff, as evidenced by state and local data.
Goal 2: Positive School Climate and Culture GUSD will provide an inclusive and supportive learning environment by providing clean and safe facilities, student support services for social emotional learning and mental health, as well as extra and co-curricular activities as measured by state and local data.
Goal 3: Parent, Family, and Community Partnerships GUSD will create partnerships with parents, families and the community to provide meaningful opportunities that will build the capacity of all in order to inform and enhance student achievement as well as celebrate student learning.
Goal 4: Equity Multiplier Pioneer High School Starting in the 2024-2025 school year, Equity Multiplier funds were made available for schools which met the non-stability rate and high socioeconomically disadvantaged rates. By June 6th, 2026, Pioneer High School will increase the College and Career Indicator by 5% and achieve a 5% increase in the Graduation rate on the CA Dashboard.

1.1	**Curriculum and Instruction** Curriculum and Instruction leadership will conduct meetings as needed with site leaders and selected content leaders to review and recommend curriculum, plan and coordinate district professional development, and recommend instructional methods to the governing board. The research-based curriculum and methods will be based on the needs of English Learners, Low Income, and Foster Youth. 1.2	**Academic Intervention** As determined by each school site, administration, teachers, and leadership will increase reading and math intervention programs which may include intervention teachers, additional classroom support, the purchase of specific intervention curriculum, tutoring support in core academic areas, and utilize intervention programs with priority services for Low Income pupils, English Learners, and Foster Youth, and Students with Disabilities. Funding will also support a variety of additional academic intervention and enrichment opportunities that help accelerate student understanding and engagement in learning. This action will increase the academic achievement in the areas of English Language Arts and Mathematics as evidenced by increases in i-Ready Diagnostic scores (Kindergarten-Grade 8), MAPS (9-12), higher levels of reading achievement based on phonemic awareness assessments, and decreasing the distance below standards on the CAASPP assessments. Elementary Physical Education teachers will provide time at the elementary sites to decrease class sizes to allow for Tier II and Tier III interventions. Using funds from the Learning Recovery Emergency Block Grant (LREBG), the school will hire two literacy teachers ($241,000) to strengthen early literacy instruction at the elementary level. These teachers will provide targeted small-group interventions focused on early reading skills to help ensure all students are reading proficiently by the end of second grade. In addition, they will support literacy development for students in grades three through five through focused small-group instruction aimed at addressing specific learning gaps and advancing reading proficiency. By adding literacy intervention teachers, the district is investing in evidence-based	Yes	Partially Implemented	GES and RES are fully implemented for ELA interventions and the Literacy Teachers have implemented small group interventions with students in grades K-5. 1st and 2nd grade have implemented a strategic way to provide reading instruction. 	strategies shown to improve early reading outcomes and reduce long-term achievement gaps, directly supporting unduplicated student populations. Research consistently shows that early literacy is a critical predictor of long-term academic success. Targeted small-group instruction is one of the most effective ways to accelerate learning and close gaps. The National Reading Panel (2000) and the Institute of Education Sciences (IES, 2020) recommend differentiated, small-group reading interventions to improve student outcomes. Furthermore, early intensive instruction in phonics, fluency, vocabulary, and comprehension has been shown to significantly improve reading achievement, especially for students who are at risk and low income (Foorman et al., 2016; IES Practice Guide). By adding literacy intervention teachers, the district is investing in evidence-based strategies shown to improve early reading outcomes and reduce long-term achievement gaps, directly supporting unduplicated student populations. This action will be measured using metric 1.37.						
1.3	**Multi-Tiered Systems of Support (MTSS)** District data states that Low Income students, English Learners, and Foster Youth have higher needs in the areas of academic, behavioral, and Social Emotional health as evidenced by state and local measures. In order to improve the quality and access to interventions and supports, the Multi-Tiered Systems of Support (MTSS) services for English Learners, low income and Foster Youth through a system of on-going analysis of student performance and progress will be	Yes	Fully Implemented	The MTSS Team has created a new MTSS growth chart focusing in attendance, behavior, academics, and SEL. 	improved. District teams will meet to review progress and create additional supports as needed. Professional Learning Communities (PLC) teams and teacher leaders will utilize instructional norms, collect data, and track the progress to improve outcomes for students. Specific time is allotted every Wednesday for teams to meet and plan. Teachers will be provided with support, resources, data systems, planning days, and grade-level collaboration time to participate in Professional Learning Communities to promote authentic and timely assessment and review of student progress and performance as a means to strengthen instruction, monitor performance gaps between student groups, and to identify students for academic and enrichment interventions. This action will increase and improve the support services provided for English Learners, Foster Youth, and Low Income students in the areas of academics, behavioral, and Social Emotional health as evidenced by survey data and decreases in referrals for intervention, behavioral, and SEL among the stated student groups. An emphasis on continuous data review to monitor the academic achievement of unduplicated student groups. All sites will create/continue an MTSS team to ensure equitable access and supports are provided to all students not making adequate progress. This will support Tier II classroom instruction and Tier III instruction as well as thorough and continuous monitoring to provide individual supports and data reviews. PBIS and Restorative practices will be reviewed as well to ensure that SEL needs are met for students. District MTSS meetings will include site representatives, mental health clinicians, and counselors to collaborate and create new

	programs as needed to support unduplicated students. This action will help to monitor progress and make instructional changes to have positive academic and behavioral impacts for unduplicated students.						
1.4	**High Quality Staff Professional Development and Instructional Coaching** Gustine Unified School District will provide ongoing professional development to improve practices of educators, instructional aides, administrators, and other staff in order to improve the outcomes and learn new research-based strategies to improve the outcomes for unduplicated students. The certificated professional development will include: a) Instructional norms b) MTSS c) PLC development and alignment d) Designated and Integrated ELD e) Sciences of reading f) mathematics framework, using manipulatives, and providing feedback g) Next Generation Science Standards (NGSS) h) standards-based grading, lesson design, rubric development, and i) other strategies Classified and other school employee professional development will be used to increase skills in working with unduplicated students. This action will also provide mentors to support new teachers through induction and ensure ongoing support. Instructional Coaches will provide support and training for all teachers in the district to focus	Yes	Fully Implemented	Instructional coaches are in place at all school sites and helping to support the MCOE work plans. 	on strategies that support English Learners, low income, and foster youth. An increase of one professional development day was added to the teacher contract to provide professional development throughout the year. A highlight will be the introduction to instructional norms training for all teachers. The district will use the three professional development days to build the capacity of teachers in learning and implementing the instructional norms which are research based strategies proven beneficial to unduplicated students. Staff will provide the training to the teachers. An instructional coach will be added to each school site ($425,000) using LREBG funds. This will support improved academic achievement for all students. These coaches will engage in structured coaching cycles with teachers to strengthen first instruction, ensuring that high-impact strategies are consistently and effectively implemented in classrooms. Research consistently shows that instructional coaching is one of the most effective forms of professional development. Coaches will work closely with teachers, using a collaborative, data-driven approach to identify instructional goals, implement evidence-based strategies, and reflect on student progress. This action will be measured by Metric 1.38 that will measure how many teachers participate in coaching cycles. By focusing on high-quality, individualized support, instructional coaches will help teachers analyze student data to inform instruction, close learning gaps, and accelerate growth. Through strong site-based relationships, data-informed decision-making, and a focus on continuous improvement, instructional coaches will play a key role in improving student achievement across all grade levels.

1.5	**Experiential Learning** Sites will provide hands-on learning experiences and field trips for low income students. These experiences will allow students to connect conceptual knowledge, apply skills, and reflect on the learning process. This funding will support academically focused field trips and learning events. These learning experiences will provide students with the opportunity to reflect on what they are learning and have greater opportunities to engage in and set goals for academic learning in their schools and the community.	Yes	Partially Implemented	Fewer experiential learning activities are being provided for students.	Field trips for learning experiences will be charged here.	$109,500.00	$8,010.00
1.6	**College and Career Readiness** In order to enhance and expand students' opportunities in college and career readiness, staff and counselors will monitor and encourage the enrollment of student groups in Career Technical education courses, AVID, and increase dual/concurrent enrollment. Funding will be provided to cover fees and supplies associated with dual enrollment or work experience. The district will enhance and expand student opportunities to learn about College and Career Readiness and to experience innovative authentic learning through a broad course of study, including elective courses aligned to Career and Technical Education standards and Career Ready Practices, which support CCSS. 	Communities for mathematics to improve the college acceptance rate of Latinx students to four year universities. After the conclusion of CVNIC, best practices will be employed to ensure progress continues.						
1.7	**Additional Student Supports** Students also need access to literacy services and books. Instructional aides will support and extend the academic achievement and learning progress of unduplicated students. This will occur within the school day and after school as needed. Library Media Aides will be provided to provide additional literacy services and time for students to have access to a wide variety of books. Funds will also be provided to update library books and research supplies. Funding will also be provided for teachers to update and extend classroom libraries. LREBG Funds will be utilized to add instructional aides ($249,525) to Kindergarten through Grade 2 classrooms to provide targeted support in foundational reading skills and other academic areas. Aides will assist with small-group instruction, reinforce Tier 1 strategies, and support Tier 2 interventions as part of a structured, standards-aligned instructional program. Their support will allow teachers to provide more differentiated and responsive instruction. This action is grounded in research that demonstrates the importance of early intervention and adult support in the primary grades. By increasing capacity in K–2 classrooms, the district aims to ensure that all students receive the individualized attention needed to build strong academic foundations and achieve grade-level proficiency in reading and math. This action will be measured using metrics 1.14, 1.15, and 1.37.	Yes	Fully Implemented	Instructional aides are focused on classroom instruction in grades K-5. Teacher librarian and media clerks are able to provide time and space for students to increase literacy.	LREBG $630,000 STAR Testing will help to determine effectiveness.	$892,525.00	$16,070.00

	The district will hire a full-time credentialed Teacher Librarian ($142,000) and media clerks ($239,000) to expand library access, increase instructional support, and enhance digital literacy across all school sites using LREBG funds. Media clerks will increase the number of open library hours, supporting independent reading, and research access. The Teacher Librarian will provide direct instruction to students in information literacy, digital citizenship, research skills, and reading engagement. Research demonstrates that schools with credentialed teacher librarians have higher student achievement, particularly in reading. Teacher librarians also play a critical role in supporting implementation of Common Core and state content standards by collaborating with teachers to deliver inquiry-based learning experiences. By increasing library hours and expanding instructional support through a certified Teacher Librarian, this action ensures equitable access to high-quality resources and targeted instruction that supports literacy development, research proficiency, and 21st-century skills. Expanding media clerks and adding a teacher librarian will be measured by metric 1.36 which will use a survey to measure how beneficial teachers and find the expanded library hours and support from library staff.						
1.8	**English Language Learner Supports** GUSD and specifically Romero Elementary School will increase services to English Learner students and reclassified students by expanding intervention support and programs. These programs will help in the language acquisition of English Learners because teachers will strategically use language targets during designated and integrated ELD. 	plans will be developed weekly and will include an area for English Learners to ensure language acquisition supports are present. Administrators will monitor the progress of English Learners by analyzing and collecting data from walk-throughs. In order to increase language acquisition, the English Learner Coalition team will meet monthly to review the progress of English Learners, research and develop language acquisition programs and classes, and provide suggestions for improving the supports provided to English Learners. Newcomers will receive additional supports as needed to acclimate in the schools, know what resources are available, and their progress and needs will be monitored. Instructional aides will also work with Long Term English Learners to provide additional support as well as progress monitor to ensure all English learners continue to make progress. The district will also provide professional development in the latest research-based practices in designated and integrated English Language Development and support as well as knowing and understanding where to find out about each English Learner's unique needs. Teachers will be provided with training in the strategic use of student performance data for continuous improvement. This action is expected to increase reclassification and demonstrate progress on the ELPI for every English Learner.			learning and have more time working on language development.			
1.9	**Academic Counseling** The California Dashboard and district data show a discrepancy between all students and English Learners, Foster Youth, low income	Yes	Fully Implemented	Academic counselors and CTE counselors are meeting	Academic meetings are tracked in Aeries.	$328,000.00	$347,530.00

	students, and students with special needs who are a-g ready, enrolled in Career Technical Education (CTE) courses, and enrolled in dual/concurrent enrollment. School counselors will meet with each unduplicated student at least two times per year to encourage completion of CTE pathways, monitor progress toward graduation and a-g readiness, financial aid, dual enrollment, social and emotional interventions, and provide interventions and academic plans to ensure all students are prepared for college and career. This will be measured by increasing the number of English Learners, Foster Youth, low income students, and students with special needs who are a-g ready, enrolled in Career Technical Education (CTE) courses, and enrolled in dual/concurrent enrollment as measured by local data in the student information system of Aeries.			with students and using data to ensure students are completing CTE pathways are are A-G ready. 1.10	**Educational Technology Integration** Many low income students do not have access to technology tools, internet, or the support to effectively use technology tools to access support in academic areas. This action will increase the integration of technology into classrooms and is intended to increase and improve access to learning resources and instructional technology devices. Students will be provided with Chromebooks, hot spots, and improved internet access as well as digital tools such as Google Apps for education and other digital supports necessary to improve access to core content areas and prepare for college and career. Each site will ensure common areas and classrooms are equipped with technology tools such as interactive televisions to increase engagement	Yes	Fully Implemented	Chromebooks are purchased. District has monthly technology meeting.	Software is evaluated by the technology team members. Surveys are conducted to ensure technology is supporting learning.	$160,000.00	$114,563.00

	and other technology. This action emphasizes support to low income students, foster youth, and English learners that may not have access to internet or technology at home. In addition to ensuring access to necessary technology, the district is dedicated to enhancing the effective integration of technology tools to support the academic success of unduplicated student groups, including low-income students, English learners, and foster youth. To support this effort, the district's Technology Committee—comprised of educators, instructional coaches, and IT staff meets monthly to evaluate and recommend new digital tools and resources. These tools will be introduced to school staff through regular presentations and hands-on demonstrations at staff meetings, ensuring that teachers are equipped to implement them effectively in their classrooms which provide additional supports to unduplicated students.						
1.11	**Supplies for Unduplicated** Additional funding will be provided to purchase supplies and instructional learning materials to better support low income students. In order to provide all students with a positive learning experience to be prepared for college and career, basic materials and supplies will be purchased to support the academic needs of low income.	Yes	Partially Implemented	This action has not been utilzed as much as planned.	Supplies have been purchased with other funds.	$14,500.00	$1,519.00

This action will provide space and furniture needed for increased collaboration and teamwork in which research has shown to improve the outcomes of low income and English Learner students.			are utilized to increase the engagement and learning of students.			
1.13	**Transportation** Gustine Unified School District serves students in Gustine and Santa Nella which are approximately 10 miles apart. Low income students in rural areas and Santa Nella need transportation to get to school. GUSD will contract with an outside busing company to supplement the current number of buses and/or drivers. Due to low number of bus drivers available, GUSD has purchased vehicles to provide and supplement transportation for low income students. Funds will also be utilized to provide GUSD vehicle drivers. Vehicles will also be purchased as needed.	Yes	Not Implementing	These funds have been removed from the LCAP and were moved to general fund.	Not implementing	$250,000.00	$0.00
1.14	**Professional Learning Communities** Gustine Unified School district has lower levels of achievement, lower a-g completion and college going rate for unduplicated students when compared to all students. In order to improve outcomes, all teachers in Gustine Unified School District participate in Professional Learning Communities (PLC) on a weekly basis. The district recognizes that there is a difference in achievement amongst unduplicated students and PLC time is used to improve instruction for	No	Fully Implemented	Wendesday collaboration for Inclusion and grade level/departmen ts. 	unduplicated pupils. Teachers analyze data specific to student groups and collaborate regarding the best instructional strategies to help English Learners, Low Income and foster youth achieve in schools. Teachers use the plan, do, study, act process to make SMART goals to ensure students are improving academically. In addition to weekly PLC time, teachers, administrators, coaches and counselors meet on a monthly basis for Multi-Tiered Systems of Support (MTSS), EL Coalition Team meetings, and Central Valley Networked Improvement Communities (CVNIC) to increase outcomes for low income, English Learners, and foster youth. Over the next three years, GUSD will recreate a consistent district-wide Professional Learning Community plan that clarifies objectives and accountability measures for data driven collaborative teams and strengthens strong instructional strategies that increase student achievement. This will include implementation of instructional norms, consistent use of data, and building capacity through collaboration time, instructional walkthroughs and classroom visits. Teachers are afforded two PLC collaboration days each year in addition to the early release time. The revamp of the PLC process will focus on improving outcomes for unduplicated student groups.						
1.15	**Increased Achievement in English Language Arts** Gustine Unified School District has a district goal to ensure students are reading on grade level by third grade. In order to meet this goal, GUSD will continue the learning from LETRS and the sciences of reading to implement the instructional changes needed for growth in English Language Arts. Data will be monitored	Yes	Partially Implemented	6-12 grade interventions are about to get started with approximately 75 students in Lexia reading intervention. 	to ensure all students are making progress. Research shows that low income and English Learners students will need explicit and systematic foundational reading instruction in order to boost their reading achievement. These strategies will be part of the core instructional program and curriculum will be updated to meet the needs of students. Instructional walk-throughs will be implemented to ensure strong first instruction and fidelity to the program. Each district grade level team in grades TK-5 will be afforded three planning days with the literacy coaches to ensure the needs of low income, English Learner, and students with disabilities needs are planned for and to ensure progress is being made. In grades 6-12, intervention groups will be formed to address the foundational reading needs of low income and long term English Learners. Literacy coaches will provide support as needed to ensure teachers are trained in programs and strategies. Inclusion specialists and aides will be supported with strategies to ensure progress in reading. CAASPP Interim Assessments will be utilized by all teachers in grades 3-11 to monitor progress and ensure low income and English Learner student needs are addressed. Tools for teachers, Standards-based instruction and grading will be utilized to better communicate the learning of all students. All teachers in Gustine Unified will focus on planning lessons to support English Learners, Hispanic, homeless, low income, and students with disabilities through differentiated instruction, clear learning objectives, visual and auditory supports, and formative assessments and feedback. Gustine Middle: planning will be focused on English Learners, Hispanic, low income, and students with disabilities. Planning will include intervention supports and language supports for English Learners. By implementing these strategies, Gustine Unified School District and schools can effectively support the diverse needs of English Learners, Hispanic students, socioeconomically disadvantaged students, homeless students, and students with disabilities across different school sites, fostering improved reading achievement and overall academic success.						
1.16	**Increase Achievement in Mathematics** All Students, English Learners, Low income students, Hispanic, and students with disabilities are red on the CA Dashboard and the lowest status by indicator on the CA Dashboard for the district. Gustine Elementary School had the student groups of English Learners and Students with Disabilities as the lowest status on the CA Dashboard. The CA Dashboard also reports that the lowest status at Gustine Middle School for mathematics is Hispanic and students with disabilities. The district is working toward improving outcomes for these groups through a concerted effort districtwide to improve the quality of instruction.	Yes	Fully Implemented	MCOE training for all math teachers through out the school year. Supported by instructional coaches.	PD Calendar, coaching cycles.	$50,000.00	$50,547.00

	All mathematics teachers will engage students with the following strategies: Rich Mathematical Problems: Mathematics teachers across the district will engage students in complex and meaningful mathematical problems that encourage reasoning and problem-solving skills based on conceptual understanding. Productive Struggle: Teachers will employ strategies to support students through productive struggle in mathematics, encouraging them to grapple with challenging concepts and develop resilience in problem-solving. Differentiated Instruction: Tailored instructional approaches will be used to meet the diverse needs of English Learners, low-income students, and students with disabilities, ensuring that all students receive appropriate support and challenge. The district will contract with Merced County Office of Education to provide training in conceptual understanding, use of manipulatives, Building Thinking Classrooms, and lesson design to improve the outcomes of these student groups. In addition all mathematics teachers will be a part of a three day, grade specific training to learn about the mathematics frameworks and how to teach specific grade level strands and standards. Classroom walkthroughs will ensure manipulatives are used regularly, collaboration is happening, and students are engaging in rich, grade level mathematics. CAASPP Interim Assessments will be utilized by all teachers in grades 3-11 to monitor progress and ensure low income, English Learner, Hispanic, and Students with disabilities needs are addressed. Tools for teachers and Standards-based instruction and

	grading will be utilized to better communicate the learning of all students. Tier II interventions in the classroom will be provided to students based on the data. Tier II interventions will be focused on mathematics and support the learning of low income, long term English Learners, Hispanic, and students with disabilities. Students will be grouped based on need and progress will be monitored to ensure growth. Students with Disabilities district wide will learn mathematics through inclusion, with accommodations in place, to ensure instruction is at the grade level standard. Gustine High School will offer Math I and Math II Support classes. These support classes will take the place of an elective course and provide hands-on learning and review of important mathematical concepts to ensure unduplicated students are learning math at high levels. By implementing these strategies, Gustine Unified School District aims to improve academic outcomes and support the success of All students, English Learners, low-income students, and students with disabilities in mathematics.						
1.17	**Celebrations of Learning and Incentives** To celebrate learning for unduplicated student groups, sites will provide incentives and awards to celebrate students for high achievement, academic improvement, and academic accomplishments such as the Seal of Biliteracy, reclassification, improvement in CAASPP, CAST, ELPAC and other measures.	Yes	Partially Implemented	Celebrations are happening at the sites, but there are fewer than previously planned.	Less students have reported being recognized for academic learning than in previous surveys.	$23,910.00	$7,818.00

1.18	**Long Term English Learners** The needs of Long Term English Learners (LTEL) will be addressed through professional development of all teachers to know and understand the needs of LTELs as well as how to support their academic success. These supports will include the use of ELD standards, using the four domains in daily instruction, and visual aids to support English Language Arts and mathematics. This support will also include intervention and/or tutoring for Long Term English Learners. All LTELs will have goals created in Ellevation to monitor progress in academics and language development.	Yes	Partially Implemented	EL Coalition team meetings discuss LTELs and the team is working to use Ellevation to create goals for their academic and language development.	EL Coalition meets monthly to analyze data and discuss strategies for LTELS.	$7,000.00	$3,000.00

Goal 2

Goal Description
Positive School Climate and Culture **GUSD will provide an inclusive and supportive learning environment by providing clean and safe facilities, student support services for social emotional learning and mental health, as well as extra and co-curricular activities as measured by state and local data.**

2.1	**Safe Facitlities** Gustine Unified School District is working to provide more opportunities for CTE pathways and provide additional career training opportunities. In order to do this, the district will also begin the process of updating facilities at the old middle school and high school to create additional classrooms, meeting rooms, CTE sites, etc. This will increase the number of students who are able to complete CTE pathways due to additional space and more opportunities of interest to students. The district will also continue to increase FIT percentages and ensure student and staff safety. GUSD will provide targeted facility improvements and supports to ensure all students, particularly English learners, foster youth, and low-income students, have equitable access to safe and welcoming learning environments. This includes enhanced cleaning and sanitizing of high-touch areas to reduce illness-related absences, restroom upgrades to improve privacy, and additional custodial and maintenance. Materials and services will focus on improvements that go beyond basic maintenance to support health, safety, and student engagement.	Yes	Fully Implemented	FIT percentages continue to improve. Funding is used to maintain and safe and welcoming environment.	FIt percentages are improving year over year.	$618,500.00	$596,482.00
2.2	**Support Services for Social Emotional and Mental Health** School counselors, mental health clinicians, and psychologists will offer counseling and mental health services district-wide to help students resolve personal or interpersonal problems.They may also offer small group counseling to help students enhance listening and social skills, learn to empathize with others, and find social support through healthy	Yes	Fully Implemented	SEL and mental health is supported with counselors, mental health clinicians, and BCBAs.	Counseling services and behavioral services are provived for all students.	$1,111,851.00	$1,145,609.00

	peer relationships. Trauma-informed approaches will be used to create a safe and supportive environment, provide appropriate interventions, and help students process traumatic experiences. Support services will include Social and Emotional Learning (SEL) through programs, classroom presentations, small group, and individual sessions to promote self-awareness, self-management, relationship skills, and responsible decision-making. Two mental health clinicians and two Board Certified Behavior Analysts (BCBA) will provide additional support. This will help school staff proactively identify at-risk students and quickly facilitate a response to better implement behavior management techniques, reinforcement strategies and create an environment conducive to learning and connectedness. Implementing these research-based strategies will enable school counselors, mental health clinicians, psychologists, and behavior analysts to provide effective, evidence-based counseling and mental health services district-wide, fostering a supportive and nurturing school environment for all students.						
2.3	**Health Services for Low income, Foster Youth, SPED** In order to address the health needs of the unduplicated students the district will provide an equal level of health services at all sites in order to provide better care to students. The district will continue to support a full time school nurse in order to provide more comprehensive care to low income and foster youth as well to better serve all students. Health aides work with low-income and foster youth families to connect them with health services such as dental care, vision support,	Yes	Fully Implemented	Health services are provided to all students and health aides support families to get services needed. Eyeglasses and dental care were provided to low income students at no cost.	Hygeine materials are made available as needed. Students were provided eye care and dental care free of charge. Students needing glasses were provided a free pair of glasses.	$409,500.00	$333,029.00

	immunizations, and other health needs. Students with special needs also have health needs that are monitored by the district nurse. Hygiene supplies will be stocked in each of the health aide offices to provide hygiene kits for unduplicated students. Upon enrollment, the district nurse will meet with each foster student and complete a health screening for vision, dental, and hearing.				Vision, dental, and hearing screenings are done upon enrollment.		
2.4	**Engagement, Enrichment, and Leadership** District data shows that low-income students have fewer opportunities to participate in enrichment activities. Opportunities for engagement, enrichment, and leadership will be increased by providing funding for sites and stipends to coach, organize, and create additional student activities and provide necessary supplies and uniforms as needed. This action includes events and guest speakers in order to encourage students to participate in school through activities, enrichment, clubs, and the arts. Trips and incentives to support achievement, improvement, and good citizenship. Transportation will be provided so low-income students have the opportunity to participate. The district and sites will continue to expand leadership opportunities for students to ensure students' voice drives strategies and initiatives. A district student advisory committee will be established and sites will continue to support student leadership through ASB, the student board, and other clubs on campus. Training for students and materials will be provided. The intended outcomes for this action will be increased membership and participation of low-income students in leadership, clubs, and	Yes	Partially Implemented	Guest speakers have been provided.	Data will be tracked by the number of students reporting that they are part of a club. The district needs to find ways to provide students with leadership activities and ways to develop leadership skills among students.	$162,500.00	$57,605.00

	activities as measured by surveys and club rosters.						
2.5	**School Safety and Positive Learning Environment** School safety is a priority at each of the school sites. There is a need to provide proper materials, equipment, and signage to keep the campuses safe. There is also a need for additional supervision during passing periods and breaks where students congregate in common areas. These areas are where the sites see most disruptive behaviors based on referrals and suspensions. Campus Supervisors, the School Resource Officer (SRO), and Assistant Principals will work together to provide a safe school campus for students and staff as well as improve student conduct by being present, building healthy relationships, and monitoring the school campuses. The SRO will provide presentations in classrooms and at school assemblies to build a positive community and work together with students in a supportive, proactive way. A Teacher in Charge role will be assigned at each school site to maintain student safety in the absence of administrators. In order to maintain communication and safety, materials such as radios, equipment and supplies as well as additional services to ensure all school sites are secure and staff and students are safe.	Yes	Fully Implemented	Sites are utilizing resources and supplies to ensure school are safe and learning environments are positive.	Suspensions year to date are at 28 total suspensions. In 2024-25 school in the same time period there were 42 suspensions.	$1,012,600.00	$791,638.00

2.6	**Positive Behavior Intervention Supports (PBIS), Restorative Practices, and other behavioral support** Gustine Unified will continue to build capacity to teach all students appropriate behaviors through the evidence-based three-tiered Positive Behavioral Interventions and Supports (PBIS) framework that uses data, systems, and strategies to improve student outcomes each day. Supplies and materials will be purchased as incentives and rewards for following expected behaviors. The sites will improve data collection ways to track data and successful outcomes. Restorative practices will be introduced and incorporated to help build communities and relationships. Staff will also provide conflict resolution to support better relationships amongst staff and students. The district will monitor data and provide additional resources to lower the suspension rate of the student groups of white and two or more races who were the lowest status indicator on the California Dashboard for suspension rate. Gustine Elementary schools groups with the lowest status of suspension are socioeconomically disadvantaged and white students. These areas will be addressed through a tailored PBIS program focused on these student groups which reinforce positive behaviors through clear expectations, incentives, and consistent feedback. Restorative practices will be implemented to shift from punitive measures to instead focus on repairing harm, building relationships, and fostering accountability. These collaborative approaches will help to resolve conflicts and address behavioral issues.	Yes	Fully Implemented	Restorative practices are starting to be implemented in schools and admin are attending professional development.	There is an overall decline in the number of suspensions compared to the same time period last year. Each site has a PBIS team and they are working to provide positive behavior with incentives and behavioral support.	$84,008.00	$128,213.00

2.7	**Attendance** Gustine Unified School District has had a decrease in chronic absenteeism based on CA Dashboard. All students are 29.9% chronically absent in the district with a decrease of 11.3%. Low Income and English Learner students have the most opportunity for continued growth in attendance rates according to the most current state and local data. To address this need, Gustine Unified School District will continue to provide district student support services coordinating district efforts to improve attendance. In addition Romero Elementary School was identified on the California Dashboard as with the lowest indicator for chronic absenteeism for students with disabilities. In order to address this, Romero will work with families to create personalized attendance plans for students with disabilities to set goals, create strategies, and plan interventions based on student needs. School sites will partner with outside agencies in focused efforts to reduce chronic absenteeism and increase attendance rates. The district will continue the School Attendance Review Board (SARB) and develop strategies, supports, and incentives for students to ensure higher attendance rates and avoid chronic absenteeism. Improve upon the tiered re-engagement strategies through family partnerships and home visits to determine why the student is absent from school and create plans to re-engage in the school system. Family training on the importance of attendance will continue to be supported as a part of the SARB process. Attendance awareness will be implemented for all school sites. A specific focus will be on improving attendance at the primary levels, specifically Transitional Kindergarten and Kindergarten. Data will be tracked to determine best practices and to monitor attendance trends.	Yes	Fully Implemented	Chronic absenteeism is at 21.7%. Sites are tracking strategies to determine effectiveness.	New attendance incentives have been implemented to increase attendance. Data is being tracked. As of February 3, 21.27% of students are chronically absent. SARTs are not happening in a timely manner. SARBS are conducted and parent training is provided.	$146,161.00	$48,796.00

2.8	**Nutritious and Healthful Meals** The district has received feedback from all educational partners regarding the quality and healthfulness of student meals. In order to provide more quality foods, the district upgraded its facilities to include a cooking kitchen. This kitchen will provide freshly made, nutritious meals and a chef to oversee the meal preparation.	Yes	Not Implementing	Students report that the food served is better quality than before.	Hot meals is not as consistent as the district would like. Food quality it improved. The cost of the chef was moved to other funding sources.	$110,000.00	$0.00

3.1	**Parent Capacity Building** Families of unduplicated students have stated they are interested in capacity building activities. The district will increase and improve opportunities for parents of English learners, foster youth, and socioeconomically disadvantaged students to understand and be involved in district processes and school activities, advisory groups, and strategies to support learning at home. The district will promote parent leadership to ensure all families know the representatives to the advisory groups to encourage active engagement in the school and district community. This action will be measured by the number of parents attending capacity building workshops as well as greater participation and attendance at meetings of school site council, DELAC, ELAC, and district advisory committee.	Yes	Fully Implemented	PLTI, Parent University, college and career events, and other parent nights are being provided to build. 3.2	**Engagement Opportunities** The district needs to increase and improve the number of engagement opportunities for families of unduplicated student groups. The district and school sites will plan and promote activities, programs, and showcase events to highlight and celebrate student and parent successes in order to build community and belonging to increase the participation of parents of English Learners, Foster Youth, and Low Income. These engagements will build greater understanding of the academic program, increase communication between school and home, as well as provide general opportunities for families to engage in the school community in a positive way. The outcome will be measured by attendance of the families of unduplicated pupils as well as the increased level of satisfaction of engagement opportunities among unduplicated families.	Yes	Fully Implemented	All school sites have provided many engagement opportunities including Lotteria, paint nights, open house, fall carnivals and other activities.	Sites are tracking attendance at these activities and in the spring a survey will provide information on satisfaction of engagement opportunities.	$36,330.00	$18,986.00
3.3	**Child Care for Parents to Engage** Based on survey data, many low income and English Learner families do not have the opportunity to participate in meetings and trainings due to child care responsibilities. In order to increase access and the ability for parents of English Learners and Low income students to attend school meetings child care will be provided. A survey will be sent prior to the meeting to gauge the needs of child care for each meeting. The district will create child care kits to ensure materials are available for students during child care.	Yes	Fully Implemented	Parent capacity building activities have provided child care at each meeting.	DELAC, ELAC, and Parent University, and ELPAC Night have provided consistent child care and families are taking advantage of the opportunity which allows them to better participate in the trainings and meetings.	$10,000.00	$650.00

3.4	**Family Partnerships** GUSD needs to increase the participation of families of Low Income students and English Learners as measured by attendance at school functions. In order to build family partnerships, each site will have a dedicated family bilingual liaison to reach out to families to build partnerships with families to increase engagement, convey school information, ensure all parent meetings are interpreted. The liaisons will build connections and ensure that the families are not only aware of events, but will also ensure that needs are met regarding participation such as interpretation and child care. Incentives for families to attend events and participate in capacity building will be provided. Upon arrival to school, newcomer families will meet with bilingual liaisons to share resources such as the community resource room, provide support in accessing communication tools and resources, school supplies, and have an orientation to teach about the school system.	Yes	Partially Implemented	The action is fully implemented, but charged to Title I. Each site has a bilingual community liaison to support familly partnerships. We have yet to establish a routine for newcomer families to teach about the school system.	Bilingual Community Liaisons are working to increase attendance at events with targeted phone calls and strategic outreach to increase participation with low income, English Learners, and Foster families.	$20,500.00	$0.00

Variables

ECONOMIC FACTORS AND NEXT YEAR'S BUDGET

Several economic and fiscal factors could influence the District's financial condition in the coming year, including continued enrollment declines, uncertain Federal and State revenues, high pension obligations, and a cooling California economy.

Long-Term Declining Enrollment

California's K–12 system continues to experience enrollment decline. Statewide enrollment fell another 0.5% in 2024–25 to about 5.8 million students, roughly 420,000 fewer than a decade ago. The Department of Finance projects an additional 586,000-student decline by 2033–34. Lower birth rates, high housing costs, and out-migration are key drivers, along with growing competition from charter and private schools. Because many costs—such as staffing and facilities—cannot easily adjust, revenue loss from declining Average Daily Attendance (ADA) creates structural fiscal challenges that require multi-year planning.

Certificates of Participation (COP)

On January 12, 2017, the District issued 2017 Refunding Direct Placement Certificates of Participation in the amount of $6,875,000 with an interest rate of 3.50%. Future payments on the 2017 Refunding Certificates of Participation are as follows:

Year Ended June 30,	Principal	Interest	Total
2026	$ 318,000	$ 160,808	$ 478,808
2027	331,000	149,573	480,573
2028	339,000	137,918	476,918
2029	356,000	125,895	481,895
2030	369,000	113,313	482,313
2031 - 2035	2,041,000	362,319	2,403,319

Audit Finding #2025-001

FINDING #2025-001: ASSOCIATED STUDENT BODY (ASB) FUNDS (30000)

Criteria: Maintaining sound internal control procedures over cash receipts, cash disbursements, bank reconciliations and minutes of council meetings reduces the opportunity for irregularities to go undetected. The Fiscal Crisis & Management Assistance Team (FCMAT) Associated Student Body Accounting Manual & Desk Reference outlines proper internal control procedures for associated student body accounts to follow.

Condition: Through our testing of the school site ASB accounts, we noted numerous old uncleared transactions that have remained on the bank reconciliation for Gustine High School

Cause: Insufficient controls over student body activities.

Effect: The potential for irregularities in accounting to go undetected.

Repeat Finding: This is a repeat finding.

Recommendation: We recommend that all ASB bank accounts be reconciled on a monthly basis and uncleared items explained sufficiently. The District should provide each student body account clerk with the latest FCMAT Associated Student Body Accounting Manual & Desk Reference and reinforce the importance for sound internal control procedures to be implemented.

Corrective Action Plan: The Superintendent will ensure that the Chief Business Officer reviews all student body activities and establishes accountability measures for the District to become compliant. All ASB clerks will receive formal training and someone other than the ASB clerk will complete the bank reconciliations. This internal control will allow old transactions to be resolved by the end of each year.

Audit Finding #2025-002

Criteria: The California Education Code, California School Accounting Manual, and best business practices require an entity to maintain a sound financial system that supports financial reporting and budget monitoring. Compliance with this requirement includes proper accruals as of year-end and maintaining proper supporting documentation for year-end accruals and the closing process. Sound internal controls dictate that accounts receivable and accounts payable accruals are short term in nature and should be cleared or reversed within one year and should be properly recorded in accordance with generally accepted accounting principles.

Condition: We noted transactions that were not properly accounted for during substantive testing of balances and transactions as of and for the year ended June 30, 2025. We noted the following control weaknesses related to financial reporting:

- Closing entries to record year end accounts receivable accruals related to Child Nutrition CNIPS claims at June 30, 2025 were not posted.
- Prior year balances of accounts receivable and accounts payable were not cleared as of June 30, 2025.

Cause: Insufficient internal controls over balance sheet accounts.

Effect: Lack of proper internal controls can lead to accounting irregularities to go undetected and increase risk of misstatement of assets.

Repeat Finding: This is a repeat finding.

Recommendation: We recommend the District implement procedures to ensure prior year accounts receivable and accounts payable be cleared or reversed within one year and to properly record ending balances in accordance with generally accepted accounting principles. In addition, year end closing entries should be posted to include accounts receivable accruals.

Corrective Action Plan: The District will provide a secondary protocol for fiscal support to work with the Chief Business Officer in reviewing all closing entries prior to the close of the year. This person can be in-house, the county office of education or a consultant. This process should continue for a minimum of three years to ensure that the year end entries are accurate and maintained.

Audit Finding #2025-003

FINDING #2025-003: CASH RECEIPTING INTERNAL CONTROLS (30000)

Criteria: Proper internal control procedures require adequate segregation of duties and a sufficient documentation trail between the point of collection and the point of deposit.

Condition: We noted that 5 of 24 receipts selected for testing were not deposited timely. We noted that 2 of 24 receipts did not contain appropriate supporting documentation. We also noted that 5 receipts were improperly coded.

Cause: Inadequate controls and monitoring over the cash receipt cycle.

Effect: Without a proper documentation trail, it is impossible to identify if all collected items were deposited to the bank in a complete and timely manner.

Repeat Finding: This is not a repeat finding.

Recommendation: We recommend the District implement procedures to ensure that cash receipts are deposited within a one month period of collection. Also, provide training to staff in order to ensure that proper supporting documentation is being kept for each receipts and is also coded properly.

Corrective Action Plan: The District will enforce segregation of duties by establishing that the Chief Business Officer completes bank reconciliations and ensures that all deposits made to the county treasurer is accounted for. A separate employee/s will be responsible for receipting and making the deposit. This process will allow the CBO to review deposit timelines and resolve any issues that may arise. In addition, the staff and CBO will be required to retain all supporting documentation via hard copy in a secure location.

Audit Finding #2025-004

FINDING #2025-004: HOME TO SCHOOL TRANSPORTATION PLAN (40000)

Criteria: The LEA developed, and adopted, and/or updated if applicable, a plan by April 1st every year, pursuant to Education Code section 39800.1(a), describing the transportation services it will offer to its pupils, and how it will prioritize planned transportation services for pupils in transitional kindergarten, kindergarten, and any of grades 1 to 6, inclusive, and pupils who are low income.

Condition: We noted that during our testing that the 2024-25 Plan was approved on April 8, 2025.

Effect: The District is not in compliance with applicable State requirements.

Cause: Clerical oversight.

Questioned Cost: $568,194; total Home-to-School Reimbursement funding for the year ended June 30, 2025.

Repeat Finding: This is not a repeat finding.

Recommendation: We recommend the District ensures the plan is approved by April 1, every year.

Corrective Action Plan: The Superintendent's office will ensure that the Chief Business Officer or responsible party will submit the Transportation Plan to the Board for approval in March of each year to ensure that the District meets this requirement.

Audit Finding #2025-005

FINDING #2025-005: CLASSROOM TEACHER SALARIES (61000)

Criteria: As set forth in California Education Code section 41372, a unified school district should expend a minimum of 55% of the District's current expenses of education towards salaries of classroom teachers.

Condition: In the 2024-25 fiscal year, Gustine Unified School District did not meet the minimum percentage requirement of 55%. Gustine Unified School District only spent 53.22% on classroom teacher salaries in the 2024-25 fiscal year.

Effect: The District's current expense of education for the year ended June 30, 2025 was $29,811,841 and the total salaries and benefits for classroom teachers was $15,866,418. The District was below the minimum required percentage of 55% by 1.78% which calculates out to a deficiency of $530,651.

Cause: One-time funding sources.

Questioned Costs: The questioned costs are the deficiency of $530,651.

Repeat Finding: This is a repeat of Finding #2024-003.

Recommendation: We recommend that in the future, the District monitor their expenses towards salaries of classroom teachers against their total expenses to be sure that they meet the 55% minimum requirement. The District should also apply for an exemption from the Merced County Office of Education.

Corrective Action Plan: The District will request an exemption from Merced County Office of Education and continue to monitor proper coding and alignment of expenditures for compliance.

Audit Finding #2025-006

FINDING #2025-006: PROPOSITION 28 ARTS AND MUSIC IN SCHOOLS (40000)

Criteria: As a condition of apportionment for Proposition 28 Arts and Music in Schools funding, the local education agency must make a certification in compliance with Education Code (EC) Section 8820(g)(1) or have a waiver of the requirement issued by the California Department of Education (CDE) pursuant to EC Section 8820(h).

Condition: The District did not verify that the annual certification was submitted by June 30, 2025 or that it was board approved by September 30.

Effect: The District is not in compliance with applicable State requirements.

Cause: Clerical oversight.

Questioned Cost: There is no questioned cost related to this finding.

Repeat Finding: This is not a repeat finding.

Recommendation: We recommend the district request a waiver with CDE. In addition, we recommend, filing the 2025-26 annual certification and board approval be in a timely manner and get it board approved.

Corrective Action Plan: The Superintendent's office will create a tickler file for all required documents and filings that require board approval to ensure that all parties are fulfilling these requirements.

Audit Finding #2025-007

FINDING #2025-007: P-2 AND ANNUAL ATTENDANCE REPORTING (10000)

Criteria: California Education Code sections 46300, 46301, and related guidance require school districts to accurately calculate and report Average Daily Attendance (ADA) in the Principal Apportionment (P-2) and Annual Attendance Reports. Districts are responsible for ensuring that attendance records, calculations, and reported ADA amounts are complete, accurate, and supported by underlying documentation.

Condition: During our review of the District's P-2 and Annual Attendance Reports, we noted variances between the attendance reports submitted to the California Department of Education and the District's internal attendance calculations and summaries. Specifically, P-2 ADA was understated by 1.12 ADA. While the overall Annual ADA overstated by 0.05 ADA.

Effect: As a result of these errors, the District reported inaccurate ADA in its P-2 Attendance Report, which could result in incorrect state apportionment funding. In addition, inaccuracies in attendance reporting increase the risk of future reporting errors and potential audit adjustments.

Cause: The District did not have sufficient review and reconciliation procedures in place to ensure that attendance data used in the P-2 and Annual Attendance Reports agreed to underlying attendance records and recalculations prior to submission.

Questioned Cost:

	Second Period Report ADA Understatement (Overstatement)	Annual Report ADA Understatement (Overstatement)	2024-25 Derived Value of ADA by Grade Span	Questioned Cost
TK/Kindergarten through Third	0.77	(0.63)	$ 15,038	$ 11,579
Fourth through Sixth	(0.21)	(0.81)	$ 13,828	(2,904)
Seventh through Eight	13.46	(1.37)	$ 14,237	191,624
Ninth through Twelth	(12.90)	2.76	$ 16,930	(218,391)
	1.12	(0.05)		$ (18,091)

Repeat Finding: This is not a repeat finding.

Recommendation: We recommend that the District implement stronger internal controls over attendance reporting, including formal reconciliation procedures between attendance records, internal summaries, and state attendance reports. In addition, management should ensure that attendance reports are independently reviewed prior to submission to verify the accuracy of ADA calculations by grade span and reporting period.

Corrective Action Plan: The District will ensure that someone is assigned to oversee the accuracy of attendance data, receive proper training and assists in compiling all attendance data prior to each reporting period. The Chief Business Officer will be responsible for reviewing this data and compiling it to report in the state software program. This system enables two individuals to double check the data prior to it being reported .

Audit Finding #2025-008

FINDING #2025-008 – RATIO OF ADMINISTRATIVE EMPLOYEES TO TEACHERS (40000)

Criteria: The number of administrative employees per hundred teachers must not exceed the allowable ratio set forth in Education Code section 41402, if the school district is not in compliance with the allowable ratio, Auditors are required to state the number of excess administrators and the associated penalty, as set forth by Education Code section 41404.

Condition: The District had 90 full-time equivalents (FTE) for teachers, based on an allowable ratio for unified districts of 8%, the district must have had less than 7.20 FTE related to non-exempt certificated administrative employees. The District had 10.50 FTE for non-exempt certificated administrative employees representing a rounded excess of 3 FTE.

Effect: The District is not in compliance with State requirements.

Cause: Excess of certificated administrative FTE.

Questioned Costs: $361,920, calculated as follows:

A.	District's Total State Revenue (Prior Year Unaudited Actual Financial Report)	$ 24,723,363.00
B.	District's Total Revenue and Other Financing Sources (Prior Year Unaudited Financial Report)	$ 35,095,610.00
C.	Portion of State Revenue in Total Revenue (Part IV, Line A divided by Part IV, Line B. Calculated to two decimals)	0.70
D.	Total Annual Salaries of Administrative FTE reported on Part I, Line A	$ 1,809,600.00
E.	Average Administrator Salary (Part IV, Line D divided by FTE from Part I, Line A. Rounded to nearest whole number)	$ 172,343
F.	State Funded Share of Administrator Salary (Part IV, Line E x Part IV, Line C. Rounded to nearest whole number)	$ 120,640
G.	Penalty (Part IV, Line F x Part III, Line B)	$ 361,920

Repeat Finding: No.

Recommendation: We recommend the District evaluate the FTE related to non-exempt certificated administrative employees as compared to FTE related to teachers to ensure the District is in compliance.

Corrective Action Plan: The District will continue to monitor and evaluate staffing patterns to remain within the allowable administrative percentage. The District will take measures to remediate the discrepancy.

2023-24 Audit Findings

2024-001-Partially implemented (insufficient controls over student body activities)

2024-002-Not implemented (prior year AR’s not cleared, lack of internal controls)

2024-003-Not implemented (district applied for the exemption on CEA form)

Report on the Audit of the Financial Statements

Opinions

We have audited the accompanying financial statements of the governmental activities, the major fund, and the aggregate remaining fund information of the Gustine Unified School District, as of and for the year ended June 30, 2025, and the related notes to the financial statements, which collectively comprise the Gustine Unified School District's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the major fund, and the aggregate remaining fund information of the Gustine Unified School District, as of June 30, 2025, and the respective changes in financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Gustine Unified School District and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Emphasis of Matter

Change in Accounting Principle

As described in Note 1 to the financial statements, the Gustine Unified School District adopted new accounting guidance, Governmental Accounting Standards Board (GASB) Statement No. 101, *Compensated Absences*. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Responsibilities of Management for the Financial Statements (continued)

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Gustine Unified School District's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user of the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards,* we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Gustine Unified School District's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Gustine Unified School District's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the required supplementary information, such as management's discussion and analysis, budgetary comparison information, schedule of changes in net OPEB liability and related ratios, schedules of proportionate share of net pension liability, and schedules of district contributions for pensions be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Gustine Unified School District's basic financial statements. The supplementary information listed in the table of contents, including the schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations (CFR)* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the supplementary information is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Information

Management is responsible for the other information included in the annual report. The other information comprises the Local Education Agency Organization Structure but does not include the basic financial statements and our auditor's report thereon. Our opinions on the basic financial statements do not cover the other information, and we do not express an opinion or any form of assurance thereon.

In connection with our audit of the basic financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the basic financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated January 28, 2026 on our consideration of the Gustine Unified School District's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Gustine Unified School District's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Gustine Unified School District's internal control over financial reporting and compliance.

GUSTINE UNIFIED SCHOOL DISTRICT
MANAGEMENT'S DISCUSSION AND ANALYSIS

INTRODUCTION

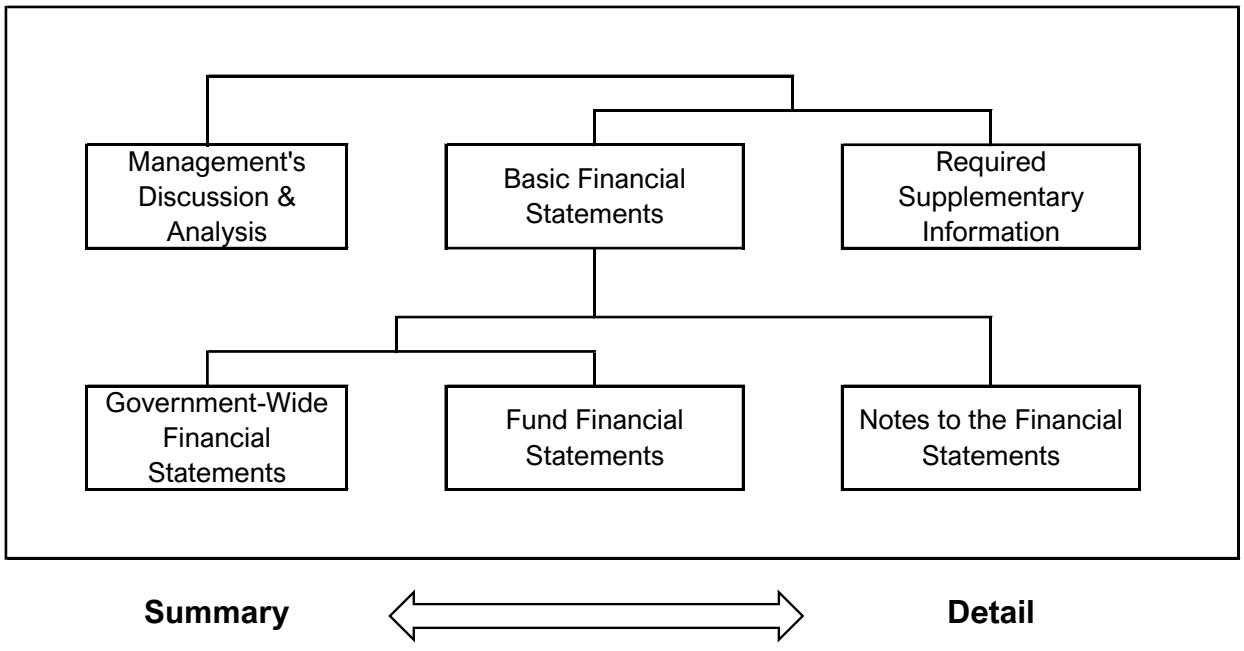
Our discussion and analysis of Gustine Unified School District's (District) financial performance provides an overview of the District's financial activities for the fiscal year ended June 30, 2025. It should be read in conjunction with the District's financial statements, which follow this section.

FINANCIAL HIGHLIGHTS

- The District's net position was $16,261,144 at June 30, 2025. This was an increase of $411,930 from the prior year, after restatement.
- Overall revenues were $36,053,987 which exceeded expenses of $35,642,057.

OVERVIEW OF FINANCIAL STATEMENTS

Components of the Financial Section



OVERVIEW OF FINANCIAL STATEMENTS (continued)

Components of the Financial Section (continued)

This annual report consists of three parts – Management's Discussion and Analysis (this section), the basic financial statements, and required supplementary information. The three sections together provide a comprehensive overview of the District. The basic financial statements are comprised of two kinds of statements that present financial information from different perspectives:

- **Government-wide financial statements**, which comprise the first two statements, provide both short-term and long-term information about the entity's overall financial position.

- **Fund financial statements** focus on reporting the individual parts of District operations in more detail. The fund financial statements comprise the remaining statements.

    - **Governmental Funds** provide a detailed *short-term* view that helps you determine whether there are more or fewer financial resources that can be spent in the near future to finance the District's programs.

The financial statements also include notes that explain some of the information in the statements and provide more detailed data. The basic financial statements are followed by a section of required and other supplementary information that further explain and support the financial statements.

Government-Wide Statements

The government-wide statements report information about the District as a whole using accounting methods similar to those used by private-sector companies. The statement of net position includes all of the government's assets and liabilities. All of the current year's revenues and expenses are accounted for in the statement of activities, regardless of when cash is received or paid.

The two government-wide statements report the District's net position and how it has changed. Net position is one way to measure the District's financial health. Over time, increases or decreases in the District's net position are an indicator of whether its financial health is improving or deteriorating, respectively.

The government-wide financial statements of the District include governmental activities. All of the District's basic services are included here, such as regular education, food service, maintenance and general administration. Local control formula funding and federal and state grants finance most of these activities.

FINANCIAL ANALYSIS OF THE ENTITY AS A WHOLE

Net Position

The District's net position was $16,261,144 at June 30, 2025, as reflected in the table below. Of this amount, $(14,248,311) was unrestricted. Restricted net position is reported separately to show legal constraints from debt covenants and enabling legislation that limit the Governing Board's ability to use that net position for day-to-day operations.

**Beginning net position was restated for the 2025 year only.*

The cost of all our governmental activities this year was $35,642,057 (refer to the table above). The amount that our taxpayers ultimately financed for these activities through taxes was $5,638,200, because a portion of the cost was paid by other governments and organizations who subsidized certain programs with grants and contributions and unrestricted federal and state aid.

FINANCIAL ANALYSIS OF THE ENTITY AS A WHOLE (continued)

Changes in Net Position (continued)

In the table below, we have presented the net cost of each of the District's functions. Net cost shows the financial burden that was placed on the District's taxpayers by each of these functions. Providing this information allows our citizens to consider the cost of each function in comparison to the benefits they believe are provided by that function.

FINANCIAL ANALYSIS OF THE DISTRICT'S MAJOR FUND

The financial performance of the District as a whole is reflected in its governmental funds as well. As the District completed this year, its governmental funds reported a combined fund balance of $17,719,711, which is less than last year's ending fund balance of $21,041,769. The District's General Fund had $3,470,918 less in operating revenues than expenditures for the year ended June 30, 2025.

CURRENT YEAR BUDGET 2024-2025

During the fiscal year, budget revisions and appropriation transfers are presented to the Board for their approval on a regular basis to reflect changes to both revenues and expenditures that become known during the year. In addition, the Board of Education approves financial projections included with the Adopted Budget, First Interim, and Second Interim financial reports. The Unaudited Actuals reflect the District's financial projections and current budget based on State and local financial information.

CAPITAL ASSETS AND LONG-TERM LIABILITIES

Capital Assets

By the end of 2024-2025 the District had invested $36,764,814 in capital assets, net of accumulated depreciation.

**Compensated Absences for 2024 was restated in order to record the District's compensated absences in accordance with GASB Statement No. 101 which supersedes GASB Statement No. 16 for the year ended June 30, 2025.*

ECONOMIC FACTORS AND NEXT YEAR'S BUDGET

Several economic and fiscal factors could influence the District's financial condition in the coming year, including continued enrollment declines, uncertain Federal and State revenues, high pension obligations, and a cooling California economy.

Long-Term Declining Enrollment

California's K–12 system continues to experience enrollment decline. Statewide enrollment fell another 0.5% in 2024–25 to about 5.8 million students, roughly 420,000 fewer than a decade ago. The Department of Finance projects an additional 586,000-student decline by 2033–34. Lower birth rates, high housing costs, and out-migration are key drivers, along with growing competition from charter and private schools. Because many costs—such as staffing and facilities—cannot easily adjust, revenue loss from declining Average Daily Attendance (ADA) creates structural fiscal challenges that require multi-year planning.

ECONOMIC FACTORS AND NEXT YEAR'S BUDGET (continued)

Revenue Uncertainties

- **Status of Proposition 98:** The 2025–26 State Budget sets the Proposition 98 guarantee at $114.6 billion, slightly below earlier projections. To maintain K–12 funding commitments amid weaker tax receipts, the State relied on reserve drawdowns, internal borrowing, and limited deferrals. The outlook remains fragile since Proposition 98 revenues are highly sensitive to income-tax and capital-gains fluctuations. A market slowdown could trigger future adjustments. The Legislative Analyst's Office urges districts to budget cautiously and preserve flexibility given ongoing volatility.
- **Federal Funding Uncertainties:** Federal funding for K–12 education remains uncertain heading into 2025–26. Several large federal programs—including Title I, Title II, IDEA, and after-school and enrichment grants—face potential reductions or delays under current federal budget proposals and continuing appropriations negotiations. The U.S. Department of Education has also paused or delayed disbursement of certain previously approved formula and competitive grants, creating short-term cash-flow and planning challenges for districts. Analyses by nonpartisan agencies such as the Congressional Budget Office and the Learning Policy Institute note that up to $5–6 billion in K-12 formula funds nationwide remain at risk of reduction or deferral if congressional appropriations are not finalized. While districts are expected to continue receiving baseline allocations during temporary funding resolutions, long-term federal support levels for education could decline modestly in real terms, requiring districts to plan for possible funding interruptions or reductions in future years.

Pension Liabilities and Employer Rates

The District participates in CalSTRS and CalPERS, both of which remain underfunded and continue to exert upward pressure on budgets. For 2025–26, the CalSTRS employer rate is 19.10%, and the CalPERS Schools Pool rate is 26.81%. These elevated rates—well above pre-2014 levels—will likely persist through the decade as both systems address unfunded liabilities. Districts must continue to account for escalating pension costs in long-range projections.

Economic and Market Conditions

California's economy has cooled following its post-pandemic rebound. High interest rates, weaker venture investment, and commercial-real-estate softness have slowed growth, especially in tech-dependent regions. The UCLA Anderson Forecast (Fall 2025) expects subdued growth into 2026, with unemployment near 5%. Inflation has eased, but interest-rate uncertainty continues to constrain housing and business investment.

Because the State's tax base depends heavily on capital-gains income, stock-market volatility remains a major risk to General Fund and Proposition 98 revenues. Fiscal advisors therefore recommend that districts maintain prudent reserves and avoid long-term commitments based on one-time revenue gains.

Summary

Declining enrollment, volatile revenues, persistent pension costs, and broader economic uncertainty all contribute to a challenging fiscal environment for California school districts. The District's 2025–26 budget reflects these conditions through conservative revenue assumptions, strong reserves, and continued monitoring of State fiscal trends.

CONTACTING THE DISTRICT'S FINANCIAL MANAGEMENT

GUSTINE UNIFIED SCHOOL DISTRICT
RECONCILIATION OF THE GOVERNMENTAL FUNDS STATEMENT OF REVENUES, EXPENDITURES, AND CHANGES IN FUND BALANCES TO THE STATEMENT OF ACTIVITIES
FOR THE YEAR ENDED JUNE 30, 2025

Net Change in Fund Balances - Governmental Funds			$ (3,322,058)
Amounts reported for governmental activities in the statement of activities are different from amounts reported in governmental funds because:			
Capital outlay:			
In governmental funds, the costs of capital assets are reported as expenditures in the period when the assets are acquired. In the statement of activities, costs of capital assets are allocated over their estimated useful lives as depreciation expense. The difference between capital outlay expenditures and depreciation expense for the period is:			
Expenditures for capital outlay:	$ 4,727,531		
Depreciation expense:	(1,814,510)		2,913,021
Debt service:			
In governmental funds, repayments of long-term debt are reported as expenditures. In the government-wide statements, repayments of long-term debt are reported as reductions of liabilities. Expenditures for repayment of the principal portion of long-term debt were:			225,136
Gain or loss from the disposal of capital assets:			
In governmental funds, the entire proceeds from disposal of capital assets are reported as revenue. In the statement of activities, only the resulting gain or loss is reported. The difference between the proceeds from disposal of capital assets and the resulting gain or loss is:			(24,171)
Unmatured interest on long-term debt:			
In governmental funds, interest on long-term debt is recognized in the period that it becomes due. In the government-wide statement of activities, it is recognized in the period it is incurred. Unmatured interest owing at the end of the period, less matured interest paid during the period but owing from the prior period, was:			1,237
Compensated absences:			
In governmental funds, compensated absences are measured by the amounts paid during the period. In the statement of activities, compensated absences are measured by the amount earned. The difference between compensated absences paid and compensated absences earned, was:			(165,784)
Postemployment benefits other than pensions (OPEB):			
In governmental funds, OPEB expenses are recognized when employer OPEB contributions are made. In the statement of activities, OPEB expenses are recognized on the accrual basis. This year, the difference between OPEB expenses and actual employer OPEB contributions was:			(217,174)
Pensions:			
In governmental funds, pension costs are recognized when employer contributions are made. In the government-wide statement of activities, pension costs are recognized on the accrual basis. This year, the difference between accrual-basis pension costs and employer contributions was:			966,564
Other liabilities not normally liquidated with current financial resources:			
In the government-wide statements, expenses must be accrued in connection with any liabilities incurred during the period that are not expected to be liquidated with current financial resources. Examples include special termination benefits such as retirement incentives financed over time, and structured legal settlements. This year, expenses incurred for such obligations were:			35,159
Change in Net Position of Governmental Activities			$ 411,930

The accompanying notes are an integral part of these financial statements.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Financial Reporting Entity

The Gustine Unified School District (the "District") accounts for its financial transactions in accordance with the policies and procedures of the Department of Education's *California School Accounting Manual.* The accounting policies of the District conform to generally accepted accounting principles as prescribed by the Governmental Accounting Standards Board (GASB) and the American Institute of Certified Public Accountants (AICPA).

The District operates under a locally elected Board form of government and provides educational services to grades K-12 as mandated by the state. A reporting entity is comprised of the primary government, component units, and other organizations that are included to ensure the financial statements are not misleading. The primary government of the District consists of all funds, departments and agencies that are not legally separate from the District. For the District, this includes general operations, food service, and student-related activities.

B. Component Units

Component units are legally separate organizations for which the District is financially accountable. Component units may also include organizations that are fiscally dependent on the District in that the District approves their budget, the issuance of their debt or the levying of their taxes. In addition, component units are other legally separate organizations for which the District is not financially accountable but the nature and significance of the organization's relationship with the District is such that exclusion would cause the District's financial statements to be misleading or incomplete. The District has no such component units.

C. Basis of Presentation

Government-Wide Statements. The statement of net position and the statement of activities display information about the primary government (the District). These statements include the financial activities of the overall government. Eliminations have been made to minimize the double-counting of internal activities. Governmental activities generally are financed through taxes, intergovernmental revenue, and other non-exchange transactions.

The statement of activities presents a comparison between direct expenses and program revenue for each function of the District's governmental activities. Direct expenses are those that are specifically associated with a program or function and, therefore, are clearly identifiable to a particular function. Indirect expense allocations that have been made in the funds have been reserved for the statement of activities. Program revenues include charges paid by the recipients of the goods or services offered by the programs and grants and contributions that are restricted to meeting of operational or capital requirements of a particular program. Revenues that are not classified as program revenues are presented as general revenues. The comparison of program revenues and expenses identifies the extent to which each program or business segment is self-financing or draws from the general revenues of the District.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

C. Basis of Presentation (continued)

Fund Financial Statements. The fund financial statements provide information about the District's funds. The emphasis of fund financial statements is on major governmental funds, each displayed in a separate column. All remaining governmental funds are aggregated and reported as non-major funds.

Governmental funds are used to account for activities that are governmental in nature. Governmental activities are typically tax-supported and include education of pupils, operation of food service and child development programs, construction and maintenance of school facilities, and repayment of long-term debt.

Major Governmental Funds

General Fund: The General Fund is the main operating fund of the District. It is used to account for all activities except those that are required to be accounted for in another fund. In keeping with the minimum number of funds principle, all of the District's activities are reported in the General Fund unless there is a compelling reason to account for an activity in another fund. A District may have only one General Fund.

Non-Major Governmental Funds

Special Revenue Funds: Special revenue funds are used to account for and report the proceeds of specific revenue sources that are restricted or committed to expenditures for specified purposes other than debt service or capital projects. The District maintains the following special revenue funds:

Student Activity Fund: This fund may be used to account for student body activities that do not meet the fiduciary criteria established in GASB Statement No. 84.

Adult Education Fund: This fund is used to account separately for federal, state, and local revenues for adult education programs. Money in this fund shall be expended for adult education purposes only. Moneys received for programs other than adult education shall not be expended for adult education (*Education Code Sections* 52616[b] and 52501.5[a]).

Cafeteria Fund: This fund is used to account separately for federal, state, and local resources to operate the food service program (*Education Code Sections* 38090–38093). The Cafeteria Fund shall be used only for those expenditures authorized by the governing board as necessary for the operation of the District's food service program (*Education Code Sections* 38091 and 38100).

Deferred Maintenance Fund: This fund is used to account separately for state apportionments and the District's contributions for deferred maintenance purposes (*Education Code Sections* 17582–17587). In addition, whenever the state funds provided pursuant to *Education Code Sections* 17584 and 17585 (apportionments from the State Allocation Board) are insufficient to fully match the local funds deposited in this fund, the governing board of a school district may transfer the excess local funds deposited in this fund to any other expenditure classifications in other funds of the District (*Education Code Sections* 17582 and 17583).

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

C. Basis of Presentation (continued)

Capital Project Funds: Capital project funds are established to account for financial resources to be used for the acquisition or construction of major capital facilities (other than those financed by proprietary funds and trust funds).

Building Fund: This fund exists primarily to account separately for proceeds from the sale of bonds (*Education Code Section* 15146) and may not be used for any purposes other than those for which the bonds were issued. Other authorized revenues to the Building Fund are proceeds from the sale or lease-with-option-to-purchase of real property (*Education Code Section* 17462) and revenue from rentals and leases of real property specifically authorized for deposit into the fund by the governing board (*Education Code Section* 41003).

Capital Facilities Fund: This fund is used primarily to account separately for moneys received from fees levied on developers or other agencies as a condition of approving a development (*Education Code Sections* 17620–17626). The authority for these levies may be county/city ordinances (*Government Code Sections* 65970–65981) or private agreements between the District and the developer. Interest earned in the Capital Facilities Fund is restricted to that fund (*Government Code Section* 66006).

County School Facilities Fund: This fund is established pursuant to *Education Code Section* 17070.43 to receive apportionments from the 1998 State School Facilities Fund (Proposition 1A), the 2002 State School Facilities Fund (Proposition 47), or the 2004 State School Facilities Fund (Proposition 55) authorized by the State Allocation Board for new school facility construction, modernization projects, and facility hardship grants, as provided in the Leroy F. Greene School Facilities Act of 1998 (*Education Code Section* 17070 et seq.).

Special Reserve Fund for Capital Outlay Projects: This fund exists primarily to provide for the accumulation of General Fund moneys for capital outlay purposes (*Education Code Section* 42840).

Debt Service Funds: Debt service funds are established to account for the accumulation of resources for and the payment of principal and interest on general long-term debt.

Bond Interest and Redemption Fund: This fund is used for the repayment of bonds issued for the District (*Education Code Sections* 15125–15262). The board of supervisors of the county issues the bonds. The proceeds from the sale of the bonds are deposited in the county treasury to the Building Fund of the District. Any premiums or accrued interest received from the sale of the bonds must be deposited in the Bond Interest and Redemption Fund of the District. The county auditor maintains control over the District's Bond Interest and Redemption Fund. The principal and interest on the bonds must be paid by the county treasurer from taxes levied by the county auditor-controller.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

D. Basis of Accounting – Measurement Focus

Government-Wide Financial Statements
The government-wide financial statements are reported using the economic resources measurement focus. The government-wide financial statements are reported using the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded at the time liabilities are incurred, regardless of when the related cash flows take place.

Net Position equals assets and deferred outflows of resources minus liabilities and deferred inflows of resources. Net investment in capital assets consists of capital assets, net of accumulated depreciation, reduced by the outstanding balances of any borrowings used for the acquisition, construction or improvement of those assets. The net position should be reported as restricted when constraints placed on its use are either externally imposed by creditors (such as through debt covenants), grantors, contributors, or laws or regulations of other governments or imposed by law through constitutional provisions or enabling legislation. The net position restricted for other activities results from special revenue funds and the restrictions on their use.

Governmental Funds
Basis of accounting refers to when revenues and expenditures are recognized in the accounts and reported in the financial statements. Governmental funds use the modified accrual basis of accounting.

Revenues – Exchange and Non-Exchange Transactions
Revenue resulting from exchange transactions, in which each party gives and receives essentially equal value, is recorded under the accrual basis when the exchange takes place. On a modified accrual basis, revenue is recorded in the fiscal year in which the resources are measurable and become available. "Available" means the resources will be collected within the current fiscal year or are expected to be collected soon enough thereafter to be used to pay liabilities of the current fiscal year. Generally, "available" means collectible within the current period or within 60 days after year-end. However, to achieve comparability of reporting among California school districts and so as not to distort normal revenue patterns, with specific respect to reimbursement grants and corrections to State-aid apportionments, the California Department of Education has defined available for school districts as collectible within one year.

Non-exchange transactions, in which the District receives value without directly giving equal value in return, include property taxes, grants, and entitlements. Under the accrual basis, revenue from property taxes is recognized in the fiscal year for which the taxes are levied. Revenue from the grants and entitlements is recognized in the fiscal year in which all eligibility requirements have been satisfied.

Eligibility requirements include timing requirements, which specify the year when the resources are to be used or the fiscal year when use is first permitted; matching requirements, in which the District must provide local resources to be used for a specific purpose; and expenditure requirements, in which the resources are provided to the District on a reimbursement basis. Under the modified accrual basis, revenue from non-exchange transactions must also be available before it can be recognized.

Unearned Revenue
Unearned revenue arises when potential revenue does not meet both the "measurable" and "available" criteria for recognition in the current period or when resources are received by the District prior to the incurrence of qualifying expenditures. In subsequent periods, when both revenue recognition criteria are met, or when the District has a legal claim to the resources, the liability for unearned revenue is removed from the balance sheet and revenue is recognized.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

D. Basis of Accounting – Measurement Focus (continued)

Unearned Revenue (continued)
Certain grants received that have not met eligibility requirements are recorded as unearned revenue. On the governmental fund financial statements, receivables that will not be collected within the available period are also recorded as unearned revenue.

Expenses/Expenditures
On the accrual basis of accounting, expenses are recognized at the time a liability is incurred. On the modified accrual basis of accounting, expenditures are generally recognized in the accounting period in which the related fund liability is incurred, as under the accrual basis of accounting. However, under the modified accrual basis of accounting, debt service expenditures, as well as expenditures related to compensated absences and claims and judgments, are recorded only when payment is due. Allocations of cost, such as depreciation and amortization, are not recognized in the governmental funds. When both restricted and unrestricted resources are available for use, it is the District's policy to use restricted resources first, then unrestricted resources as they are needed.

E. Assets, Deferred Outflows of Resources, Liabilities, Deferred Inflows of Resources, Fund Balance and Net Position

Cash and Cash Equivalents
The District's cash and cash equivalents consist of cash on hand, demand deposits and short-term investments with original maturities of three months or less from the date of acquisition.

Investments
Investments with original maturities greater than one year are stated at fair value. Fair value is estimated based on quoted market prices at year-end. All investments not required to be reported at fair value are stated at cost or amortized cost. Fair values of investments in county and State investment pools are determined by the program sponsor.

Inventories
Inventories consist of expendable food and supplies held for consumption. Inventories are stated at cost, on the first-in, first-out basis. The costs of inventory items are recorded as expenditures in the governmental type funds.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

E. Assets, Deferred Outflows of Resources, Liabilities, Deferred Inflows of Resources, Fund Balance and Net Position (continued)

Capital Assets

The accounting and reporting treatment applied to the capital assets associated with a fund is determined by its measurement focus. Capital assets are reported in the governmental activities column of the government-wide statement of net position, but are not reported in the fund financial statements.

Capital assets are capitalized at cost (or estimated historical cost) and updated for additions and retirements during the year. Donated fixed assets are recorded at their acquisition value as of the date received. The District maintains a capitalization threshold of $5,000. The District does not own any infrastructure as defined in GASB Statement No. 34. Improvements are capitalized; the costs of normal maintenance and repairs that do not add to the value of the asset or materially extend an asset's life are not capitalized. All reported capital assets, except for land and construction in progress, are depreciated. Improvements are depreciated over the remaining useful lives of the related capital assets.

Depreciation is computed using the straight-line method over the following estimated useful lives:

Asset Class	Estimated Useful Life
Buildings	20 to 50 years
Improvements/Infrastructure	5 to 50 years
Equipment	2 to 15 years

Interfund Balances

On fund financial statements, receivables and payables resulting from short-term interfund loans are classified as "Due from other funds/Due to other funds."

Compensated Absences

In accordance with GASB Statement No. 101, *Compensated Absences*, accumulated unpaid employee vacation and sick leave benefits are accrued as a liability in the government-wide financial statements as the benefits are earned, provided they accumulate and are more likely than not to be used or paid. The measurement of this liability includes estimated salary amounts and the employer's share of related taxes and benefits, as applicable, that are directly related to these compensated absences.

For governmental funds, the current portion of unpaid compensated absences is recognized upon the occurrence of relevant events such as employee resignations and retirements that occur prior to year-end that have not yet been paid with expendable available financial resources. These amounts are recorded in the fund from which the employees who have accumulated leave are paid. For accumulated sick leave benefits, a liability is recognized for the portion that employees have earned and that are more likely than not to be used or paid. The District's policy for sick leave recognition aligns with this criterion, accruing the liability based on historical usage patterns and other relevant factors.

Accrued Liabilities and Long-Term Obligations

All payables, accrued liabilities, and long-term obligations are reported in the government-wide financial statements. In general, governmental fund payables and accrued liabilities that, once incurred, are paid in a timely manner and in full from current financial resources are reported as obligations of the funds.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

E. Assets, Deferred Outflows of Resources, Liabilities, Deferred Inflows of Resources, Fund Balance and Net Position (continued)

Postemployment Benefits Other Than Pensions (OPEB)
For purposes of measuring the net OPEB liability, deferred outflows of resources related to OPEB and deferred inflows of resources related to OPEB, and OPEB expense have been determined by an independent actuary. For this purpose, benefit payments are recognized when currently due and payable in accordance with the benefit terms.

Generally accepted accounting principles require the reported results must pertain to liability and asset information within certain defined timeframes. For this report, the following timeframes are used:

Valuation Date	June 30, 2024
Measurement Date	June 30, 2025
Measurement Period	July 1, 2024 to June 30, 2025

Gains and losses related to changes in net OPEB liability are recognized in OPEB expense systematically over time. The first amortized amounts are recognized in OPEB expense for the year the gain or loss occurs. The remaining amounts are categorized as deferred outflows and deferred inflows of resources related to OPEB and are to be recognized in future OPEB expense. The amortization period differs depending on the source of gain or loss. The difference between projected and actual earnings is amortized on a straight-line basis over five years. All other amounts are amortized on a straight-line basis over the average expected remaining service lives of all members that are provided with benefits (active, inactive, and retired) at the beginning of the measurement period.

Premiums and Discounts
In the government-wide financial statements, long-term obligations are reported as liabilities in the statement of net position. Bond premiums and discounts are deferred and amortized over the life of the bonds using the straight-line method.

Deferred Outflows/Deferred Inflows of Resources
In addition to assets, the District will sometimes report a separate section for deferred outflows of resources. This separate financial statement element, deferred outflows of resources, represents a consumption of net position that applies to a future period and so will not be recognized as an outflow of resources (expense/expenditure) until then.

In addition to liabilities, the District will sometimes report a separate section for deferred inflows of resources. This separate financial statement element, deferred inflows of resources, represents an acquisition of net position that applies to a future period and so will not be recognized as an inflow of resources (revenue) until that time.

Pensions
For purposes of measuring the net pension liability, deferred outflows of resources and deferred inflows of resources related to pensions, and pension expense, information about the fiduciary net position of the defined benefit pension plans (the Plans) of the California State Teachers' Retirement System (CalSTRS) and the California Public Employees' Retirement System (CalPERS) and additions to/deductions from the Plans' fiduciary net position have been determined on the same basis as they are reported by the Plans. For this purpose, benefit payments (including refunds of employee contributions) are recognized when due and payable in accordance with the benefit terms. Investments are reported at fair value.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

E. Assets, Deferred Outflows of Resources, Liabilities, Deferred Inflows of Resources, Fund Balance and Net Position (continued)

Fund Balance

Fund balance is divided into five classifications based primarily on the extent to which the District is bound to observe constraints imposed upon the use of the resources in the governmental funds. The classifications are as follows:

Nonspendable - The nonspendable fund balance classification reflects amounts that are not in spendable form. Examples include inventory, lease receivables (net of related deferred inflows), prepaid items, the long-term portion of loans receivable, and nonfinancial assets held for resale. This classification also reflects amounts that are in spendable form but that are legally or contractually required to remain intact, such as the principal of a permanent endowment.

Restricted - The restricted fund balance classification reflects amounts subject to externally imposed and legally enforceable constraints. Such constraints may be imposed by creditors, grantors, contributors, or laws or regulations of other governments, or may be imposed by law through constitutional provisions or enabling legislation.

Committed - The committed fund balance classification reflects amounts subject to internal constraints self-imposed by formal action of the Governing Board. The constraints giving rise to committed fund balance must be imposed no later than the end of the reporting period. The actual amounts may be determined subsequent to that date but prior to the issuance of the financial statements. In contrast to restricted fund balance, committed fund balance may be redirected by the government to other purposes as long as the original constraints are removed or modified in the same manner in which they were imposed, that is, by the same formal action of the Governing Board.

Assigned - The assigned fund balance classification reflects amounts that the government *intends* to be used for specific purposes. Assignments may be established either by the Governing Board or by a designee of the governing body, and are subject to neither the restricted nor committed levels of constraint. In contrast to the constraints giving rise to committed fund balance, constraints giving rise to assigned fund balance are not required to be imposed, modified, or removed by formal action of the Governing Board. The action does not require the same level of formality and may be delegated to another body or official. Additionally, the assignment need not be made before the end of the reporting period, but rather may be made any time prior to the issuance of the financial statements.

Unassigned - In the General Fund only, the unassigned fund balance classification reflects the residual balance that has not been assigned to other funds and that is not restricted, committed, or assigned to specific purposes. However, deficits in any fund, including the General Fund that cannot be eliminated by reducing or eliminating amounts assigned to other purposes are reported as negative unassigned fund balance.

The District applies restricted resources first when expenditures are incurred for purposes for which either restricted or unrestricted (committed, assigned and unassigned) amounts are available. Similarly, within unrestricted fund balance, committed amounts are reduced first followed by assigned, and then unassigned amounts when expenditures are incurred for purposes for which amounts in any of the unrestricted fund balance classifications could be used.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

F. Interfund Activity

Exchange transactions between funds are reported as revenues in the seller funds and as expenditures in the purchaser funds. Flows of cash or goods from one fund to another without a requirement for repayment are reported as interfund transfers. Interfund transfers are reported as other financing sources/uses in governmental funds. Repayments from funds responsible for particular expenditures to the funds that initially paid for them are not presented in the financial statements. Interfund transfers are eliminated in the governmental activities columns of the statement of activities.

G. Estimates

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results may differ from those estimates.

H. Budgetary Data

The budgetary process is prescribed by provisions of the California Education Code and requires the governing board to hold a public hearing and adopt an operating budget no later than July 1 of each year. The District governing board satisfied these requirements. The adopted budget is subject to amendment throughout the year to give consideration to unanticipated revenue and expenditures primarily resulting from events unknown at the time of budget adoption with the legal restriction that expenditures cannot exceed appropriations by major object account.

The amounts reported as the original budgeted amounts in the budgetary statements reflect the amounts when the original appropriations were adopted. The amounts reported as the final budgeted amounts in the budgetary statements reflect the amounts after all budget amendments have been accounted for.

I. Property Tax

Secured property taxes attach as an enforceable lien on property as of January 1. Taxes are payable in two installments on November 1 and February 1 and become delinquent on December 10 and April 10, respectively. Unsecured property taxes are payable in one installment on or before August 31. The County Auditor-Controller bills and collects the taxes on behalf of the District. Local property tax revenues are recorded when received.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

J. New Accounting Pronouncements

GASB Statement No. 101 – In June 2022, GASB issued Statement No. 101, *Compensated Absences*. The objective of this statement is to better meet the information needs of financial statement users by updating the recognition and measurement guidance for compensated absences. That objective is achieved by aligning the recognition and measurement guidance under a unified model and by amending certain previously required disclosures. This statement is effective for periods beginning after December 15, 2023. The District has implemented this Statement as of June 30, 2025..

GASB Statement No. 102 – In December 2023, GASB issued Statement No. 102, *Certain Risk Disclosures.* This Statement requires a government to assess whether a concentration or constraint makes the primary government reporting unit or other reporting units that report a liability for revenue debt vulnerable to the risk of a substantial impact. Additionally, this Statement requires a government to assess whether an event or events associated with a concentration or constraint that could cause the substantial impact have occurred, have begun to occur, or are more likely than not to begin to occur within 12 months of the date the financial statements are issued. This statement is effective for periods beginning after June 15, 2024. The District has implemented this Statement as of June 30, 2025..

GASB Statement No. 103 – In April 2024, GASB issued Statement No. 103, *Financial Reporting Model Improvements*. The objective of this Statement is to improve key components of the financial reporting model to enhance its effectiveness in providing information that is essential for decision making and assessing a government's accountability. This Statement also addresses certain application issues. The statement is effective for periods beginning after June 15, 2025. The District has not yet determined the impact on the financial statements.

GASB Statement No. 104 – In September 2024, GASB issued Statement No. 104, *Disclosure of Certain Capital Assets*. The objective of this Statement is to provide users of government financial statements with essential information about certain types of capital assets. The statement is effective for periods beginning after June 15, 2025. The District has not yet determined the impact on the financial statements.

B. Policies and Practices

The District is authorized under California Government Code to make direct investments in local agency bonds, notes, or warrants within the state; U.S. Treasury instruments; registered state warrants or treasury notes; securities of the U.S. Government, or its agencies; bankers acceptances; commercial paper; certificates of deposit placed with commercial banks and/or savings and loan companies; repurchase or reverse repurchase agreements; medium term corporate notes; shares of beneficial interest issued by diversified management companies, certificates of participation, obligations with first priority security; collateralized mortgage obligations; and the County Investment Pool.

Investment in County Treasury – The District maintains substantially all of its cash in the County Treasury in accordance with *Education Code Section* 41001. The Merced County Treasurer's pooled investments are managed by the County Treasurer who reports on a monthly basis to the board of supervisors. In addition, the function of the County Treasury Oversight Committee is to review and monitor the County's investment policy. The committee membership includes the Treasurer and Tax Collector, the Auditor-Controller, Chief Administrative Officer, Superintendent of Schools Representative, and a public member. The fair value of the District's investment in the pool is based upon the District's pro-rata share of the fair value provided by the County Treasurer for the entire portfolio (in relation to the amortized cost of that portfolio). The balance available for withdrawal is based on the accounting records maintained by the County Treasurer, which is recorded on the amortized cost basis.

Cash with Fiscal Agent – This represents amounts held by a third-party custodian in the District's name to be used for capital projects.

NOTE 2 – CASH AND INVESTMENTS (continued)

C. General Authorizations

Except for investments by trustees of debt proceeds, the authority to invest District funds deposited with the county treasury is delegated to the County Treasurer and Tax Collector. Additional information about the investment policy of the County Treasurer and Tax Collector may be obtained from its website. The table below identifies the investment types permitted by California Government Code.

D. Interest Rate Risk

Interest rate risk is the risk that changes in market interest rates will adversely affect the fair value of an investment. Generally, the longer the maturity of an investment, the greater the sensitivity of its fair value to changes in market interest rates. The District manages its exposure to interest rate risk by investing in the County Treasury. The District maintains a pooled investment with the County Treasury with a fair value of $19,028,874. The average weighted maturity for this pool is 663 days.

E. Credit Risk

Credit risk is the risk that an issuer of an investment will not fulfill its obligation to the holder of the investment. This is measured by the assignment of a rating by a nationally recognized statistical rating organization. The investments in the County Treasury are not required to be rated.

NOTE 2 – CASH AND INVESTMENTS (continued)

F. Custodial Credit Risk – Deposits

This is the risk that in the event of a bank failure, the District's deposits may not be returned to it. The District does not have a policy for custodial credit risk for deposits. However, the California Government Code requires that a financial institution secure deposits made by state or local governmental units by pledging securities in an undivided collateral pool held by a depository regulated under state law. The market value of the pledged securities in the collateral pool must equal at least 110 percent of the total amount deposited by the public agencies. California law also allows financial institutions to secure public deposits by pledging first trust deed mortgage notes having a value of 150 percent of the secured public deposits and letters of credit issued by the Federal Home Loan Bank of San Francisco having a value of 105 percent of the secured deposits. As of June 30, 2024, the District's bank balance was not exposed to custodial credit risk.

G. Fair Value

The District categorizes the fair value measurements of its investments based on the hierarchy established by generally accepted accounting principles. The fair value hierarchy is based on the valuation inputs used to measure an asset's fair value. The following provides a summary of the hierarchy used to measure fair value:

Level 1 - Quoted prices (unadjusted) in active markets for identical assets.

Level 2 - Observable inputs other than Level 1 prices such as quoted prices for similar assets in active markets, quoted prices for identical or similar assets in markets that are not active, or other inputs that are observable, either directly or indirectly.

Level 3 - Unobservable inputs should be developed using the best information available under the circumstances, which might include the District's own data. The District should adjust that data if reasonable available information indicates that other market participants would use different data or certain circumstances specific to the District are not available to other market participants.

Uncategorized - Investments in the Merced County Treasury Investment Pool are not measured using the input levels above because the District's transactions are based on a stable net asset value per share. All contributions and redemptions are transacted at $1.00 net asset value per share.

The District's fair value measurements at June 30, 2025 were as follows:

The District's Minimum Fund Balance Policy requires a Reserve for Economic Uncertainties, consisting of unassigned amounts, equal to no less than 3 percent of General Fund expenditures and other financing uses.

NOTE 10 – POSTEMPLOYMENT BENEFITS OTHER THAN PENSIONS (OPEB)

A. Plan Description

The Gustine Unified School District's defined benefit OPEB plan, Gustine Unified School District Retiree Benefit Plan (the Plan) is a single-employer OPEB plan administered by the District. The District participates in the Self-Insured Schools of California (SISC) Trust, which is an agent multiple-employer OPEB plan administered by SISC. The Trust was established to provide governmental agencies in the state of California a mechanism for pre-funding Other Post- Employment Benefits (OPEB) liabilities. SISC issues a separate Financial Report and Schedules of Change in Fiduciary Net Position by Employer that are prepared in accordance with accounting principles generally accepted in the United States of America. Copies of the Self-Insured Schools of California Trust financial report may be obtained from the Self-Insured Schools of California – 2000 "K" Street, Bakersfield, CA 93303-1847.

C. Contributions

For the measurement period, the District contributed $88,761 to the Plan, all of which was used for current premiums. There are no contribution requirements for the District's OPEB Plan. The District determines whether a contribution to or distribution from the trust should be made on an ad-hoc basis each year. There are no calculated contribution rates for the OPEB Plan. There is no actuarially determined contribution, nor any contribution requirement established by statute or contract. The District's contribution is currently based on a projected pay as-you-go funding method, that is, benefits are payable when due.

D. Plan Membership

Membership of the Plan consisted of the following:

	Number of participants
Inactive employees receiving benefits	6
Inactive employees entitled to but not receiving benefits*	-
Participating active employees	185
Total number of participants**	191

*Information not provided
**As of the June 30, 2024 valuation date

E. Net OPEB Liability

The components of the net OPEB liability of the District at June 30, 2025, were as follows:

Total OPEB liability	$ 3,674,125
Plan fiduciary net position	(248,740)
District's net OPEB liability	$ 3,425,385
Plan fiduciary net position as a percentage of total OPEB liability	6.77%

NOTE 10 – POSTEMPLOYMENT BENEFITS OTHER THAN PENSIONS (OPEB) (continued)

F. Investments

The Plan discount rate was based on assumed long-term return on plan assets assuming 100% funding through the SISC Trust using the following asset allocation and assumed rate of return:

Asset Class	Percentage of Portfolio	Assumed Gross Return
US Large Cap	40%	7.25
US Small Cap	20%	7.25
Long-Term Corporate Bonds	25%	4.25
Long-Term Government Bonds	10%	4.25
Short-Term Gov't Fixed	5%	3.00

G. Actuarial Assumptions and Other Inputs

The net OPEB liability in the June 30, 2024 actuarial valuation was determined using the following actuarial assumptions and other inputs.

Economic assumptions:

Inflation	2.50%
Salary increases	2.75%
Discount rate	5.32%
Healthcare cost trend rate	4.00%

Non-economic assumptions:

Mortality:	
Certificated	2020 CalSTRS Mortality
Classified	2021 CalPERS Mortality for Miscellaneous and Schools Employees
Retirement rates:	
Certificated	2020 CalSTRS Retirement Rates Table
Classified	2021 CalPERS Retirement Rates for School Employees Table*
	2021 CalPERS Retirement Rates for Miscellaneous Employees**
Management	2021 CalPERS Retirement Rates for School Employees Table*
	2021 CalPERS Retirement Rates for Miscellaneous Employees**

*Hired before 1/1/2013
**Hired after 12/31/2012

The actuarial assumptions used in the June 30, 2024 valuation were based on a review of plan experience during that period.

The discount rate was based on historic 25-year real rates of return for each asset class along with an assumed long-term inflation assumption. The expected investment return was offset by investment expenses of 50 basis points. The actuary assumed contributions would be sufficient to fully fund the obligation over a period not to exceed twenty-five years.

A. California State Teachers' Retirement System (CalSTRS)

Plan Description

The District contributes to the California State Teachers' Retirement System (CalSTRS); a cost-sharing multiple employer public employee retirement system defined benefit pension plan administered by CalSTRS. The plan provides retirement and disability benefits and survivor benefits to beneficiaries. Benefit provisions are established by state statutes, as legislatively amended, within the State Teachers' Retirement Law. CalSTRS issues a separate annual comprehensive financial report that includes financial statements and required supplementary information. Copies of the CalSTRS annual financial report may be obtained from CalSTRS, P.O. Box 15275, Sacramento, CA 95851-0275.

Benefits Provided

The CalSTRS defined benefit plan has two benefit formulas:

1. CalSTRS 2% at 60: Members first hired on or before December 31, 2012, to perform service that could be creditable to CalSTRS. CalSTRS 2% at 60 members are eligible for normal retirement at age 60, with a minimum of five years of credited service. The normal retirement benefit is equal to 2.0 percent of final compensation for each year of credited service. Early retirement options are available at age 55 with five years of credited service or as early as age 50 with 30 years of credited service. The age factor for retirements after age 60 increases with each quarter year of age to 2.4 percent at age 63 or older. Members who have 30 years or more of credited service receive an additional increase of up to 0.2 percent to the age factor, known as the career factor. The maximum benefit with the career factor is 2.4 percent of final compensation.

2. CalSTRS 2% at 62: Members first hired on or after January 1, 2013, to perform service that could be creditable to CalSTRS. CalSTRS 2% at 62 members are eligible for normal retirement at age 62, with a minimum of five years of credited service. The normal retirement benefit is equal to 2.0 percent of final compensation for each year of credited service. An early retirement option is available at age 55. The age factor for retirement after age 62 increases with each quarter year of age to 2.4 percent at age 65 or older.

A. California State Teachers' Retirement System (CalSTRS) (continued)

Contributions

Active plan CalSTRS 2% at 60 and 2% at 62 members are required to contribute 10.25% and 10.205% of their salary for fiscal year 2025, respectively, and the District is required to contribute an actuarially determined rate. The actuarial methods and assumptions used for determining the rate are those adopted by CalSTRS Teachers' Retirement Board. The required employer contribution rate for fiscal year 2025 was 19.10% of annual payroll. The contribution requirements of the plan members are established by state statute. Contributions to the plan from the District were $2,358,026 for the year ended June 30, 2025.

On-Behalf Payments

The District was the recipient of on-behalf payments made by the State of California to CalSTRS for K-12 education. These payments consist of state general fund contributions of approximately $1,138,047 to CalSTRS.

Pension Liabilities, Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions

At June 30, 2025, the District reported a liability for its proportionate share of the net pension liability that reflected a reduction for State pension support provided to the District. The amount recognized by the District as its proportionate share of the net pension liability, the related State support, and the total portion of the net pension liability that was associated with the District were as follows:

District's proportionate share of the net pension liability	$	12,284,407
State's proportionate share of the net pension liability associated with the District		5,636,215
Total	$	17,920,622

The net pension liability was measured as of June 30, 2024, and the total pension liability used to calculate the net pension liability was determined by applying update procedures to an actuarial valuation as of June 30, 2023 and rolling forward the total pension liability to June 30, 2024. The District's proportion of the net pension liability was based on a projection of the District's long-term share of contributions to the pension plan relative to the projected contributions of all participating school districts, actuarially determined. At June 30, 2024, the District's proportion was 0.018 percent, which was an decrease of 0.002 percent from its proportion measured as of June 30, 2023.

Pension Liabilities, Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions (continued)

For the year ended June 30, 2025, the District recognized pension expense of $1,545,203. In addition, the District recognized pension expense and revenue of $(538,505) for support provided by the State. At June 30, 2025, the District reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences between projected and actual earnings on plan investments	$ -	$ 49,567
Differences between expected and actual experience	1,389,525	537,190
Changes in assumptions	53,774	838,982
Changes in proportion and differences between District contributions and proportionate share of contributions	1,989,461	595,601
District contributions subsequent to the measurement date	2,358,026	-
Total	$ 5,790,786	$ 2,021,340

The $2,358,026 reported as deferred outflows of resources related to pensions resulting from District contributions subsequent to the measurement date will be recognized as a reduction of the net pension liability in the year ended June 30, 2026. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to pensions will be recognized in pension expense as follows:

Year Ended June 30,	Deferred Outflows of Resources	Deferred Inflows of Resources
2026	$ 833,176	$ 1,308,383
2027	833,370	(555,961)
2028	712,548	492,446
2029	712,549	378,993
2030	261,553	257,192

Total	$ 3,432,760	$ 2,021,340

NOTE 11 – PENSION PLANS (continued)

A. California State Teachers' Retirement System (CalSTRS) (continued)

Actuarial Assumptions

The total pension liability was determined by applying update procedures to an actuarial valuation as of June 30, 2023, and rolling forward the total pension liability to June 30, 2024 using the following actuarial assumptions, applied to all periods included in the measurement:

Consumer Price Inflation	2.75%
Investment Rate of Return*	7.10%
Wage Growth	3.50%

* Net of investment expenses, but gross of administrative expenses.

CalSTRS uses custom mortality tables to best fit the patterns of mortality among its members. These custom tables are based on MP-2021 series tables adjusted to fit CalSTRS experience.

The actuarial assumptions used in the June 30, 2023 valuation were based on the results of an actuarial experience study for the period July 1, 2017 through June 30, 2022.

The long-term expected rate of return on pension plan investments was determined using a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. The best-estimate ranges were developed using capital market assumptions from CalSTRS general investment consultant (Pension Consulting Alliance–PCA) as an input to the process. The actuarial investment rate of return assumption was adopted by the board in January 2024 in conjunction with the most recent experience study. For each current and future valuation, CalSTRS' independent consulting actuary (Milliman) reviews the return assumption for reasonableness based on the most current capital market assumptions. Best estimates of expected 20-year geometrically linked real rates of return and the assumed asset allocation for each major asset class as of June 30, 2024, are summarized in the following table:

Asset Class	Assumed Asset Allocation	Long-Term Expected Real Rate of Return*
Public Equity	38%	5.25%
Real Estate	15%	4.05%
Private Equity	14%	6.75%
Fixed Income	14%	2.45%
Risk Mitigating Strategies	10%	2.25%
Inflation Sensitive	7%	3.65%
Cash/Liquidity	2%	0.05%
	100%	

*Real return is net of assumed 2.75% inflation.

A. California State Teachers' Retirement System (CalSTRS) (continued)

Discount Rate

The discount rate used to measure the total pension liability was 7.10 percent. The projection of cash flows used to determine the discount rate assumed that contributions from plan members and employers will be made at statutory contribution rates in accordance with the rate increases per AB 1469. Projected inflows from investment earnings were calculated using the long-term assumed investment rate of return (7.10 percent) and assuming that contributions, benefit payments, and administrative expense occur midyear. Based on those assumptions, the Plan's fiduciary net position was projected to be available to make all projected future benefit payments to current plan members. Therefore, the long-term assumed investment rate of return was applied to all periods of projected benefit payments to determine the total pension liability.

Sensitivity of the District's Proportionate Share of the Net Pension Liability to Changes in the Discount Rate

The following presents the District's proportionate share of the net pension liability calculated using the discount rate of 7.10 percent, as well as what the District's proportionate share of the net pension liability would be if it were calculated using a discount rate that is 1-percentage-point lower (6.10 percent) or 1-percentage-point higher (8.10 percent) than the current rate:

	1% Decrease (6.10%)	Current Discount Rate (7.10%)	1% Increase (8.10%)
District's proportionate share of the net pension liability	$ 21,849,940	$ 12,284,407	$ 4,296,790

Pension Plan Fiduciary Net Position

Detailed information about the pension plan's fiduciary net position is available in the separately issued CalSTRS financial report.

B. California Public Employees' Retirement System (CalPERS)

Plan Description

The District contributes to the School Employer Pool under the California Public Employees' Retirement System (CalPERS); a cost-sharing multiple-employer public employee retirement system defined benefit pension plan administered by CalPERS. The plan provides retirement and disability benefits, annual cost-of-living adjustments, and death benefits to plan members and beneficiaries. Benefit provisions are established by state statutes, as legislatively amended, within the Public Employees' Retirement Laws. CalPERS issues a separate annual comprehensive financial report that includes financial statements and required supplementary information. Copies of the CalPERS annual financial report may be obtained from the CalPERS Executive Office, 400 Q Street, Sacramento, CA 95811.

Benefits Provided

The benefits for the defined benefit plan are based on members' years of service, age, final compensation, and benefit formula. Benefits are provided for disability, death, and survivors of eligible members or beneficiaries. Members become fully vested in their retirement benefits earned to date after five years of credited service.

NOTE 11 – PENSION PLANS (continued)

B. California Public Employees' Retirement System (CalPERS) (continued)

Contributions

Active plan members who entered into the plan prior to January 1, 2013, are required to contribute 7.0% of their salary. The California Public Employees' Pension Reform Act (PEPRA) specifies that new members entering into the plan on or after January 1, 2013, shall pay the higher of fifty percent of normal costs or 8.0% of their salary. Additionally, for new members entering the plan on or after January 1, 2013, the employer is prohibited from paying any of the employee contribution to CalPERS unless the employer payment of the member's contribution is specified in an employment agreement or collective bargaining agreement that expires after January 1, 2013.

The District is required to contribute an actuarially determined rate. The actuarial methods and assumptions used for determining the rate are those adopted by the CalPERS Board of Administration. The required employer contribution rate for fiscal year 2025 was 27.05% of annual payroll. Contributions to the plan from the District were $1,221,331 for the year ended June 30, 2025

Pension Liabilities, Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions

At June 30, 2025, the District reported a liability of $8,294,192 for its proportionate share of the net pension liability. The net pension liability was measured as of June 30, 2024, and the total pension liability used to calculate the net pension liability was determined by applying update procedures to an actuarial valuation as of June 30, 2023 and rolling forward the total pension liability to June 30, 2024. The District's proportion of the net pension liability was based on a projection of the District's long-term share of contributions to the pension plan relative to the projected contributions of all participating school districts, actuarially determined. At June 30, 2024, the District's proportion was 0.023 percent, which was an decrease of 0.001 percent from its proportion measured as of June 30, 2023.

For the year ended June 30, 2025, the District recognized pension expense of $1,067,590. At June 30, 2025, the District reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences between projected and actual earnings on plan investments	$ 322,181	$ -
Differences between expected and actual experience	695,347	59,361
Changes in assumptions	183,330	-
Changes in proportion and differences between District contributions and proportionate share of contributions	1,198,084	-
District contributions subsequent to the measurement date	1,221,331	-
Total	$ 3,620,273	$ 59,361

NOTE 11 – PENSION PLANS (continued)

B. California Public Employees' Retirement System (CalPERS) (continued)

Pension Liabilities, Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions (continued)

The $1,221,331 reported as deferred outflows of resources related to pensions resulting from District contributions subsequent to the measurement date will be recognized as a reduction of the net pension liability in the year ended June 30, 2026. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to pensions will be recognized in pension expense as follows:

Year Ended June 30,	Deferred Outflows of Resources	Deferred Inflows of Resources
2026	$ 1,094,551	$ 59,361
2027	1,057,556	-
2028	348,779	-
2029	(101,944)	-
Total	$ 2,398,942	$ 59,361

Actuarial Assumptions

The total pension liability was determined by applying update procedures to an actuarial valuation as of June 30, 2023, and rolling forward the total pension liability to June 30, 2024 using the following actuarial assumptions, applied to all periods included in the measurement:

Inflation	2.30%
Discount Rate	6.90%
Salary Increases	Varies by Entry Age and Service

CalPERS uses custom mortality tables to best fit the patterns of mortality among its members. These custom tables are derived using CalPERS' membership data for all funds. The table includes 15 years of mortality improvements using the Society of Actuaries Scale 80% of scale MP 2020.

The actuarial assumptions used in the June 30, 2023, valuation were based on the results of an actuarial experience study for the period from 2000 through 2019.

The long-term expected rate of return on pension plan investments was determined using a building block method in which best estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. In determining the long-term expected rate of return, both short-term and long-term market return expectations as well as the expected pension fund cash flows were taken into account. Such cash flows were developed assuming that both members and employers will make their required contributions on time and as scheduled in all future years. Using historical returns of all the funds' asset classes, expected compound (geometric) returns were calculated over the short-term (first 10 years) and the long-term (11+ years) using a building block approach. Using the expected nominal returns for both short-term and long-term, the present value of benefits was calculated for each fund. The expected rate of return was set by calculating the single equivalent expected return that arrived at the same present value of benefits for cash flows as the one calculated using both short-term and long-term returns. The expected rate of return was then set equivalent to the single equivalent rate calculated above and adjusted to account for assumed administrative expenses.

B. California Public Employees' Retirement System (CalPERS) (continued)

Actuarial Assumptions (continued)
The table below reflects long-term expected real rate of return by asset class. The rate of return was calculated using the capital market assumptions applied to determine the discount rate and asset allocation. These geometric rates of return are net of administrative expenses.

Asset Class	Assumed Asset Allocation	Real Return Years 1 – 10*
Global Equity – cap-weighted	30.0%	4.54%
Global Equity – non-cap-weighted	12.0%	3.84%
Private Equity	13.0%	7.28%
Treasury	5.0%	0.27%
Mortgage-backed securities	5.0%	0.50%
Investment grade corporates	10.0%	1.56%
High yield	5.0%	2.27%
Emerging market debt	5.0%	2.48%
Private debt	5.0%	3.57%
Real assets	15.0%	3.21%
Leverage	(5.0)%	(0.59)%
	100.0%	

*An expected inflation of 2.30% used for this period. Figures are based on the 2021-22 CalPERS Asset Liability Management Study

Discount Rate
The discount rate used to measure the total pension liability was 6.90 percent. A projection of the expected benefit payments and contributions was performed to determine if assets would run out. The test revealed the assets would not run out. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability for the Schools Pool. The results of the crossover testing for the Schools Pool are presented in a detailed report that can be obtained at CalPERS' website.

Sensitivity of the District's Proportionate Share of the Net Pension Liability to Changes in the Discount Rate
The following presents the District's proportionate share of the net pension liability calculated using the discount rate of 6.90 percent, as well as what the District's proportionate share of the net pension liability would be if it were calculated using a discount rate that is 1-percentage-point lower (5.90 percent) or 1-percentage-point higher (7.90 percent) than the current rate:

	1% Decrease (5.90%)	Current Discount Rate (6.90%)	1% Increase (7.90%)
District's proportionate share of the net pension liability	$ 12,321,092	$ 8,294,192	$ 4,967,653

Pension Plan Fiduciary Net Position
Detailed information about the pension plan's fiduciary net position is available in the separately issued CalPERS financial report.

NOTE 12 – COMMITMENTS AND CONTINGENCIES

A. Grants

The District received financial assistance from federal and state agencies in the form of grants. The disbursement of funds received under these programs generally requires compliance with terms and conditions specified in the grant agreements and are subject to audit by the grantor agencies. Any disallowed claims resulting from such audits could become a liability of the General Fund or other applicable funds. However, in the opinion of management, any such disallowed claims will not have a material adverse effect on the overall financial position of the District at June 30, 2025.

B. Litigation

The District is involved in various litigation arising from the normal course of business. In the opinion of management and legal counsel, the disposition of all litigation pending is not expected to have a material adverse effect on the overall financial position of the District at June 30, 2025.

C. Construction Commitments

As of June 30, 2025, the District had no commitments with respect to unfinished capital projects.

NOTE 13 – PARTICIPATION IN JOINT POWERS AUTHORITIES

The District participates in three joint ventures under joint powers authorities (JPAs), the Self-Insured Schools of California (SISC III), the Merced County Schools Insurance Group I (MCSIG I), and the Central Region Schools Insurance Group (CRSIG). The relationships between the District and the JPAs are such that the JPAs are not component units of the District for financial reporting purposes.

The JPAs have budgeting and financial reporting requirements independent of member units, and their financial statements are not presented in these financial statements. However, fund transactions between the JPAs and the District are included in these statements. The audited financial statements are generally available from the respective entities.

NOTE 14 – DEFERRED OUTFLOWS/INFLOWS OF RESOURCES

A. Pension Plans

Pursuant to GASB Statement No. 68, *Accounting and Financial Reporting for Pensions,* the District recognized deferred outflows of resources related to pensions and deferred inflows of resources related to pensions in the District-wide financial statements. Further information regarding the deferred outflows of resources and deferred inflows of resources can be found at Note 11. At June 30, 2025, total deferred outflows related to pensions was $9,411,059 and total deferred inflows related to pensions was $2,080,701.

B. Other Postemployment Benefits

Pursuant to GASB Statement No. 75, *Accounting and Financial Reporting for Postemployment Benefits Other Than Pensions,* the District recognized deferred outflows of resources related to other postemployment benefits and deferred inflows of resources related to other postemployment benefits in the District-wide financial statements. Further information regarding the deferred outflows of resources and deferred inflows of resources can be found at Note 10. At June 30, 2025, total deferred outflows related to other postemployment benefits was $455,168 and deferred inflows related to other postemployment benefits was $1,604,100.

NOTE 15 – RESTATEMENT TO NET POSITION

The beginning net position of the Governmental Activities has been restated due to the implementation of Governmental Accounting Standards Board (GASB) Statement No. 101, *Compensated Absences*. GASB 101 establishes recognition and measurement guidance for liabilities related to compensated absences, requiring that the liability be recognized when leave is attributable to services already rendered and it is probable that the leave will be used or paid. This standard supersedes certain provisions of GASB Statement No. 16.

The cumulative effect of applying GASB 101 required a restatement of the beginning net position, as follows:

	Governmental Activities
Net Position - Beginning, as Previously Reported	$ 17,789,063
Restatement	(1,939,849)
Net Position - Beginning, as Restated	$ 15,849,214

NOTE 1 – PURPOSE OF SCHEDULES

Budgetary Comparison Schedule
This schedule is required by GASB Statement No. 34 as required supplementary information (RSI) for the General Fund and for each major special revenue fund that has a legally adopted annual budget. The budgetary comparison schedule presents both (a) the original and (b) the final appropriated budgets for the reporting period as well as (c) actual inflows, outflows, and balances, stated on the District's budgetary basis. A separate column to report the variance between the final budget and actual amounts is also presented, although not required.

Schedule of Changes in Net OPEB Liability and Related Ratios
This 10-year schedule is required by GASB Statement No. 75 for all sole and agent employers that provide other postemployment benefits (OPEB). Until a full 10-year trend is compiled, the schedule will only show those years under which GASB Statement No. 75 was applicable. The schedule presents the sources of change in the net OPEB liability, and the components of the net OPEB liability and related ratios, including the OPEB plan's fiduciary net position as a percentage of the total OPEB liability, and net OPEB liability as a percentage of covered-employee payroll.

Schedule of the District Contributions for OPEB
This 10-year schedule is not required to be presented as there was no actuarially determined contribution, nor any contribution requirement established by statute or contract.

Changes in Benefit Terms
There were no changes in benefit terms since the previous valuation.

Changes in Assumptions
The discount rate changed from 4.01% to 5.32% since the previous measurement.

Schedule of the District's Proportionate Share of the Net Pension Liability
This 10-year schedule is required by GASB Statement No. 68 for each cost-sharing pension plan. The schedule presents the District's proportion (percentage) of the collective net pension liability, the District's proportionate share (amount) of the collective net pension liability, the District's covered payroll, the District's proportionate share (amount) of the collective net pension liability as a percentage of the employer's covered payroll, and the pension plan's fiduciary net position as a percentage of the total pension liability.

Changes in Benefit Terms
There were no changes in benefit terms since the previous valuations for CalSTRS or CalPERS.

Changes in Assumptions
There were no changes in economic assumptions since the previous valuation for CalSTRS or CalPERS.

Schedule of District Contributions
This 10-year schedule is required by GASB Statement No. 68 for each cost-sharing pension plan. The schedule presents the District's statutorily or contractually required employer contribution, the amount of contributions recognized by the pension plan in relation to the statutorily or contractually required employer contribution, the difference between the statutorily or contractually required employer contribution and the amount of contributions recognized by the pension plan in relation to the statutorily or contractually required employer contribution, the District's covered payroll, and the amount of contributions recognized by the pension plan in relation to the statutorily or contractually required employer contribution as a percentage of the District's covered payroll.

NOTE 2 – EXCESS OF EXPENDITURES OVER APPROPRIATIONS

For the year ended June 30, 2025, the District incurred an excesses of expenditures over appropriations in individual major funds presented in the Budgetary Comparison Schedule by major object code as follows:

	Expenditures and Other Uses		
	Budget	Actual	Excess
General Fund			
Classified salaries	$ 4,441,918	$ 4,803,081	$ 361,163

The General Fund ending fund balance has decreased by $4,832,328 over the past two years. The fiscal year 2025-26 budget projects a further decrease of $1,679,189. For a District this size, the State recommends available reserves of at least 3% of General Fund expenditures, transfers out, and other uses (total outgo).

The District has incurred operating deficit in two of the past three years and anticipates incurring an operating deficit during the 2025-26 fiscal year. Total long-term obligations have increased by $1,980,982 over the past two years.

Average daily attendance has decreased by 88 ADA over the past two years. An increase of 46 ADA is anticipated during the 2025-26 fiscal year.

*Available reserves consist of all unassigned fund balance within the General Fund.

**The actual amounts reported in this schedule are for the General Fund only, and do not agree with the amounts reported on the Statement of Revenues, Expenditures, and Changes in Fund Balances because the amounts on that schedule include the financial activity of the Special Reserve Fund for Other Than Capital Outlay Projects in accordance with the fund type definitions promulgated by GASB Statement No. 54. Reclassifications are not reflected in the schedule above.

NOTE 1 – PURPOSE OF SCHEDULES

Schedule of Expenditures of Federal Awards

The accompanying Schedule of Expenditures of Federal Awards includes the Federal grant activity of the District and is presented on the modified accrual basis of accounting. The information in this schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Therefore, some amounts presented in this schedule may differ from amounts presented in, or used in the preparation of, the financial statements.

The District has not elected to use the de minimis indirect cost rate of up to 15 percent.

Schedule of Average Daily Attendance (ADA)

Average daily attendance (ADA) is a measurement of the number of pupils attending classes of the District. The purpose of attendance accounting from a fiscal standpoint is to provide the basis on which apportionments of state funds are made to school districts. This schedule provides information regarding the attendance of students at various grade levels and in different programs.

Schedule of Instructional Time

This schedule presents information on the amount of instructional time offered by the District and whether the District complied with article 8 (commencing with section 46200) of chapter 2 of part 26 of the *Education Code*.

Schedule of Financial Trends and Analysis

This schedule discloses the District's financial trends by displaying past years' data along with current year budget information. These financial trend disclosures are used to evaluate the District's ability to continue as a going concern for a reasonable period of time.

Reconciliation of Annual Financial and Budget Report with Audited Financial Statements

This schedule provides the information necessary to reconcile the fund balance of all funds reported on the Annual Financial and Budget Report Unaudited Actuals to the audited financial statements.

Combining Statements – Non-Major Funds

These statements provide information on the District’s non-major funds.

OTHER INDEPENDENT AUDITORS' REPORTS

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

Independent Auditors' Report

Governing Board
Gustine Unified School District
Gustine, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, the major fund, and the aggregate remaining fund information of Gustine Unified School District, as of and for the year ended June 30, 2025, and the related notes to the financial statements, which collectively comprise the Gustine Unified School District's basic financial statements, and have issued our report thereon dated January 28, 2026.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered Gustine Unified School District's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Gustine Unified School District's internal control. Accordingly, we do not express an opinion on the effectiveness of Gustine Unified School District's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. We identified certain deficiencies in internal control, described in the accompanying schedule of findings and questioned costs as Findings #2025-001, #2025-002, and #2025-003 that we consider to be significant deficiencies.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether Gustine Unified School District's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Gustine Unified School District's Response to Findings

Government Auditing Standards requires the auditor to perform limited procedures on Gustine Unified School District's response to the findings identified in our audit and described in the accompanying schedule of findings and questioned costs. Gustine Unified School District's response was not subjected to the other auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on the response.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM; AND REPORT ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

Independent Auditors' Report

Governing Board
Gustine Unified School District
Gustine, California

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited Gustine Unified School District's compliance with the types of compliance requirements identified as subject to audit in the *OMB Compliance Supplement* that could have a direct and material effect on each of Gustine Unified School District's major federal programs for the year ended June 30, 2025. Gustine Unified School District's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, Gustine Unified School District complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2025.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations (CFR)* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of Gustine Unified School District and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on compliance for each major federal program. Our audit does not provide a legal determination of Gustine Unified School District's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of the laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to Gustine Unified School District's federal programs.

Auditor's Responsibilities for the Audit for Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Gustine Unified School District's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect a material noncompliance when it exists. The risk of not detecting a material noncompliance resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user of the report on compliance about Gustine Unified School District's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards,* and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding Gustine Unified School District's compliance with compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of Gustine Unified School District's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of Gustine Unified School District's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Report on Internal Control Over Compliance (continued)

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

REPORT ON STATE COMPLIANCE AND ON INTERNAL CONTROL OVER COMPLIANCE FOR STATE PROGRAMS

Independent Auditors' Report

Governing Board
Gustine Unified School District
Gustine, California

Report on State Compliance

Opinion on State Compliance

We have audited Gustine Unified School District's compliance with the requirements specified in the *2024-2025 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting* applicable to Gustine Unified School District's state program requirements as identified in the table in the Auditor's Responsibilities for the Audit of State Compliance section of our report for the year ended June 30, 2025.

In our opinion, Gustine Unified School District complied, in all material respects, with the laws and regulations of the applicable laws and regulations of the applicable state programs for the year ended June 30, 2025.

Basis for Opinion on State Compliance

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the *2024-2025 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting* (the K-12 Audit Guide). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of State Compliance section of our report.

We are required to be independent of Gustine Unified School District and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion. Our audit does not provide a legal determination of Gustine Unified School District's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of the laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to Gustine Unified School District's state programs.

Auditor's Responsibilities for the Audit of State Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the state compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Gustine Unified School District's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the K-12 Audit Guide will always detect a material noncompliance when it exists. The risk of not detecting a material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about Gustine Unified School District's compliance with the requirements of the applicable state programs as a whole.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards,* and the K-12 Audit Guide, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit;
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding Gustine Unified School District's compliance with compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances;
- Obtain an understanding of Gustine Unified School District's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the K-12 Audit Guide, but not for the purpose of expressing an opinion on the effectiveness of Gustine Unified School District's internal control over compliance. Accordingly, we express no such opinion; and
- Select and test transactions and records to determine Gustine Unified School District's compliance with the state laws and regulations applicable to the following items:

The term "Not Applicable" is used above to mean either the District did not offer the program during the current fiscal year, the District did not participate in the program during the current fiscal year, or the program applies to a different type of local education agency.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identify during the audit.

Other Matters

The results of our auditing procedures disclosed instances of noncompliance, which are described in the accompanying schedule of findings and questioned costs as Finding #2025-004 through Finding #2025-008. Our opinion on state compliance is not modified with respect to these matters.

Government Auditing Standards requires the auditor to perform limited procedures on Gustine Unified School District's response to the noncompliance findings identified in our audit and described in the accompanying schedule of findings and questioned costs. Gustine Unified School District's response was not subjected to the auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

Report on Internal Control Over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that a material noncompliance with a compliance requirement will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of State Compliance section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the K-12 Audit Guide. Accordingly, this report is not suitable for any other purpose.

FIVE DIGIT CODE	AB 3627 FINDING TYPE
20000	Inventory of Equipment
30000	Internal Control

FINDING #2025-001: ASSOCIATED STUDENT BODY (ASB) FUNDS (30000)

Criteria: Maintaining sound internal control procedures over cash receipts, cash disbursements, bank reconciliations and minutes of council meetings reduces the opportunity for irregularities to go undetected. The Fiscal Crisis & Management Assistance Team (FCMAT) Associated Student Body Accounting Manual & Desk Reference outlines proper internal control procedures for associated student body accounts to follow.

Condition: Through our testing of the school site ASB accounts, we noted numerous old uncleared transactions that have remained on the bank reconciliation for Gustine High School

Cause: Insufficient controls over student body activities.

Effect: The potential for irregularities in accounting to go undetected.

Repeat Finding: This is a repeat finding.

Recommendation: We recommend that all ASB bank accounts be reconciled on a monthly basis and uncleared items explained sufficiently. The District should provide each student body account clerk with the latest FCMAT Associated Student Body Accounting Manual & Desk Reference and reinforce the importance for sound internal control procedures to be implemented.

Corrective Action Plan: The Superintendent will ensure that the Chief Business Officer reviews all student body activities and establishes accountability measures for the District to become compliant. All ASB clerks will receive formal training and someone other than the ASB clerk will complete the bank reconciliations. This internal control will allow old transactions to be resolved by the end of each year.

FINDING #2025-002: FINANCIAL REPORTING INTERNAL CONTROLS (30000)

Criteria: The California Education Code, California School Accounting Manual, and best business practices require an entity to maintain a sound financial system that supports financial reporting and budget monitoring. Compliance with this requirement includes proper accruals as of year-end and maintaining proper supporting documentation for year-end accruals and the closing process. Sound internal controls dictate that accounts receivable and accounts payable accruals are short term in nature and should be cleared or reversed within one year and should be properly recorded in accordance with generally accepted accounting principles.

Condition: We noted transactions that were not properly accounted for during substantive testing of balances and transactions as of and for the year ended June 30, 2025. We noted the following control weaknesses related to financial reporting:

- Closing entries to record year end accounts receivable accruals related to Child Nutrition CNIPS claims at June 30, 2025 were not posted.
- Prior year balances of accounts receivable and accounts payable were not cleared as of June 30, 2025.

Cause: Insufficient internal controls over balance sheet accounts.

Effect: Lack of proper internal controls can lead to accounting irregularities to go undetected and increase risk of misstatement of assets.

Repeat Finding: This is a repeat finding.

Recommendation: We recommend the District implement procedures to ensure prior year accounts receivable and accounts payable be cleared or reversed within one year and to properly record ending balances in accordance with generally accepted accounting principles. In addition, year end closing entries should be posted to include accounts receivable accruals.

Corrective Action Plan: The District will provide a secondary protocol for fiscal support to work with the Chief Business Officer in reviewing all closing entries prior to the close of the year. This person can be in-house, the county office of education or a consultant. This process should continue for a minimum of three years to ensure that the year end entries are accurate and maintained.

FINDING #2025-003: CASH RECEIPTING INTERNAL CONTROLS (30000)

Criteria: Proper internal control procedures require adequate segregation of duties and a sufficient documentation trail between the point of collection and the point of deposit.

Condition: We noted that 5 of 24 receipts selected for testing were not deposited timely. We noted that 2 of 24 receipts did not contain appropriate supporting documentation. We also noted that 5 receipts were improperly coded.

Cause: Inadequate controls and monitoring over the cash receipt cycle.

Effect: Without a proper documentation trail, it is impossible to identify if all collected items were deposited to the bank in a complete and timely manner.

Repeat Finding: This is not a repeat finding.

Recommendation: We recommend the District implement procedures to ensure that cash receipts are deposited within a one month period of collection. Also, provide training to staff in order to ensure that proper supporting documentation is being kept for each receipts and is also coded properly.

Corrective Action Plan: The District will enforce segregation of duties by establishing that the Chief Business Officer completes bank reconciliations and ensures that all deposits made to the county treasurer is accounted for. A separate employee/s will be responsible for receipting and making the deposit. This process will allow the CBO to review deposit timelines and resolve any issues that may arise. In addition, the staff and CBO will be required to retain all supporting documentation via hard copy in a secure location.

FINDING #2025-004: HOME TO SCHOOL TRANSPORTATION PLAN (40000)

Criteria: The LEA developed, and adopted, and/or updated if applicable, a plan by April 1st every year, pursuant to Education Code section 39800.1(a), describing the transportation services it will offer to its pupils, and how it will prioritize planned transportation services for pupils in transitional kindergarten, kindergarten, and any of grades 1 to 6, inclusive, and pupils who are low income.

Condition: We noted that during our testing that the 2024-25 Plan was approved on April 8, 2025.

Effect: The District is not in compliance with applicable State requirements.

Cause: Clerical oversight.

Questioned Cost: $568,194; total Home-to-School Reimbursement funding for the year ended June 30, 2025.

Repeat Finding: This is not a repeat finding.

Recommendation: We recommend the District ensures the plan is approved by April 1, every year.

Corrective Action Plan: The Superintendent's office will ensure that the Chief Business Officer or responsible party will submit the Transportation Plan to the Board for approval in March of each year to ensure that the District meets this requirement.

FINDING #2025-005: CLASSROOM TEACHER SALARIES (61000)

Criteria: As set forth in California Education Code section 41372, a unified school district should expend a minimum of 55% of the District's current expenses of education towards salaries of classroom teachers.

Condition: In the 2024-25 fiscal year, Gustine Unified School District did not meet the minimum percentage requirement of 55%. Gustine Unified School District only spent 53.22% on classroom teacher salaries in the 2024-25 fiscal year.

Effect: The District's current expense of education for the year ended June 30, 2025 was $29,811,841 and the total salaries and benefits for classroom teachers was $15,866,418. The District was below the minimum required percentage of 55% by 1.78% which calculates out to a deficiency of $530,651.

Cause: One-time funding sources.

Questioned Costs: The questioned costs are the deficiency of $530,651.

Repeat Finding: This is a repeat of Finding #2024-003.

Recommendation: We recommend that in the future, the District monitor their expenses towards salaries of classroom teachers against their total expenses to be sure that they meet the 55% minimum requirement. The District should also apply for an exemption from the Merced County Office of Education.

Corrective Action Plan: The District will request an exemption from Merced County Office of Education and continue to monitor proper coding and alignment of expenditures for compliance.

FINDING #2025-006: PROPOSITION 28 ARTS AND MUSIC IN SCHOOLS (40000)

Criteria: As a condition of apportionment for Proposition 28 Arts and Music in Schools funding, the local education agency must make a certification in compliance with Education Code (EC) Section 8820(g)(1) or have a waiver of the requirement issued by the California Department of Education (CDE) pursuant to EC Section 8820(h).

Condition: The District did not verify that the annual certification was submitted by June 30, 2025 or that it was board approved by September 30.

Effect: The District is not in compliance with applicable State requirements.

Cause: Clerical oversight.

Questioned Cost: There is no questioned cost related to this finding.

Repeat Finding: This is not a repeat finding.

Recommendation: We recommend the district request a waiver with CDE. In addition, we recommend, filing the 2025-26 annual certification and board approval be in a timely manner and get it board approved.

Corrective Action Plan: The Superintendent's office will create a tickler file for all required documents and filings that require board approval to ensure that all parties are fulfilling these requirements.

FINDING #2025-007: P-2 AND ANNUAL ATTENDANCE REPORTING (10000)

Criteria: California Education Code sections 46300, 46301, and related guidance require school districts to accurately calculate and report Average Daily Attendance (ADA) in the Principal Apportionment (P-2) and Annual Attendance Reports. Districts are responsible for ensuring that attendance records, calculations, and reported ADA amounts are complete, accurate, and supported by underlying documentation.

Condition: During our review of the District's P-2 and Annual Attendance Reports, we noted variances between the attendance reports submitted to the California Department of Education and the District's internal attendance calculations and summaries. Specifically, P-2 ADA was understated by 1.12 ADA. While the overall Annual ADA overstated by 0.05 ADA.

Effect: As a result of these errors, the District reported inaccurate ADA in its P-2 Attendance Report, which could result in incorrect state apportionment funding. In addition, inaccuracies in attendance reporting increase the risk of future reporting errors and potential audit adjustments.

Cause: The District did not have sufficient review and reconciliation procedures in place to ensure that attendance data used in the P-2 and Annual Attendance Reports agreed to underlying attendance records and recalculations prior to submission.

Questioned Cost:

	Second Period Report ADA Understatement (Overstatement)	Annual Report ADA Understatement (Overstatement)	2024-25 Derived Value of ADA by Grade Span	Questioned Cost
TK/Kindergarten through Third	0.77	(0.63)	$ 15,038	$ 11,579
Fourth through Sixth	(0.21)	(0.81)	$ 13,828	(2,904)
Seventh through Eight	13.46	(1.37)	$ 14,237	191,624
Ninth through Twelth	(12.90)	2.76	$ 16,930	(218,391)
	1.12	(0.05)		$ (18,091)

Repeat Finding: This is not a repeat finding.

Recommendation: We recommend that the District implement stronger internal controls over attendance reporting, including formal reconciliation procedures between attendance records, internal summaries, and state attendance reports. In addition, management should ensure that attendance reports are independently reviewed prior to submission to verify the accuracy of ADA calculations by grade span and reporting period.

Corrective Action Plan: The District will ensure that someone is assigned to oversee the accuracy of attendance data, receive proper training and assists in compiling all attendance data prior to each reporting period. The Chief Business Officer will be responsible for reviewing this data and compiling it to report in the state software program. This system enables two individuals to double check the data prior to it being reported.

FINDING #2025-008 – RATIO OF ADMINISTRATIVE EMPLOYEES TO TEACHERS (40000)

Criteria: The number of administrative employees per hundred teachers must not exceed the allowable ratio set forth in Education Code section 41402, if the school district is not in compliance with the allowable ratio, Auditors are required to state the number of excess administrators and the associated penalty, as set forth by Education Code section 41404.

Condition: The District had 90 full-time equivalents (FTE) for teachers, based on an allowable ratio for unified districts of 8%, the district must have had less than 7.20 FTE related to non-exempt certificated administrative employees. The District had 10.50 FTE for non-exempt certificated administrative employees representing a rounded excess of 3 FTE.

Effect: The District is not in compliance with State requirements.

Cause: Excess of certificated administrative FTE.

Questioned Costs: $361,920, calculated as follows:

A.	District's Total State Revenue (Prior Year Unaudited Actual Financial Report)	$ 24,723,363.00
B.	District's Total Revenue and Other Financing Sources (Prior Year Unaudited Financial Report)	$ 35,095,610.00
C.	Portion of State Revenue in Total Revenue (Part IV, Line A divided by Part IV, Line B. Calculated to two decimals)	0.70
D.	Total Annual Salaries of Administrative FTE reported on Part I, Line A	$ 1,809,600.00
E.	Average Administrator Salary (Part IV, Line D divided by FTE from Part I, Line A. Rounded to nearest whole number)	$ 172,343
F.	State Funded Share of Administrator Salary (Part IV, Line E x Part IV, Line C. Rounded to nearest whole number)	$ 120,640
G.	Penalty (Part IV, Line F x Part III, Line B)	$ 361,920

Repeat Finding: No.

Recommendation: We recommend the District evaluate the FTE related to non-exempt certificated administrative employees as compared to FTE related to teachers to ensure the District is in compliance.

Corrective Action Plan: The District will continue to monitor and evaluate staffing patterns to remain within the allowable administrative percentage. The District will take measures to remediate the discrepancy.

GUSTINE UNIFIED SCHOOL DISTRICT
SUMMARY SCHEDULE OF PRIOR AUDIT FINDINGS
FOR THE YEAR ENDED JUNE 30, 2025

FINDING #2024-001: ASSOCIATED STUDENT BODY (ASB) FUNDS (30000)

Criteria: Maintaining sound internal control procedures over cash receipts, cash disbursements, bank reconciliations and minutes of council meetings reduces the opportunity for irregularities to go undetected. The Fiscal Crisis & Management Assistance Team (FCMAT) Associated Student Body Accounting Manual & Desk Reference outlines proper internal control procedures for associated student body accounts to follow.

Condition: Through our testing of the school site ASB accounts, we noted the following internal control deficiencies:

- There were numerous old uncleared transactions that have remained on the bank reconciliation for Gustine High School.
- The District did not record ASB activity in Fund 08 so an audit adjustment had to be posted.

Cause: Insufficient controls over student body activities.

Effect: The potential for irregularities in accounting to go undetected.

Repeat Finding: This is not a repeat finding.

Recommendation: We recommend that all ASB bank accounts be reconciled on a monthly basis and uncleared items explained sufficiently. The District should provide each student body account clerk with the latest FCMAT Associated Student Body Accounting Manual & Desk Reference and reinforce the importance for sound internal control procedures to be implemented. The District should post a journal entry during year-end closing to record ASB activity in Fund 08.

Corrective Action Plan: The irregularity was identified after closing the books and the ASB person was sent for professional development. Based on this updated knowledge, the CBO will work with the ASB clerk to reconcile accounts monthly with an emphasis on uncleared transactions from the past. An entry will be recorded for ASB activity in Fund 08.

Current Status: Partially implemented, see Finding #2025-001.

FINDING #2024-002: FINANCIAL REPORTING INTERNAL CONTROLS (30000)

Criteria: Sound internal controls dictate that accounts receivable and accounts payable accruals are short term in nature and should be cleared or reversed within one year and should be properly recorded in accordance with generally accepted accounting principles.

Condition: During testing of the accounts receivable and accounts payable details provided, we noted prior year balances were not cleared as of June 30, 2024.

Cause: Insufficient internal controls over balance sheet accounts.

Effect: Lack of proper internal controls can lead to accounting irregularities to go undetected and increase risk of misstatement of assets.

Repeat Finding: This is not a repeat finding.

Recommendation: We recommend the District implement procedures to ensure prior year accounts receivable and accounts payable be cleared or reversed within one year and to properly record ending balances in accordance with generally accepted accounting principles.

Corrective Action Plan: The District will include the reconciliation and clearance of past balance sheet accounts as a regular activity. At the year-end this will be reviewed again and ending balances will be reviewed in comparison to beginning balances.

Current Status: Not implemented, see Finding #2025-002.

FINDING #2024-003: CLASSROOM TEACHER SALARIES (61000)

Criteria: As set forth in California Education Code section 41372, a unified school district should expend a minimum of 55% of the District's current expenses of education towards salaries of classroom teachers.

Condition: In the 2023-24 fiscal year, Gustine Unified School District did not meet the minimum percentage requirement of 55%. Gustine Unified School District only spent 50.98% on classroom teacher salaries in the 2023-24 fiscal year.

Effect: The District's current expense of education for the year ended June 30, 2024 was $29,700,866 and the total salaries and benefits for classroom teachers was $15,141,601. The District was below the minimum required percentage of 55% by 4.02% which calculates out to a deficiency of $1,193,975.

Cause: One-time funding sources.

Questioned Costs: The questioned costs are the deficiency of $1,193,975.

Repeat Finding: This is a repeat of Finding #2023-001.

Recommendation: We recommend that in the future, the District monitor their expenses towards salaries of classroom teachers against their total expenses to be sure that they meet the 55% minimum requirement. The District should also apply for an exemption from the Merced County Office of Education.

Corrective Action Plan: This deficiency was discussed at cabinet and at Board meetings. The main reason was the distortion of cost structure with the receipt of one-time stimulus monies. GUSD planned to ensure that one-time funds are used towards one-time expenditures. This includes purchases of equipment and other backup activities outside of classrooms. At the same time, teacher salaries were increased by a high percentage. Now that most of stimulus funds are utilized, GUSD cost structure is returning to its norms. The District is monitoring this area and expects to bring back the classroom teacher salaries to 55% now that all stimulus funds have been utilized.

Current Status: Not implemented, see Finding #2025-005.

GUSTINE UNIFIED SCHOOL DISTRICT

Meeting of the Board of Trustees
MEETING DATE:
February 10, 2026

AGENDA ITEM TITLE: Gustine High School FBLA Overnight Trip to the FBLA State Leadership Conference in Anaheim, California

AGENDA SECTION: Action

PRESENTED BY: **Dr. Bryan Ballenger, Superintendent**

RECOMMENDATIONS:
It is recommended that the Board of Trustees approve the Gustine High School FBLA organization to attend the FBLA State Leadership Conference in Anaheim, California.

SUMMARY:
The Gustine High School FBLA members who score high enough at the Central Section Leadership Conference will be able to attend the State Leadership Conference. The State Leadership Conference is a multi-day conference with over 2,500 FBLA students in attendance from across the state. While there, students strengthen leadership, communication, and career-readiness skills through workshops, keynote sessions, and competitive events. Students gain real-world business knowledge, build professional networks with peers across the state, and practice professionalism in a large conference setting. Students also develop a sense of personal responsibility, reflect on their growth, and deepen their understanding of FBLA's mission and opportunities. Students also engage in statewide competitions to determine who will represent California in national competitions. Please see the overnight binder for the itinerary.

FISCAL IMPACT: **$7,945.00**

2024-2025 School Accountability Report Card (Published During the 2025-2026 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) https://www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Admission Requirements for the University of California (UC)	Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at https://admission.universityofcalifornia.edu/.
Admission Requirements for the California State University (CSU)	Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at https://www2.calstate.edu/.

2025-26 School Description and Mission Statement

Gustine Elementary School is located in the San Joaquin Valley, in Gustine, California. Gustine is home to the nation's largest festa which is steeped in Portuguese tradition. Gustine Elementary School is one of two elementary schools located in this small agricultural town. The new school site opened in August 2001. Gustine Elementary houses Transitional Kindergarten through Grade 5. GES is on a traditional school calendar with school starting in August and ending the first week of June. The current enrollment stands at 473 students. Approximately 84% of the students are Hispanic, 11.2% are white (non-Hispanic), and 40% are identified as English Learners. At GES 84% of students are low socioeconomic, and all students obtain free meals and snacks to take home daily.
GES provides an academically challenging and safe environment for students to learn and be a part of the school community.

2025-26 School Description and Mission Statement

Our teachers focus on teaching the most critical Essential Standards to our students and use standards-based materials. ELD instruction is taught through a content-based approach, using SEAL Training for integrated and direct ELD strategies. Our school addresses the needs of all learners by providing a daily tier tier II and III and enrichment rotation during the school day. All teachers were trained on phonemic awareness strategies using UFLI, focusing on phonemic awareness lessons so that they could support struggling students at all grade levels. ELD students are receiving supplementary curriculum of Summit K-12 which is ELPAC preparation program. Teachers have also been trained in LETRS Training (Science of Reading). Students continue to make academic growth as we started this new initiative. GUSD has adopted new English Language arts curriculum, CKLA. Teachers have been provided professional development and training schoolwide and within their grade level teams on CKLA.

Our school has an elementary ASB that is active on campus, ASB is rare at the elementary level. Our ASB activities to boost student and staff morale are most popular and include new school year/welcome back activities, movie nights, Fall Festival, Spring Fling and school assemblies. In addition, our school implements the Positive Behavioral Interventions and Supports framework to teach appropriate behavior and provide interventions for social-emotional support for our students. GES continuously recognizes students for their academic success, attendance, and engagement "getting caught being good". Our staff and students enjoy demonstrating their school spirit by wearing red on Fridays for school spirit day. Students and classes are rewarded for demonstrating their school spirit.

Our parents are also an integral part of the success of our students. We welcome parents to get involved in their child's education. Parents/guardians are provided with informal monthly meetings via Coffee with the Principal, participation in the School Site Council, and English Language Advisory Committee. GES has a tradition of hosting family math nights, , family literacy nights, family paint nights, the Fall Festival, Turkey Trot, Winter Performance, Spring Fling and Career & College Fair in the Spring.

There is one Principal and an Assistant Principal, a School Counselor who is on-site five days per week, and a Literacy Teacher, and an Instructional Coach. The office staff consists of a Secretary, an Attendance Clerk, and a School Bilingual Liaison. The District employs a full-time nurse who serves all sites and a full-time Health Aide for each school site. Gustine Elementary has access to a Mental Health Clinician and BCBA Behavioral Clinician, as the need arises. There are 24 certificated teachers, with one shared Teacher Librarian. Classified Staff consists aides for intervention support, a full-time aide for both of the Transitional Kindergarten classes, Special Education Instructional Aides, Lunch, and Yard Duty Supervisors, a Crossing Guard, a Library Clerk, and two full-time and one part-time Custodians.

School Vision and Mission:

In partnership with families and the community, Gustine Elementary is committed to opening the doors to a brighter future for our students and staff. The task of educating students to be productive members of society. Gustine Elementary core beliefs are:

-High expectations yield high results.
-Every individual is unique and has worth.
-Learning is a lifelong process.
-Everyone has the right to be safe secure and free from discrimination.
-Encouragement, enthusiasm, and motivation are essential for success.
-Honesty and integrity are important values.
-The partnerships of schools, -parents, and the community enrich society.
-Hard work and perseverance are the cornerstones of good character.
-Excellence in education is essential to the democracy of our Country.

Our Mission Statement

The students at Gustine Elementary are students our greatest asset, we believe that we must open the doors to a brighter future for all our students. Their paths to success are unique. We believe that our students will experience success with the support and encouragement of parents, teachers, and staff through positive social and educational experiences, respect for cultural diversity, a strong academic program, and a safe and secure learning environment. Our goal is to ensure that every student at GES is a critical thinker, a collaborative learner, as well as a productive member of society. Gustine Elementary provides a safe, friendly, and encouraging environment in which students thrive academically, socially, and emotionally. All students will leave GES prepared to take on the academic, social, and emotional challenges of middle school.

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

School Facility Conditions and Planned Improvements

Gustine Elementary School opened in 2001; there are six classroom buildings, a multipurpose room, an office/library building, and six portables. There are bathrooms in three of our kindergarten classrooms as well as bathrooms on each wing, and staff bathrooms in the office building for a total 28 toilets on campus. Our campus is fully fenced and gated. There are two large playgrounds with blacktop and grassy areas. There are four main play structures with well-padded rubber matting beneath. The grass areas are used for kickball, baseball, soccer, and flag football. The blacktop area has tether and basket ball courts, and various playground games are available for students to check-out. Trees e planted on the grass areas, and a sprinkler system is installed. During the 2025-2026 Williams Monitoring, Gustine Elementary School received an overall GOOD rating during our school facility conditions evaluation using the Facilities Inspection Tool (FIT). School rating for GES is good. The interior surfaces section was rated poor.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments
(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready
The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

2024-25 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated in a science assessment.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2024-25 California Physical Fitness Test Participation Rates

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT requires only participation results for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2025-26 Opportunities for Parental Involvement

There are many opportunities for parents to better support their child's success throughout the school year. Parent involvement is an area GES hopes to grow in each school year. We have an established Associated Student Body at the Elementary level and are hoping to have our student leaders work with our teacher leaders and possibly join our SSC and ELAC meetings to offer input as to increase our parent involvement. At GES we recognize the need for working with our Parents/Educational Partners. GES provides opportunities throughout the year for Parent/Educational Partner involvement, below is a list of a few of them:

- School Site Council (SSC)
- English Language Advisory Committee (ELAC)
- Coffee with the Principal Monthly Parent Meetings (informal)
- Back-to-School Night

-Parent Teacher Conferences
-Family Math Night
-Family Literacy Night
-Family Paint Night
-Turkey Trot
-Fall Festival
-Spring Fling
-Open House

2025-26 School Safety Plan

The School Safety Plan includes directions for evacuation procedures in case of a fire, earthquake, or bomb threat. Drills are held monthly. The plan is reviewed bi-annually with staff, once at the beginning of the school year and again in a staff meeting later in the school year. At Gustine Elementary, each teacher has access to an updated copy of the plan (hard-copy and digitally), available in the office and staff room, and the plan is reviewed each fall at the beginning of the year. Teachers have a flip chart in the classroom that outlines emergency procedures. A copy of the comprehensive safety plan is on file at our district office. GES has an alarm system and surveillance cameras throughout the campus. We also have an automated telecommunication system via Parent Square to communicate critical information in a timely manner to all our students and their families in their language of preference. We review emergency procedures with students and staff regularly and in coordination with Law Enforcement. We also hold classroom discussions on disaster preparation. Gustine Elementary School and the School District utilize Share911, a digital emergency network that connects our entire organization, so everyone can share information as quickly as possible during an emergency. In addition, students and parents can use STOP!T to anonymously report concerns of any kind to school administrators without fear of being discovered. Our staff monitors children on campus beginning at 7:20 a.m. until they are safely off campus at the end of the school day. All visitors must sign in at the front office using the RAPTOR system (ID and DL is scanned) and badge is printed, they must wear a visitor's badge while on campus. We welcome "cleared" volunteers on campus to assist in the classrooms and events. We ensure a safe campus by monitoring and responding to student behavior and by listening to parent concerns. Detailed information on the School Safety Plan can be found at the Gustine Elementary School Office.

The plan also includes:

(A) Child Abuse Reporting Procedures
(B) Disaster Response Procedures (Includes Tactical Information)
Administrator's Redbook
Emergency Actions
Emergency Responses
(C) School Suspension, Expulsion and Mandatory Expulsion Guidelines
(D) Procedures to Notify Teachers of Dangerous Pupils
(E) Discrimination and Harassment Policies
(F) School-wide Dress Code
(G) Procedures for Safe Ingress and Egress to and from School
(H) A Safe and Orderly School Environment Conducive to Learning
(I) School Discipline Rules on School Discipline
(J) Hate Crime Reporting Procedures and Policies
(K) Procedures adopted under the Safe and Drug-Free Schools Act
(L) Bullying Prevention Policies and Procedures
(M) Student Hygiene Accessibility
The School Safety Plan was last reviewed, updated, and discussed with school staff August 2025. The plan was approved by the School Site Council on May 6th, 2025

Fiscal Year 2024-25 Types of Services Funded

Gustine Elementary receives funding from several sources, including Title I, Lottery, LCFF. These funds are used to support student achievement through the use of an Academic Coach, Literacy Teacher, Library Clerk, Counselor and supplies/materials for programs and targeted groups of students, such as Tier II/III intervention and enrichment classes. Programs for English Learners are supported with state adopted materials, specialized technology, personnel, and training.

Fiscal Year 2023-24 Teacher and Administrative Salaries

This table displays the 2023-24 Teacher and Administrative salaries. For detailed information on salaries, see the CDE Certification Salaries & Benefits web page at http://www.cde.ca.gov/ds/fd/cs/.

Professional Development

Professional development activities are delivered through after school workshops, professional development days, early release days, conference attendance, and individual mentoring. In addition, demonstration lessons and peer observations are held throughout the year with the assistance of our Instructional Coach. District-wide professional development days were held on August 11 2025, October 22, 2025, and January 6th, 2026, with the districts new implementation of Instructional Norms. The focus of professional development activities is determined by reviewing student academic progress, district initiatives, and site needs. Major focus areas in the 2025-2026 school year include the fundamentals of reading with LETRS Training and Writing

Professional Development

Training occurring weekly. Other focus areas include mathematics-CRA, ELD, and PBIS. To assist all staff members with implementing new skills, one teacher on special assignment is identified in the area of elementary education to provide assistance to teachers at each school site. Site administrators also provide staff development through classroom walks, targeted site-specific topics, and assistance for individual teachers. In addition, staff members also attend virtual professional growth activities to strengthen their skills in the content areas through county, regional, and Statewide training. Some teachers (General Education and Special education) have had the opportunity to receive Co-Teaching Training with the support of students with an IEP.

This table displays the number of school days dedicated to staff development and continuous improvement.

2024-2025 School Accountability Report Card
(Published During the 2025-2026 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) https://www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Admission Requirements for the University of California (UC)	Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at https://admission.universityofcalifornia.edu/.
Admission Requirements for the California State University (CSU)	Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at https://www2.calstate.edu/.

2025-26 School Description and Mission Statement

Romero Elementary is a TK-5 school on a traditional calendar year with approximately 230 students. We are located in a rural setting in Santa Nella, California. We are one of two elementary schools in the Gustine Unified School District. Romero has a quality teaching staff who receives yearly staff development in the latest research-based methods of instruction.

We have adopted an English Language Arts curriculum Core Knowledge Language Arts (CKLA). This year, we have added a full-time instructional coach. Additionally, we have an English Language Development Coordinator and a Reading Intervention teacher on staff; she works with teachers and students to continually improve student achievement. The teachers actively engage in Common Core instruction and are supported through professional development training. Romero staff have been

extensively trained in the Professional Learning Community process to improve student achievement. Teachers have weekly collaborative planning time at their grade levels and across the grades to ensure that all students are presented with a rich, multifaceted educational experience. Education is the key to success. Students must be able to gather, interpret, analyze, and share information. Common Core standards foster and support these skills and encourage access to and involvement with many aspects of technology. These skills and Rigorous Curriculum Design are the keys to preparing Romero Elementary students for their middle and high school years and competitive global society. The overarching essence at Romero is one of high expectations for everyone. The culture at Romero is one where everyone is welcomed, and success is a daily occurrence. Our students at Romero Elementary have a bright future ahead. They will be the scholars, humanitarians, and role models of tomorrow. Together, staff, students, and parents will make our campus, our community, and our world a better place.

The mission statement for Romero Elementary School states: Every student at Romero Elementary is important and has value and worth. Staff members understand that they play an integral part in creating a safe classroom environment where students are encouraged to share their thoughts and ideas. Patience, guidance, and respect are the norm at Romero, as we all uphold the highest standards of professionalism. High expectations are held for every student. At Romero, challenges are not barriers; they are mere obstacles that will be met and overcome. Education should not only open the door to a brighter career future, but ultimately education should open the door to a better community and a better world.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

School Facility Conditions and Planned Improvements

An assessment was done in October 2025 using the Facility Inspection Tool (Fit). The school buildings and grounds of Romero Elementary School have been deemed "clean, safe, and functional," having no condition that poses an emergency or urgent threat to the health and safety of pupils or staff. The school's overall rating was Exemplary. Copies of the Safety Inspection are maintained on file at the school site and District Office. Romero Elementary School employs a full-time Lead Custodian who provides students and staff with a clean and safe school environment. Romero Elementary School also employs a full-time Maintenance/Custodian who maintains our site as well. Our school includes 14 classrooms, and six portables. Romero Elementary School received an overall rating of 97.49% (Exemplary) during our school facility inspection evaluation (FIT). Repairs to the bathroom flush valve have been completed. Also, the aerator on the sink has been cleaned out.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments
(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready
The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

2024-25 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus

the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2024-25 California Physical Fitness Test Participation Rates

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT requires only participation results for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2025-26 Opportunities for Parental Involvement

There are many parent opportunities for involvement at Romero Elementary. Our English Learner Advisory Council (ELAC), and School Site Council (SSC) meet at least 4 times a year to review our programs and make decisions on how categorical monies are allocated. These groups actively participate with the administration and teachers to develop our school goals each year. Yearly LCAP meetings are held at our SSC/ELAC meetings as well in the evening during a parent update meeting. There are also monthly Principal's coffee and Parent workshops offered through out the year. Parents are also encouraged to join us as classroom volunteers, yard duty help, and PTC members or to accompany us on class field trips. School activities such as our Halloween Carnival, Veterans Day Celebration, Turkey Trot, Movie Night, Winter Program, Open house, Romero Games, and Love Romero are annual events that invite the participation of all our students and their families. This year we also hosted a PIQE (Parents Institute of Quality Education) PIQE woorkshop. We had over 30 parents attend. If interested in volunteering, please call the office and have your name added to the list (209) 854-6177.

2025-26 School Safety Plan

The School Safety Plan includes directions for evacuation procedures in case of a fire, earthquake, or bomb threat. Drills are held monthly. The plan is reviewed bi-annually with staff, once at the beginning of the school year and again in a staff meeting later in the school year. At Romero Elementary, each teacher has access to an updated copy of the plan, which is available and reviewed each fall at the beginning of the year. Teachers have a flip chart in the classroom that outlines emergency procedures. A copy of the comprehensive safety plan is on file at our district office. RES has an alarm and fire system. We also have an automated telecommunication system via Parent Square to communicate critical information in a timely manner to all our students and their families in their language of preference. We review emergency procedures with students and staff regularly. We also hold classroom discussions on disaster preparation. Romero Elementary School and the School District uses Share911, a digital emergency network connecting our entire organization so everyone can share information quickly during an emergency. In addition, students and parents can use STOP!T to anonymously report concerns to school administrators without fear of being discovered. Our staff monitors children on campus from 7:30 a.m. until they are safely off campus at the end of the school day. All visitors must sign in at the front office using the RAPTOR system (ID and DL is scanned) and badge is printed, they must wear a visitor's badge while on campus. We ensure a safe campus by monitoring and responding to student behavior and listening to parent concerns. Detailed information on the School Safety Plan can be found at the Romero Elementary School Office. The Gustine Unified School district is also currently updated all gates and doors with an electronic system that can be accessed remotely can be controlled from the district office.

The plan also includes:
(A) Child Abuse Reporting Procedures
(B) Disaster Response Procedures (Includes Tactical Information)
Administrator's Redbook
Emergency Actions
Emergency Responses
(C) School Suspension, Expulsion, and Mandatory Expulsion Guidelines
(D) Procedures to Notify Teachers of Dangerous Pupils
(E) Discrimination and Harassment Policies
(F) School-wide Dress Code
(G) Procedures for Safe Ingress and Egress to and from School
(H) A Safe and Orderly School Environment Conducive to Learning
(I) School Discipline Rules on School Discipline
(J) Hate Crime Reporting Procedures and Policies
(K) Procedures adopted under the Safe and Drug-Free Schools Act
(L) Bullying Prevention Policies and Procedures

We ensure a safe campus by monitoring and responding to student behavior and listening to parent concerns. The School Safety Plan was approved by the School Site Council on February 12, 2025. The School Board approved it at the March 6, 2025, board meeting.

Fiscal Year 2024-25 Types of Services Funded

Romero Elementary receives funding from Title I, Title IV, Lottery, and LCFF. These funds are used to support student achievement through the employment of an Intervention Teacher, ELD coordinator, Library Clerk, classroom intervention aides, supplies/materials for programs, and targeted groups of students. Programs for English Learners are supported with state-

Professional Development

Professional development activities are delivered through after-school workshops, professional development days, early release days, conference attendance, and individual mentoring. In addition, demonstration lessons and peer observations are held throughout the year with the assistance of our Instructional Coach. This year, teachers will attend three district-wide staff development trainings. Collaborative meetings are being held every Wednesday with a focus on our special education inclusion program. Site administrators also provide staff development through classroom walks, targeted site-specific topics, and assistance for individual teachers. In addition, staff members also attend virtual professional growth activities to strengthen their skills in the content areas through county, regional and Statewide training.

2024-2025 School Accountability Report Card (Published During the 2025-2026 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) https://www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Admission Requirements for the University of California (UC)	Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at https://admission.universityofcalifornia.edu/.
Admission Requirements for the California State University (CSU)	Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at https://www2.calstate.edu/.

2025-26 School Description and Mission Statement

Dear Gustine Community,
Gustine Middle School (GMS) is proudly home of the Braves! We celebrate our Brave pride every day by living our core values: Get Ready, Maintain Respect, and Show Responsibility. From the moment you step onto our campus, you are greeted with warm smiles and a welcoming atmosphere created by our amazing front office team—including our secretary, attendance clerk, bilingual liaison, and health aide.
At GMS, student well-being is a top priority. Our District Nurse and on-site Health Aide work together to provide efficient, compassionate health services for all students. We are deeply committed to maintaining a safe, supportive, and engaging learning environment where students can thrive and work toward meaningful goals that prepare them for college and career

2025-26 School Description and Mission Statement

success.
Our dedicated staff holds high expectations for every student and encourages students to set those same high standards for themselves. Together, we provide the support and encouragement needed to help every GMS student succeed. We are proud to offer a strong network of support for social and emotional growth, including a school psychologist, school counselor, BCBA, and mental health clinician. Academically, our general education and special education teachers, along with our support staff, are always ready to help students reach their full potential.
Our librarian keeps our vibrant library running, offering a wide variety of reading options that spark curiosity, imagination, and a lifelong love of reading. Meanwhile, our incredible cafeteria staff keeps students nourished throughout the day, and our custodial team works tirelessly to ensure a clean, safe, and welcoming campus.
GMS is also supported by a dedicated Assistant Principal focused on student safety and attendance, along with campus supervisors and instructional aides who provide essential supervision and care. Every member of our school community plays an important role in helping our students succeed.
It is through our shared determination, dedication, and positive mindset that we continue to reach new heights—together.
Go Braves!!!

Mr. Peter Duenas
Principal, Gustine Middle School

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments
(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready
The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

2024-25 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated in a science assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2024-25 California Physical Fitness Test Participation Rates

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT requires only participation results for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2025-26 Opportunities for Parental Involvement

At Gustine Middle School, we believe that our students thrive most when schools and families work hand in hand. A strong partnership with our parents and guardians is essential to creating the best possible learning experience, and we warmly encourage families to take an active role in our school community. Through collaboration and shared commitment, we can build a successful and bright future for every student.

Parents have many meaningful opportunities to get involved, including participating in the Parent-Teacher Club (PTC), School Site Council, English Learners Advisory Committee (ELAC), and the District English Language Advisory Committee (DELAC). We also invite families to attend engaging events such as Coffee with the Principal and parent informational evenings that address important topics like mental health, bullying prevention, vaping awareness, and cyber safety.

GMS is dedicated to strengthening connections among parents, students, and staff by celebrating student achievements together. Events like our Parent Paint Night have been well received, and we look forward to continuing this tradition with upcoming activities such as a Parent-Student Poetry Night.

We prioritize clear and consistent communication with families through phone calls, ParentSquare, the GMS website, and the Aeries Portal. ParentSquare, our district-wide communication tool, allows us to share important updates through calls, texts, and emails, while also offering private messaging between parents and teachers or administrators to support timely and effective communication.

At Gustine Middle School, we are committed to partnering with our families every step of the way. Through open communication, shared goals, and a strong sense of community, we will continue to support and ensure the success of all GMS students.

2025-26 School Safety Plan

At Gustine Middle School, the safety, success, and well-being of every student are our highest priorities. We are dedicated to creating a safe, orderly, and supportive learning environment where students feel secure and empowered to succeed. Throughout the school year, both students and staff participate in ongoing safety training, including emergency planning and response procedures. Our staff also receives professional development on the use of the Share911 system, which allows for immediate communication between the school site and the district during emergencies. To ensure preparedness, we conduct monthly emergency drills, including fire and earthquake drills.

Campus Safety and Supervision

GMS is a closed campus, and all visitors are required to check in and sign in at the front office before entering. Student safety is further supported by a dedicated campus supervisor whose primary role is overseeing campus supervision. In addition, all school staff—including the principal, Teacher on Special Assignment, counselor, teachers, and classified aides—share responsibility for supervising students during arrival, nutrition breaks, lunch, and dismissal.

Positive Behavior Support

Gustine Middle School implements Positive Behavioral Interventions and Supports (PBIS) to foster a positive, inclusive school culture and a proactive approach to student discipline. Our core values—Get Ready, Maintain Respect, and Show Responsibility—set clear expectations for behavior and guide daily interactions. When behavioral concerns arise, they are addressed in a way that promotes accountability, growth, and learning, in alignment with the disciplinary guidelines outlined in the Student/Parent Handbook.

Transportation and Traffic Safety

Historically, GMS has been a non-walking school; however, students are now permitted to walk home. Transportation continues to be available through school buses or parent drop-off for students who live outside the immediate area. To enhance traffic safety, GMS works closely with the Gustine Police Department to monitor traffic flow around the school and help ensure the safety of students, families, and staff.

Comprehensive Safety Plan

Gustine Middle School maintains a comprehensive School Safety Plan that includes, but is not limited to:

Child abuse reporting procedures
Disaster response procedures
Emergency actions and responses
Suspension and expulsion policies
Procedures for notifying teachers of potentially dangerous situations
Discrimination and harassment policies
School-wide dress code, including the prohibition of gang-related attire
Safe ingress and egress procedures
Policies supporting a safe and orderly school environment
Social climate supports, including people and programs
Physical environment safety measures
Policies promoting a positive school climate
School discipline rules and procedures
Hate crime policies and procedures
Bullying prevention policies and procedures

Gustine Middle School remains committed to providing a safe, respectful, and nurturing environment where all students can learn, grow, and thrive.

Professional Development

At Gustine Middle School, teachers engage in professional development at both the site and district levels. Additional professional learning opportunities are available through district-contracted consultants and instructional coaches. The school also allocates funding to support teacher attendance at conferences, further expanding opportunities for professional growth. Professional development at GMS is intentionally aligned with content standards, student performance data, and the specific professional needs of teachers. During the 2024–2025 school year, staff development has focused on strengthening instructional practices in math and science, supporting staff mental health, and improving assessment and grading practices. Professional learning also includes training in standards-based grading and building a deeper understanding of special education services.

Gustine High School
2024-2025 School Accountability Report Card
(Published During the 2025-2026 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) https://www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2025-26 School Description and Mission Statement

Gustine High School, nestled in the heart of California's Central Valley, has served the community since its establishment in 1913. Serving grades 9 through 12, the school currently has 520 students.

The demographic composition reflects the diversity of the community: 85.96% Hispanic (447 students), 10.58% White (55 students), and a combined 3.46% representing Asian (0.58%), Filipino (1.35%), Two or More Races (0.96%), African American (0.19%), American Indian/Native Alaskan (0.19%), and Native Hawaiian/Pacific Islander (0.19%) students.

A total of 112 students (21.54%) are identified as English Learners, including students classified as Long-Term English Learners. The school serves 49 students with disabilities (9.42%). Socioeconomic data indicate that 438 students (84.23%) are identified as socioeconomically disadvantaged. Additionally, 10 students (1.92%) are experiencing homelessness, and two students (0.58%) are in foster care. In alignment with Gustine High School's commitment to equity, access, and student support, 100% of students are eligible for free meals.

A principal and an assistant principal lead Gustine High School. It is supported by two school counselors, a college and career technician, a CTE counselor, and a school psychologist who also serves Gustine Elementary School. This shared support reflects a collaborative, districtwide approach to meeting student needs. The faculty includes 29 certificated teachers and an instructional coach, ensuring students receive strong academic instruction and ongoing support. We also have a mental health clinician and BCBA who support our students.

Gustine Unified School District's motto, "Opening Doors… to a Brighter Future," reflects the district's commitment to academic achievement and student success. This philosophy emphasizes creating meaningful opportunities that prepare students for college, careers, and life beyond high school. Through its long-standing history, diverse student population, and dedicated team of educators, Gustine High School continues to carry out the district's vision and support a promising future for all students.

Gustine High School's Vision:

At Gustine High School, we build strong, positive, and mutually respectful relationships in an inclusive, supportive, and rigorous

2025-26 School Description and Mission Statement

environment. We are responsive to all students and their needs as they become college career-ready and productive members of their community. We are committed to supporting and guiding each learner so that they can excel to their fullest potential.

Gustine High School's Mission:

At Gustine High School, we foster the whole student to achieve their fullest potential by setting high expectations, providing rigorous and relevant instruction, and building strong relationships to prepare all students to become productive members of society.

Gustine High School's updated Schoolwide Learning Outcomes read:
To become productive members of a community who are college and career-ready and able to excel to their fullest potential, the student will:

* Be Responsible Citizens
* Work Collaboratively and Competently
* Be Critical and Creative Thinkers
* Be Effective Communicators
* Develop Personal and Professional Goals

School Facility Conditions and Planned Improvements

The Merced County Office of Education (MCOE) conducts the FIT or Williams compliance inspections. The most recent inspection, either district or Williams, is available when this SARC is prepared and utilized for this report. Inspection reports are maintained at the GUSD district office. The Gustine Fire Department also conducts yearly site inspections at Gustine High School to ensure the campus meets all necessary safety requirements.
The rating scale used for this inspection is as follows:
99% - 100% = Exemplary: School meets most/all good repair standards. Noted deficiencies, if any, are not significant.
90% - 98.99% = Good: The school was maintained in good repair with some isolated deficiencies from wear/tear or are being mitigated.
75%—89.99% = Fair: The school is not in good repair, and it has some critical or widespread deficiencies which require repairs.
00% - 74.99% = Poor: School facilities are in poor condition with deficiencies of various degrees throughout and major repairs are necessary.
The results of the most recent report available for this campus are disaggregated below.

The Office of Public School Construction has developed the Facility Inspection Tool (FIT) to determine if a school facility is in “good repair” as defined by Education Code (EC) Section 17002(d)(1) and to rate the facility according to EC Section 17002(d)(2). Based on a visual inspection, the tool is designed to identify areas of a school site that need repair. In addition, the EC specifies that the tool should not be used to require capital enhancements beyond the standards to which the facility was designed and constructed.

School Facility Conditions and Planned Improvements

Good repair means the facility is maintained to ensure it is clean, safe, and functional. As part of the school accountability report card, school districts and county offices of education must conduct specified assessments of school conditions, including the safety, cleanliness, and adequacy of school facilities, and the needed maintenance to ensure good repair. In addition, beginning with the 2005/2006 fiscal year, school districts and county offices of education must certify that a facility inspection system has been established to ensure that each facility is maintained in good repair to participate in the School Facility Program and the Deferred Maintenance Program. This tool is intended to assist school districts and county offices of education in that determination.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments
(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready
The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2024-25 Career Technical Education Programs

Gustine High School Career Technical Education

Gustine High School offers a variety of courses, including Career Technical Education (CTE) courses. Many of these courses serve the dual purpose of preparing students for college and careers. Our special populations, such as English Learners and Resource/SDC students, are included in our CTE classes. The curriculum and projects are adapted to help EL and special education students participate fully in classes and related extracurricular activities, like exhibiting livestock and creating projects for competitions. The effectiveness of CTE programs is evaluated through student achievement, the completion of an annual, scored job skills portfolio, and mock interviews.

Gustine High School has partnered with Modesto Junior College to allow students to earn college credits while in high school. We have articulated specific courses. Articulation enables students to earn college credit if they achieve a C or better and may involve additional testing. We also offer students the opportunity to take dual-enrollment courses. This means students are enrolled at MJC, attending classes either in person or online, while still attending Gustine High School. Additionally, we offer six courses from MJC through the College and Career Access Pathways (CCAP) program, including English 101, History 101 and 102, Healthy Living, Introduction to Psychology, and Sociology.

2024-25 California Physical Fitness Test Participation Rates

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT requires only participation results for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2025-26 Opportunities for Parental Involvement

Gustine High School values our parents' and community members' leadership and contributions through their active participation in the School Site Council. This council plays a vital role in establishing school-wide goals and collaboratively developing and approving the GHS Single Plan for Student Achievement (SPSA). Parents also provide significant input into the GUSD Local Control Accountability Plan (LCAP).

Parents and community members also serve on strategic committees, such as the English Learner Advisory Committee (ELAC) and the Title I Advisory Committee, which are integral to discussions within the School Site Council. Title I funds, used school-wide, ensure all students have equitable access to a high-quality education. These committees, composed of parents, teachers, administrators, and students, address Gustine High's needs and provide input on allocating resources. Here are a few items that parents can engage with at GHS.

GHS Back to School Night
Families met teachers, reviewed behavior expectations, and learned about academic programs, resources, and supports available to students throughout the year.

Parent University: Social Media & Suicide Prevention
A parent education workshop providing data, warning signs, and resources related to student mental health, suicide prevention, and online safety.

Senior Parent Night
Families of seniors received guidance on graduation requirements, CSU/UC applications, FAFSA, and postsecondary planning timelines, with direct counselor support.

Data Confirmation Workshop
Parents received hands-on support to register for and update their ARIES parent portal accounts, ensuring accurate student information and improved communication.

Parent-Teacher Conference Day

2025-26 Opportunities for Parental Involvement

An opportunity for parents, students, teachers, and counselors to discuss academic progress, behavior, and supports to promote student success.

Coach AI Parent Workshop
A parent-focused workshop centered on social-emotional learning and ASCA mindsets, strengthening family capacity to support student well-being and growth.

Cash for College Workshop
A family-focused financial aid workshop where parents and students received direct assistance completing FAFSA and understanding college funding options.

How Gustine High School Drives Parent Engagement

Gustine High School places a strong emphasis on meaningful parent engagement as a key component of student success. The school intentionally provides multiple entry points for families to connect with the campus, understand academic expectations, and actively support their students' educational journeys. Through structured events such as Back to School Night, Senior Parent Night, and Parent-Teacher Conferences, families are informed partners in academic planning, graduation progress, and postsecondary readiness.

In addition, Gustine High School prioritizes parent education and empowerment through workshops focused on mental health, social-emotional learning, online safety, and financial aid. Events such as Parent University, Coach AI Parent Workshops, and Cash for College ensure families have access to timely information, practical tools, and direct support. By offering both academic and wellness-focused engagement opportunities, the school strengthens trust, communication, and shared responsibility between home and school, reinforcing a collaborative approach to supporting every student's success.

2025-26 School Safety Plan

At Gustine High School, student and staff safety is a top priority. We are committed to providing a secure, supportive, and welcoming learning environment. This commitment is outlined in our Safe School Plan, which is reviewed and updated annually. At the start of each school year, the plan is reviewed with staff and approved by the Gustine High School Site Council (SSC). The 2025/2026 update will be presented to the SSC in both English and Spanish in January and submitted to the school board for final approval in February 2026.

To ensure campus readiness, Gustine High conducts regular emergency drills throughout the school year. These drills prepare students and staff to respond effectively to a variety of emergencies and reinforce expectations for maintaining a safe, orderly, and respectful campus.

We also take pride in maintaining a clean and well-kept campus. Through a shared responsibility between students and staff, the school remains litter-free, and any vandalism is addressed promptly to preserve a positive and welcoming environment.

Gustine High works closely with the Merced County Sheriff's Department to strengthen emergency preparedness. In collaboration with law enforcement, the school conducts comprehensive lockdown drills designed to improve coordination, communication, and response procedures. These drills enhance staff readiness and support a unified response in emergencies.

In addition to lockdown drills, the school conducts three to four safety drills each year covering a range of emergency scenarios. Gustine High is supported by a dedicated School Resource Officer (SRO) who helps monitor campus safety and build positive relationships with students. Although shared with other district schools, the SRO's presence reflects the district's ongoing commitment to student safety and well-being.

Through collaboration with staff, students, families, and local law enforcement, Gustine High School maintains a safe, orderly, and supportive campus where students can learn and thrive.

Fiscal Year 2024-25 Types of Services Funded

The state's Local Control Funding Formula (LCFF) provides essential base and supplemental funding to support programs and services for students. These funds are allocated based on the Local Control Accountability Plan (LCAP), developed by the Gustine Unified School District in collaboration with stakeholders, including parents, students, school employees, and community members. Throughout the school year, several meetings are held to gather input from stakeholders, ensuring funds are used strategically to address the instructional needs of all students.

Gustine High School benefits from a variety of funding sources, including:

Title I, which supports economically disadvantaged students.
Title III funds programs for students with limited proficiency in English.
State Lottery Funds, which address athletic and curriculum needs.
Carl Perkins Tech Education Grants and CTE Grants bolster our FFA and career technical education programs.
A-G Grant, which enhances college and career readiness initiatives.
WE Will Grant Funding

Fiscal Year 2024-25 Types of Services Funded

Golden State Program Pathway
CTEIG Grant for Business, AG and Patoient Care Pathways
ESSER Funding supports mental health services, BCBA programs, and additional instructional aides for special education. Gustine High School has also secured funding through the WE Will Grant and the Golden State Grant to expand and strengthen our Medical and Educational Pathways. These funds support work-based learning opportunities, dual-enrollment programs, and college-readiness initiatives that are critical to preparing students for careers in healthcare and education. This funding allows us to provide resources such as transportation, hands-on experiences, career counseling, and access to college credits, all of which are essential for student success in these pathways.

Together, these funding sources ensure that Gustine High School has the resources to provide a well-rounded education that meets the diverse needs of our student population and prepares them for college, career, and beyond.

Professional Development

Gustine High School, professional development is intentionally designed to meet the diverse needs of both students and teachers. Professional learning priorities are informed by multiple data sources, including classroom observations, teacher surveys, disaggregated SBAC data, PBIS data, and other assessment tools. This data-driven approach ensures that professional development is targeted, relevant, and impactful.

Gustine High School benefits from a strong partnership with the Merced County Office of Education (MCOE), which provides ongoing support to departments across the campus, including English, Math, Science, Art, and Music. Through this collaboration, teachers participate in focused professional learning opportunities, including CPM Math training, STAR diagnostic professional development, and co-teaching coaching. MCOE also provides observation support and instructional guidance, helping educators strengthen best practices and better meet student needs.

Gustine Unified School District is committed to continuous professional growth across all subject areas, including Math, English Language Arts, Science, English Language Development, and Special Education. Teachers engage in ongoing training throughout the school year, aligned to both individual and schoolwide goals. New teachers receive structured support through the TIPS mentoring program, where trained mentors provide coaching, feedback, and guidance during their first two years to support effective lesson planning and classroom instruction.

Professional development is embedded throughout the school year through staff development days that include administrators, certificated staff, and classified employees. Teachers also attend specialized workshops and conferences focused on literacy, mathematics, ELD, special education strategies, and curriculum development. In addition, weekly Professional Learning Community (PLC) meetings provide structured collaboration time, including dedicated co-teaching discussions, where educators work together to refine instructional practices and share effective strategies.

Most recently, teachers and special education staff participated in professional learning sessions focused on supporting diverse learners. These collaborative discussions promoted the sharing of practical strategies and strengthened inclusive practices across classrooms.

At Gustine High School, professional development is an ongoing commitment to equipping educators with the knowledge, skills, and support needed to improve instruction and elevate student learning. Through strategic partnerships and a collaborative culture, the school continues to strengthen teaching practices and advance academic excellence for all students.

2024-2025 School Accountability Report Card (Published During the 2025-2026 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) https://www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Admission Requirements for the University of California (UC)	Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at https://admission.universityofcalifornia.edu/.
Admission Requirements for the California State University (CSU)	Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at https://www2.calstate.edu/.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments
(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready
The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus

the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated in a science assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

2024-25 Career Technical Education Programs

Gustine High School provides various courses, including Career Technical Education courses. Many have the dual purpose of preparing students for college and careers. Our special populations, such as English Learners and Resource/SDC students, are included in our CTE courses. Curriculum and projects are modified to enable EL and special education students to participate in the classes and related extracurricular activities such as exhibiting livestock and fabrication of projects for competitions. The effectiveness of CTE programs is measured via student achievement, the completion of an annual, scored summative job skills portfolio, and mock interviews.

Gustine High School has collaborated with Modesto Junior College to allow students to earn college credits concurrently. We have articulated specific courses. Articulation will enable students to earn college credits if they earn an A or B and may include additional testing. We also offer students the opportunity to take dual enrollment courses. This means students will be enrolled in MJC, taking classes in person or online while still attending Gustine High School. We also have Six courses from MJC: College and Career Access Pathways (CCAP). They include English 101, History 101 and 102, Healthy Living, Intro to Psychology, and Sociology.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2024-25 California Physical Fitness Test Participation Rates

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT requires only participation results for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2025-26 Opportunities for Parental Involvement

At this time stakeholder involvement is on a case by case basis for a students who want to attend Pioneer High School. The stakeholders that are involved in the decision to enroll at PHS are the designee of the superintendent, Site Principal, Counselor, Parent and Student. There two ways to enroll at Pioneer High School. One being that a student and parent want to voluntarily transfer because Pioneer is the best educational fit for the student. The second way is the student is deficient in credits and has no other option but to transfer to Pioneer to recovery lost credits. Both processes always involve both the student and parent to sign off on the voluntary transfer and the student who is in credit recovery can opt to stay at the comprehensive high school and risk graduating.

A new resource for parents is our Parent Engagement Committee, which meets monthly to discuss school concerns, academics, safety, and the needs of parents and students. This year, the committee hosts guest speakers on effective parent-child communication and financial literacy. Discussions from these meetings also inform the work of the School Site Council and ELAC. Monthly meetings emphasize college and career readiness, covering topics such as:
College Application Tips: Guidance on navigating the application process.
Career Exploration: Insights into various careers and industries.
Scholarships and Financial Aid: Strategies for finding and applying for financial assistance.
Parent Success Stories: Real-life examples of successful college and career journeys.

2025-26 Opportunities for Parental Involvement

Upcoming Events: Details on workshops, seminars, and fairs.
Parent Spotlights: Showcasing inspiring stories of parents who have successfully guided their children through college and career preparation.
Site administrators and teachers inform families about the range of supports available at GHS. These include partnerships with the local police department, a full-time School Resource Officer, and the City of Gustine's MAPS (mental health) team, which provides educational presentations for students and parents.

Additionally, PHS offers access to district mental health and behavioral clinicians for any questions or concerns. The school collaborates with local colleges to support parents and students with registration, enrollment, and financial education. We also partner with Merced County Strengthening Families, which provides specific resources and supports tailored to the needs of our students and families.

Through these collective efforts, Pioneer High School fosters a strong partnership between the school, parents, and the community to ensure the success and well-being of every student.

2025-26 School Safety Plan

At Pioneer High School, safety is a top priority. We are committed to maintaining a secure and nurturing environment for all students and staff. Our Safe School Plan, which is reviewed and updated annually, reflects this commitment. At the start of each school year, the plan is thoroughly reviewed with staff and approved by the Gustine High School Site Council (SSC). The 2025 update will be presented to the SSC in English and Spanish in January and submitted to the school board for final approval in February.

We conduct regular emergency drills throughout the year to ensure preparedness, equipping students and staff with the knowledge and skills to respond effectively in various scenarios. These drills are part of our dedication to fostering a safe, healthful, and orderly campus environment where positive attitudes and a sense of community thrive.

We take pride in the appearance of our campus, which reflects the importance Gustine Unified and its School Board place on safety and presentation. We maintain a clean, litter-free campus through a joint effort between students and staff. Any vandalism is swiftly addressed to ensure the school remains welcoming and presentable.

Our commitment to safety extends beyond daily operations. Gustine High and Pioneer High collaborate closely with the Merced County Sheriff's Department to strengthen our emergency preparedness. We will conduct comprehensive lockdown drills incorporating the department’s expertise and insights. These drills, crucial to our emergency response planning, enhance coordination between school staff and local law enforcement. This partnership ensures we are ready to respond effectively to any situation, creating a safer learning environment for everyone.

In addition to lockdown drills, we conduct three to four safety drills annually, encompassing a range of scenarios to prepare for various emergencies. We are fortunate to have the support of a dedicated School Resource Officer (SRO) who monitors our campus and assists with maintaining a safe atmosphere. Though shared with other district schools, the SRO’s presence underscores our district’s commitment to the safety and well-being of all students.

By working together with staff, students, families, and law enforcement, Pioneer High fosters a campus environment that prioritizes safety, order, and pride in our school community.

Fiscal Year 2024-25 Types of Services Funded

The state's Local Control Funding Formula (LCFF) provides essential base and supplemental funding to support programs and services for students. These funds are allocated based on the Local Control Accountability Plan (LCAP), developed by the Gustine Unified School District in collaboration with stakeholders, including parents, students, school employees, and community members. Throughout the school year, several meetings are held to gather input from stakeholders, ensuring funds are used strategically to address the instructional needs of all students.

These funds are used to purchase our curriculum licenses of Edgenuity, Computers, and looking into possible Career Readiness programs.

Professional Development

At Gustine High School which includes Pioneer High, professional development is designed to meet the diverse needs of our students and teachers. This process is informed by classroom observations, teacher surveys, disaggregated SBAC data, PBIS data, and other assessment tools. These insights guide our professional learning initiatives, ensuring they are relevant and impactful.

Gustine Unified is deeply committed to fostering professional growth across all subject areas, including Math, ELA, Science, ELD, Special Education, and more. Our teachers engage in ongoing training throughout the school year, with opportunities tailored to individual and collective goals. New teachers benefit from the mentorship of TIPS mentors, who provide

Professional Development

personalized support, coaching, and guidance during their first two years. These mentors are specially trained to work with adult learners, coach effectively, and assist in structuring lesson plans to maximize student success.

Our staff development days offer continuous learning opportunities for administrators, teachers, and classified personnel. Teachers also participate in specialized workshops and conferences on literacy, math, ELD, SPED strategies, and curriculum development. These sessions are complemented by weekly Professional Learning Community (PLC) meetings, where educators collaborate within their departments to share strategies and refine instructional practices.

This table displays the number of school days dedicated to staff development and continuous improvement.

11. Why are you interested in becoming a Delegate? Please describe the skills and experiences you would bring to the Delegate Assembly. *

As a retired Teacher/Administrator, I have the skills to plan events such as conferences.

12. Please describe your activities and involvement on your local board, community, and/or CSBA. *

I have been a board member for three years and I have been very involved in encouraging the scheduling of a variety of trainings through CSBA for the advancement of the board members knowledge. I have also been involved in the community for many years planning and leading events such as a Multicultural Festivals, Health Faire, and Talent Shows. In addition, I have been a member for 22 years and Chair for the last 10 years for the local Delhi Municipal Advisory Council in which our unincorporated community gets a voice in the county of Merced.

13. What do you see as the biggest challenge facing governing boards and how can CSBA help address it? *

I believe the biggest challenge facing our school boards are finding the right teachers and raising the academic bar on our students. Of course to make that possible, the teachers and administrators (including the superintendent) have to believe on the students. Most of us are familiar with PBIS (positive behavior interventions and supports) which is a wonderful program for our students to move up the pyramid. I truly believe that our state of California Department of Education and CSBA could develop a program similar the PBIS but for teachers, administrators and board members. A program that uses the strategic pyramid to help individual (teachers and administrators) improve on their delivery approach toward students and staff. Going from a universal approach level to a targeted/intensive approach for those individual that need it, would be very effective.

11. Why are you interested in becoming a Delegate? Please describe the skills and experiences you would bring to the Delegate Assembly. *

I want to be a positive role model for fellow board members throughout the region/subregion. I have been in education for over 39 years, as a teacher, admin, and now board member. I have great communication with my fellow board members, admin, and staff at the school district. Keeping in touch and visiting campus helps me bring these experiences to serve as a board member and potential Assembly Delegate.

12. Please describe your activities and involvement on your local board, community, and/or CSBA. *

I am a current member of the county school board association, MCSBA. I have worked with Assemblyperson Soria on AB 1111. I have met with both Assemblyperson Soria and Alanis. We brought our concerns to them and developed a positive relationship. I have been an active member of Legislative Action Day, having the opportunity to meet with several Assembly members.

13. What do you see as the biggest challenge facing governing boards and how can CSBA help address it? *

Federal funding and laws are our biggest challenge. Also making sure we protect the funding from the state as well.

CSBA POLICY GUIDE SHEET
January 2026

Note: Descriptions below identify revisions made to CSBA's sample board policies, administrative regulations, board bylaws, and/or exhibits. Editorial changes and minor revisions have also been made. Districts and county offices of education should review the sample materials and modify their own policies accordingly.

Board Policy 0450 - Comprehensive Safety Plan

Policy updated in conjunction with the accompanying administrative regulation.

Administrative Regulation 0450 - Comprehensive Safety Plan

Regulation updated to reflect **NEW LAW (SB 848, 2025)** which (1) expands the list of persons who may cooperate in the review of the comprehensive school safety plan (CSSP) to include the district's public entity risk pool joint powers authority or insurance provider, (2) adds child neglect to the reporting procedures required to be included in the CSSP, (3) requires, when the CSSP is next reviewed and updated, or by no later than July 1, 2026, that the CSSP includes procedures specifically designed to address the supervision and protection of children from child abuse or neglect or sex offenses, (4) adds a sex offense that has occurred on campus to acts that the principal is authorized to notify parents/guardians and employees of, and (5) expands the definition of "violent crime." Additionally, regulation updated to reflect **NEW LAW (SB 98, 2025)**, which requires, when a CSPP is next reviewed and updated, but no later than March 1, 2026, to include procedures specifically designed to notify parents/guardians and district staff when the school confirms the presence of immigration enforcement on a school site. In addition, regulation updated to reflect **NEW LAW (AB 962, 2025)** which authorizes districts to prohibit a student from possessing or using a smartphone in the case of an emergency or in response to a perceived threat of danger, if the prohibition is explicitly addressed in the district's CSSP.

Board Policy 1340 - Access to District Records

Policy reviewed in conjunction with the accompanying administrative regulation.

Administrative Regulation 1340 - Access to District Records

Regulation updated to reflect **NEW LAW (AB 1004, 2025)** which provides that any record that contains financial information provided by an Indian tribe to a public agency as a condition of or requirement for receiving financial assistance is confidential, not considered to be a public record, and not be open to public inspection. Additionally, regulation updated to provide that an individual's immigration status may only be disclosed in accordance with Board Policy/Administrative Regulation 1445 - Response to Immigration Enforcement. In addition, regulation updated to reflect **NEW LAW (AB 370, 2025)** which includes, in the definition of "unusual circumstances" whereby the Superintendent or designee may extend the 10-day limit to initially respond to a request for public records, (1) the inability to access electronic servers or systems due to a cyberattack, but only until the district regains its ability to search for and obtain electronic records, and (2) the need to search for, collect, and examine records when a state of emergency, in addition to currently affecting the district's ability to timely respond, directly affects this ability.

NEW - **Board Policy 1445 - Response to Immigration Enforcement**

New policy includes a significant amount of material that was formerly in Board Policy/Administrative Regulation 5145.13 - Response to Immigration Enforcement, and addresses a district's response to immigration enforcement including **NEW LAW (AB 495, 2025)** which requires districts to update their policies by March 1, 2026, with language that is equivalent to the model policy language developed by the California Attorney General in, "Promoting a Safe and Secure Learning Environment for All: Guidance and Model Policies to Assist California's K-12 Schools in Responding to Requests for Access and Information for Immigration Enforcement Purposes." Additionally, new policy includes list of actions that district staff are prohibited from undertaking, unless an exception applies, related to (1) citizenship or immigration status of a student or the student's family members, (2) education records of or any information about a student or a student's family or household, (3) personnel records, personal information, or any other confidential information of an employee, and (4) permission to an officer or employee of an agency conducting immigration enforcement to enter a school bus or other transportation provided by the district, a nonpublic

area of any district property or facility, or a nonpublic area where any district-sponsored program or activity is occurring. In addition, new policy reiterates the prohibition against obstructing, interfering with, or otherwise impeding an officer or employee of an agency conducting immigration enforcement who nonetheless enters district-provided transportation, a nonpublic area of any district property or facility, or a nonpublic area where any district-sponsored program or activity is occurring. New policy also includes that (1) the Superintendent or designee is required to report to the Governing Board any requests by an officer or employee of an agency conducting certain immigration enforcement actions, (2) students may not be denied equal rights and opportunities, or be subjected to unlawful discrimination, harassment, intimidation, or bullying in the district's programs and activities on the basis of the student's or family's immigration status or for the refusal to provide information related to the student's or family's immigration status, (3) resources and data collected by the district are prohibited from being used to compile a list, registry, or database of individuals based on national origin, immigration status, religion, or other category of individual characteristics protected against unlawful discrimination, and (4) the Superintendent or designee is required to provide parents/guardians with specified information and notifications related to immigration status or religious beliefs and their rights related to immigration enforcement. Additionally, new policy provides that complaints alleging discrimination, harassment, intimidation, and bullying based on actual or perceived immigration status be filed in accordance with Board Policy/Administrative Regulation 1312.3 - Uniform Complaint Procedures and that the Superintendent or designee provide to the California Department of Education copies of this policy, any associated administrative regulation, and any other Board policies and administrative regulations required by Education Code 234.7.

NEW - **Administrative Regulation 1445 - Response to Immigration Enforcement**

New regulation includes a significant amount of material that was formerly in Board Policy/Administrative Regulation 5145.13 - Response to Immigration Enforcement, and addresses a district's response to immigration enforcement including **NEW LAW (AB 495, 2025)** which requires districts to update their policies by March 1, 2026, with language that is equivalent to the model policy language developed by the California Attorney General in, "Promoting a Safe and Secure Learning Environment for All: Guidance and Model Policies to Assist California's K-12 Schools in Responding to Requests for Access and Information for Immigration Enforcement Purposes." Additionally, new regulation provides direction on responding to (1) requests by an officer or employee of an agency conducting immigration enforcement for information about a student, a student's family or household, or a district employee, (2) requests by an officer or employee of an agency conducting immigration enforcement for access to a student or permission to enter a school bus, any other transportation provided by the district, a nonpublic area of any district property or facility, or a nonpublic area where any district-sponsored program or activity is occurring, (3) immigration enforcement when any officer or employee of an agency conducting immigration enforcement is actually or imminently present on district property, and (4) instances when a student's parent/guardian has been detained by an agency conducting immigration enforcement or deported.

Board Policy 5125 - Student Records

Policy updated to provide that an individual's immigration status may only be disclosed in accordance with Board Policy/Administrative Regulation 1445 - Response to Immigration Enforcement, with applicable material from this policy moved to/already contained within Board Policy/Administrative Regulation 1445.

Administrative Regulation 5125 - Student Records

Regulation updated to define "district officials and employees," and, for accuracy, to use this term, rather than "school officials and employees." Additionally, regulation updated to reference **NEW LAW (AB 495, 2025)** which (1) requires districts to update their policies by March 1, 2026, with language that is equivalent to the model policy language developed by the California Attorney General in, "Promoting a Safe and Secure Learning Environment for All: Guidance and Model Policies to Assist California's K-12 Schools in Responding to Requests for Access and Information for Immigration Enforcement Purposes," and (2) changes the definition of "relative", for purposes of a Caregiver's Authorization Affidavit, to include any adult who is related to the child by blood, adoption, or affinity within the fifth degree of kinship, including all stepparents, stepsiblings, and all relatives whose status is preceded by the words "great," "great-great," or "grand." In addition, regulation updated to (1) add that a request for student records by an officer or employee of an agency conducting immigration enforcement be denied except in accordance with Board

Policy/Administrative Regulation 1445 - Response to Immigration Enforcement, and (2) clarify that the annual parent/guardian notification includes a statement that a student's citizenship status, immigration status, place of birth, or any other information indicating national origin will only be released in accordance with Board Policy/Administrative Regulation 1445 - Response to Immigration Enforcement.

Board Policy 5125.1 - Release of Directory Information

Policy reviewed due to **NEW LAW (AB 495, 2025)** which requires districts to update their policies by March 1, 2026, with language that is equivalent to the model policy language developed by the California Attorney General in, "Promoting a Safe and Secure Learning Environment for All: Guidance and Model Policies to Assist California's K-12 Schools in Responding to Requests for Access and Information for Immigration Enforcement Purposes."

Administrative Regulation 5125.1 - Release of Directory Information

Regulation reviewed due to **NEW LAW (AB 495, 2025)** which requires districts to update their policies by March 1, 2026, with language that is equivalent to the model policy language developed by the California Attorney General in, "Promoting a Safe and Secure Learning Environment for All: Guidance and Model Policies to Assist California's K-12 Schools in Responding to Requests for Access and Information for Immigration Enforcement Purposes." Additionally, regulation updated to reflect **NEW LAW (AB 677, 2025)** which provides an exception to the consent requirement for release of directory information for a student experiencing homelessness by authorizing disclosure to facilitate an eye examination by a nonprofit eye examination provider or a free oral health assessment hosted by a school, unless consent is not given to the physical examination.

Exhibit(1) 5125.1 - Release of Directory Information

Exhibit updated due to **NEW LAW (AB 495, 2025)** which requires districts to update their policies by March 1, 2026, with language that is equivalent to the model policy language developed by the California Attorney General in, "Promoting a Safe and Secure Learning Environment for All: Guidance and Model Policies to Assist California's K-12 Schools in Responding to Requests for Access and Information for Immigration Enforcement Purposes."

DELETE - **Board Policy 5145.13 - Response to Immigration Enforcement**

Policy deleted, as being too narrowly focused on students given **NEW LAW (AB 495, 2025)** which expands requirement to develop policies in response to immigration enforce to encompass protections for staff, with significant amount of material added to new Board Policy 1445 - Response to Immigration Enforcement.

DELETE - **Administrative Regulation 5145.13 - Response to Immigration Enforcement**

Regulation deleted, as being too narrowly focused on students given **NEW LAW (AB 495, 2025)** which expands requirement to develop policies in response to immigration enforce to encompass protections for staff, with significant amount of material added to new Administrative Regulation 1445 - Response to Immigration Enforcement.

GUSTINE UNIFIED SCHOOL DISTRICT

Meeting of the Board of Trustees
MEETING DATE:
February 10, 2026

AGENDA ITEM TITLE: Out of State Travel Request to Attend the Accelerated Ed Community Convening in Columbus, Ohio

AGENDA SECTION: Action

PRESENTED BY: Dr. Bryan Ballenger, Superintendent

RECOMMENDATION:
It is recommended that the Board of Trustees approve the Out of State Travel Request to Attend the Accelerated Ed Community Convening in Columbus, Ohio.

SUMMARY:
UC Merced's Center for Educational Partnerships was invited to apply for a Gates Foundation grant focused on advancing innovative educational practices through university–district partnerships. As part of this grant, UC Merced is collaborating with three Central Valley school districts. Gustine Unified School District was selected as one of the participating districts in this Gates Foundation–supported initiative.

As a condition of the grant and partnership, my attendance at the *Accelerate Ed Community Convening* in Columbus, Ohio has been formally requested by the Gates Foundation. The conference will take place March 3–5, with travel on March 2 and March 6.

The purpose of attending this convening is to engage in collaborative learning with national education leaders, researchers, funders, and partner districts. The conference will focus on accelerating educational improvement through evidence-based strategies, cross-sector collaboration, and innovative approaches to teaching, learning, and systems improvement. Participation will provide opportunities to:

- Learn about national best practices and research-aligned strategies supported by the Gates Foundation.
- Collaborate with peer districts and higher-education partners on grant implementation and continuous improvement efforts.
- Strengthen district capacity to implement grant-aligned initiatives that support student achievement, equity, and postsecondary readiness.
- Bring back insights and strategies that can inform district planning, instructional improvement, and future partnerships.

All conference registration fees, airfare, lodging, and most meals are fully funded by the Gates Foundation. Meals on March 2 and March 6, which are travel days, are not covered by the foundation and would be the only expenses incurred by the district.

FISCAL IMPACT: $100.00

BUDGET CATEGORY: General Fund

Accelerate ED

Accelerate ED Community Convening

March 3-5, 2026

Hilton Columbus Downtown

Columbus, Ohio

We will conduct all sessions in Eastern Time (ET). Business casual attire is appropriate for all activities—think comfortable yet professional dress that allows you to move easily between interactive sessions. We recommend bringing layers as conference room temperatures can fluctuate throughout the day. Our team will share all presentations and resources within one week of the convening.

Convening Objectives

- *Explore strategies for maintaining pathway quality and coherent integration while expanding reach, by examining how to preserve critical interconnections between pathway components so that integration strengthens rather than fragments during scale-up.*
- *Examine models for building sustainable infrastructure that supports pathway implementation beyond transactional relationships. Focus on systems and structures that strengthen rather than silo pathway components, including: shared data systems, coordinated advising across K-12 and postsecondary, employer partnerships that span multiple pathway elements, and intermediary organizations that facilitate cross-sector collaboration.*
- *Build intentional relationships within the Accelerate ED and broader pathways communities, and share innovations, challenges, and lessons learned across states and regions to accelerate collective learning and problem-solving.*

Convening Agenda

March 3, 2026

There will be several pre-conference sessions held for participants actively engaged in specific initiatives. If you are involved in one of these areas, you will already be aware of your participation. Registration for these sessions is limited to those actively engaged in this work. Participants should plan to travel in time to attend the full session.

12:00-1:00 pm — **Lunch for Attendees Participating in a Pre-Meeting**

1:00-5:00 pm — **Pre-Conference Sessions Taking Place**

- Commission on Purposeful Pathways
- Gates Pathways Grantee Meetings
  - Innovative Delivery Models (IDM)
  - California Priority Regions
  - Texas Priority Regions
  - Pathways Washington Horizon Site

5:00 pm **Registration opens**

5:30-7:30 pm **Reception with Heavy Hors d'oeuvres**
Join us for an evening reception upon arriving in Columbus. This will be a casual event where colleagues can enjoy food and drink, hear brief welcome remarks, and have the opportunity to begin meeting peers from teams across the country. This informal gathering creates space to reconnect with familiar faces and forge new relationships that will enrich your convening experience.

It is our intent to honor all dietary preferences and accommodate all allergies and restrictions each time food is served. Please see the food labels or ask our staff for assistance at any time.

March 4, 2026

7:30 am **Registration opens**

7:30-8:30 am **Breakfast**
Enjoy breakfast and join a themed table to meet colleagues from across the network and jumpstart meaningful conversations.

8:30-9:15 am **Opening Session and Community Builder**
The session will begin with a review of our community agreements and recent progress within the Accelerate ED network. Participants will engage in a reflective activity to set intentions for the convening designed to help you leave Columbus with concrete commitments and collaborative relationships to support your ongoing work.

EdTalk
We are excited to lift up and celebrate the expertise of leaders from within our Accelerate ED community. Over the two days, you will hear high impact stories and allow yourself to be challenged to think about what's possible. Each EdTalk is designed to inspire, provoke new thinking, and offer practical insights you can adapt to your own context. We are deeply grateful for the time and effort that has gone into preparing for this experience.

9:15-10:15 am **Commission on Purposeful Pathways**
Hear from representatives from the Commission as they discuss their key findings and recommendations. This session will unpack what high-quality pathways look like in practice, the conditions necessary for sustainable scale, and how your work connects to national momentum.

10:15-10:30 am **Snack Break and Transition Time**

10:30-11:30 am **Breakout Sessions: Quality & Integration**

Each round of breakout sessions is organized around a theme to deepen your learning. We encourage teams to divide and conquer. Each session will start with a connector to help build a shared understanding of who is in the space with you. These sessions provide space to lift up lessons learned, share challenges, and ask questions. Please come prepared to engage and share.

11:30-11:45 am	**Snack Break and Transition Time**
11:45-12:45 pm	**Breakout Sessions: Infrastructure & Sustainability**
12:45-1:45 pm	**Lunch** Location
1:45-3:00 pm	**Plenary: Advancing Coherent High-Quality Pathways** EdTalk
3:00-3:15 pm	**Snack Break and Transition Time**
3:15-5:00 pm	**Site Team Time & Pathways Impact Fund Grantee Time** This is your time to make the most of being together in person. Whether you need to debrief today's sessions, address a specific challenge you're facing, plan next steps, or coordinate with other teams from your state or region—this space is yours. Use this time to tackle pressing challenges, align on priorities, process key learnings, or develop concrete action steps for advancing your work back home. We'll provide optional protocols and planning tools to support your team's work—from action planning templates to problem-solving frameworks to systems mapping exercises. Choose the approach that will deliver the most value for your context and current needs. For states with multiple teams present, this is a valuable opportunity to coordinate efforts and ensure regional alignment. Our team will be available throughout the session to circulate, answer questions, and offer guidance. Dedicated meeting spaces will be provided.
5:15-6:00 pm	**Break**
6:00-9:00 pm	**Dinner and Evening Activities** Join colleagues for a relaxed evening of networking and fun. There will be plenty of opportunities for both friendly competition and casual conversation. Dinner and refreshments will be served throughout the evening.

March 5, 2026

6:30 am	***Optional Walk or Run*** We welcome you to meet in the lobby to join us for an optional walk or run. Accelerate ED team members will lead an optional 45 minute walk and a ~3 mile run.

7:30-8:30 am	**Breakfast** Enjoy breakfast with colleagues who work in similar roles or for similar types of organizations - K-12 leaders in districts, K-12 leaders at the state level, intermediaries, postsecondary campus leaders, postsecondary system leaders, workforce or business organizations and youth serving organizations.
8:30-9:00 am	**Opening Reflections and Community Connections** EdTalk
9:00-9:45 am	Hear from Ohio Leaders We will hear from a cross-section panel of leaders in Ohio to learn more about their story of recent progress designing and expanding access to high quality pathways. This conversation will highlight both breakthroughs and setbacks, offering authentic insights into what it takes to build pathways momentum at scale. Expect practical lessons, honest reflections, and inspiration for what's possible when sectors align around student success. EdTalk
9:45-10:00 am	**Transition Time**
10:00-11:00 am	**Breakout Sessions: Reach & Access**
11:00-11:30 am	**Networking Break** Use this extended break to connect with colleagues whose work resonates with yours, exchange contact information, and schedule follow-up conversations. Consider scanning the QR code on the back of name tags to gather information from partners you'd like to stay connected with beyond the convening.
11:30-1:00 pm	**Cross-Site Team Connections** This learning session offers a structured protocol designed to surface patterns, innovations, and persistent challenges. Teams will be organized into small groups in the breakout rooms to maximize learning and idea sharing across different sites and contexts. This process is intended to foster connections and help teams gather diverse perspectives and strategies.
1:00-2:30 pm	**Lunch Plenary: Looking Ahead Future Directions and Opportunities**
2:30 pm	***Safe travels home***

GUSTINE UNIFIED SCHOOL DISTRICT

Meeting of the Board of Trustees
MEETING DATE:
February 10, 2026

AGENDA ITEM TITLE: Heat Pump Replacement-Middle School Library

AGENDA SECTION: Action

PRESENTED BY: Barry Roche, Maintenance Director

RECOMMENDATION:
It is recommended that the Board of Trustees approve the replacement of the heat pump at Middle School Library.

SUMMARY:
The existing heat pump serving the middle school library has failed and is no longer operating. The unit is beyond its expected service life, replacement parts are no longer readily available, and repair is not considered cost-effective.

The library is a high-use instructional space. Loss of heating and cooling impacts student comfort, staff working conditions, and the ability to fully utilize the space during school hours.

Staff recommends replacement of the failed heat pump with a new, high-efficiency unit sized appropriately for the space.

GUSTINE UNIFIED SCHOOL DISTRICT
Meeting of the Board of Trustees
MEETING DATE:
February 10, 2026

AGENDA ITEM TITLE: Gustine High School 2026 Prom

PRESENTED BY: Adam Cano - GHS Principal

RECOMMENDATIONS:
It is recommended that the Board of Trustees approve the Gustine High School 2026 Prom to be held on the LUXE Cruises line departing from Alameda, Ca

SUMMARY:
Gustine High School is requesting approval to host the 2026 Prom on a yacht in Alameda, California, on Saturday, May 9, 2026. This event is open to juniors and seniors and will be held through LUXE Cruises.

Students will report to Gustine High School at 3:30 p.m. on May 9 to board a Storer Coachways charter bus for transportation to Alameda, CA. Boarding of the yacht will begin at 5:45 p.m.

The cruise will include dinner, dessert, a DJ, and photography, and will conclude at 10:00 p.m. Following the event, students will return to GHS via charter bus, with an estimated arrival time of 12:00 a.m.

Food allergies and dietary concerns have been communicated to students in advance via the school's social media channels.

Students may be transported to the event by a family member or relative 25 years of age or older who is listed on the student's emergency contact list, provided a completed non-transportation form is submitted and approved.

All students attending prom must be in good academic, attendance, and behavioral standing. A signed student contract will be required to verify eligibility prior to the event.

FISCAL IMPACT: Undetermined at this time

BUDGET CATEGORY: GHS ASB Fund

Meeting of the Board of Trustees
MEETING DATE:
February 10, 2026

AGENDA ITEM TITLE: Surplus Outdated Textbooks and Library Books

AGENDA SECTION: Action

PRESENTED BY: Kim Medeiros, Director of Curriculum and Instruction

RECOMMENDATIONS:
It is recommended that the Board of Trustees approve the Surplus of Outdated Textbooks and Library Books.

SUMMARY:
The site libraries are also updating and weeding school libraries and removing outdated and books in poor condition. This attached list is from December-January 2025.

Board Policy BP 3260 states: The Governing Board recognizes its fiscal responsibility to maximize the use of district equipment, supplies, instructional materials, and other personal property while providing up-to-date resources that facilitate student learning and effective district operations. When the Board, upon recommendation of the Superintendent or designee, declares any district-owned personal property unusable, obsolete, or no longer needed, the Board shall determine the estimated value of the property and shall decide whether the property will be donated, sold, or otherwise disposed of as prescribed by law and administrative regulation.

Surplus Materials					
Grade	Title	ISBN #	Total Number	Value/item	Total value
K-5	Miscellaneous Library Books (list attached of known books)	Various	811	$0.50	$405.50
		Total	811		$405.50

The district would like to donate or the surplus library books to students or discard depending on condition.

A copy of the surplus list is distributed electronically. Hard copies are available at the District Office.

AT-RISK STUDENTS™ CONFERENCE

NEW YORK | ORLANDO | NASHVILLE
LAS VEGAS | SAN ANTONIO

The At-Risk Students Conference focuses on evidence-based programs and strategies to prevent dropouts and to help students succeed. More than 1.2 million students in the United States and Canada drop out of high school each year – with males, low-income and minority students disproportionately impacted. While the full impact is not yet known, the Covid Crisis almost certainly made those numbers skyrocket. This conference provides valuable insights for reaching those students who are most vulnerable, and those whom early studies indicate were most negatively affected by the pandemic.

SOCIAL-EMOTIONAL LEARNING™ FORUM

NEW YORK | LAS VEGAS

Truly effective schools not only help students pass their academic exams and state-mandated tests, but also prepare those students to pass the tests of life. Ironically, research shows that helping young people manage their emotions and build positive relationships not only prepares them for "real life," but also helps them succeed academically. The Social-Emotional Learning Forum focuses on research-based and classroom-originated interventions, lessons and curriculums that help students manage their emotions, achieve goals, express heart-felt empathy for others, maintain positive relationships and make successful personal decisions.

SCHOOL DISCIPLINE℠ CONFERENCE

LAS VEGAS | SAN ANTONIO

The discussion around school discipline can be polarizing. On one hand, advocacy groups and those committed to fairness are rightly disturbed that minority students are often expelled at three to four times the rate of their white peers. On the other hand, teachers and parents are deeply concerned about creating an out-of-control, even unsafe, environment where students can do as they please – without any real concern for consequences. But almost everyone agrees that students need to be in class in order to succeed academically, and that suspensions and expulsions should be as rare as possible. And almost everyone agrees that student and educator safety should be top priority.

SCHOOL CLIMATE & CULTURE FORUM

NEW YORK | NASHVILLE

Scholars struggle to define and distinguish the terms, but educators agree on the need to transform both "climate" and "culture" to improve academic outcomes. This event highlights practical, real-world initiatives that are successfully transforming the character and personality of schools with particular focus on equity and recovering from the Covid Crisis. It showcases programs, assessments and tools proven to improve school culture and climate. Evidence-based and research-based interventions will be introduced, while the forum also highlights high-potential efforts currently being implemented in everyday school life.

AGENDA SECTION: Action

PRESENTED BY: Dr. Bryan Ballenger, Superintendent

RECOMMENDATIONS:
It is recommended that the Board of Trustees approve the Ratification of GUSD/GRTA Tentative Agreement for the 2024-2025 and 2025-2026 School Years.

SUMMARY:
Enclosed is the GUSD/GRTA Tentative Agreement, which completes bargaining unit negotiations for the 2024-2025 and 2025-2026 school years. Board action is needed to ratify this agreement.

FISCAL IMPACT: Approximately $237,199 for the 24-25 and 25-26 School Years

BUDGET CATEGORY: LCFF and Other Programs as Appropriate

THE GUSTINE UNIFIED SCHOOL DISTRICT (DISTRICT) AND THE GUSTINE-ROMERO TEACHERS ASSOCIATION (GRTA) RE 2024-2025 AND 2025-2026 REOPENER CONTRACT NEGOTIATIONS

TENTATIVE AGREEMENT

January 28, 2026

The Gustine Unified School District and the Gustine-Romero Teachers Association enter into this Tentative Agreement on January 28, 2026 to conclude negotiations for the 2024-2025 and 2025-2026 school years, subject to ratification by the Association's membership and approval by the District's Board of Trustees. The Association and District teams agree they will actively support approval of this Tentative Agreement. The Parties agree as follows:

1. Article X – Leaves:

Modify Article X – Leaves as follows:

10.1.3 It is the responsibility of Unit members to report all absences, including sick leave and leaves as described in sections 10.2 and 10.3 below, on the absence management system prior to the beginning of the absence or as soon as practicable, but no later than 7:00 A.M. on the day of absence. For reasons for which prior approval is required, the unit member shall request the time off by giving at least three workdays advanced notice in writing to his/her supervisor. The failure to provide such notice and appropriate reason for the absence, and/or the late notice may be grounds for denial of leave with pay.

[New] 10.2.1.3 Family-School Partnership: Pursuant to Labor Code §230.8, a unit member who is a parent, guardian, stepparent, foster parent, grandparent, or person standing in loco parentis to a child enrolled in grades K–12 or a licensed child care provider may take up to forty (40) hours each school year, not exceeding eight (8) hours in any calendar month, to participate in the activities of the school or licensed child care facility of their child.

[New] 10.2.1.3.1 The unit member must use personal necessity leave if available, or if personal necessity is unavailable, the employee may use unpaid leave for this purpose. Employee shall indicate in writing on the request the purpose for the leave and refer to Family- School Partnership. No employee shall be subject to retaliation or discrimination for exercising rights under this section.

10.2.1.2 Reasons for which prior approval is required: To attend to legal matters, but not as a litigant (Education Code Section 44036), to use Family-School Partnership leave pursuant to Labor Code §230.8, or to any matters affecting the well-being of the employee or a member of his/her immediate family. "Well-being" shall not include any of the following: . . .

10.2.2 Notwithstanding the above restrictions, an employee may elect to use one (1) day of sick leave per year at his/her discretion provided that at least ~~two (2)~~three (3) days' advanced written notice is given and a substitute is available. This day of leave shall not be used for the purpose of work stoppage.

10.3 The employee's election to use his/her sick leave for personal necessity requiring prior approval shall be indicated in writing giving the reason the absence will be necessary. The employee's application to use sick leave for the purposes listed above must be received not less than ~~two (2)~~ three (3) working days prior to the desired absence. The application and must clearly indicate that it is desired to have the absence charged against his/her sick leave. All Personal Necessity Leave is to be charged to the individual employee's sick leave and shall not total more than seven (7) days a year. ~~The District will supply the application form.~~ If Personal Necessity Leave is not approved by a site administrator, the employee will report to duty.

[The remainder of the Article shall stay status quo]

2. Article XII Class Size:

Article shall stay status quo. GRTA agrees to withdraw its proposal dated November 3, 2025 and defers any continued bargaining on this subject to the 2026-2027 bargaining cycle.

***3.* Teacher Safety Article XIII**

Modify Article XIII– Teacher Safety as follows:

13.5 A teacher may suspend any pupil from his/her class for the day and the day following for good cause. The teacher shall notify the parent of the suspension and the reason for the suspension via a phone call, if the parent does not answer, the teacher shall make contact via another means of contact (e.g. letter home, email contact, etc.). He/she shall report the suspension and the reason for suspension to his/her principal; and send the student to the principal for appropriate action. "Good cause" is limited to the offenses enumerated in Section 48900 of the Education Code.

. . .

[new] 13.8 Incident Tracking and Reporting of Threats of Violence and Assaults

13.8.1 The District has established and will maintains a system for documenting and tracking all incidents of workplace violence and threats of workplace violence as defined in the Workplace Violence Prevention Plan pursuant to the Workplace Violence Prevention Plan. The Workplace Violence Prevention Plan will be provided to all Unit Members via the website and in a paper copy upon request.

13.8.2 Bargaining unit members shall have the right to report any incident of assault, attack, or threat without fear of retaliation. Upon receipt of a report, the District shall follow the Workplace Violence Prevention Plan. The administrator taking the report shall provide information about Workers Compensation, available and applicable leaves, and/or the Employee Assistance Plan (EAP).

[The remainder of the Article shall stay status quo]

4. Article XXI- Salaries and Article XXII- Fringe Benefits.

For 2025-2026, the base salary schedule for current members of the bargaining unit shall be increased by 2% retroactive to July 1, 2025. No increase to stipends. The retroactive payment will be paid on March 31, 2026.

For 2025-2026, the District will add $500 to the District's Health CAP cost (currently $14,500 annually, to increase it to $15,000 annually) effective Feburary27, 2026.

5. Article XXII Extra Duties:

Modify Article XXII – Extra Duties as follows:

~~23.2.2.3 On a trial basis, and for the 2017-2018, 2018-2019 school years only, teachers may, at their own diseretion, accept compensatory time off in lieu of payment for services rendered as a substitute under Article XXIII. Compensatory time may be used in lieu of any category of sick leave. For each substitute assignment, the compensatory time would be a reverse calculation of the daily rate for that individual. For example, if a 3rd grade teacher takes 1/3 of a classroom for a day, he/she would be compensated 1/3 of a compensatory day. If the teacher took ¼ of the class for the day, then he/she would be compensated ¼ of a compensatory day. A departmentalized teacher would earn compensatory time at a rate of 1/6 of a day for each period subbed. Use of compensatory time shall be subject to prior approval by the site administrator. If unit members' compensatory days are not used by the end of the school year, each compensatory day, or fraction thereof, shall be purchased from the unit member at the daily substitute teacher rate.~~

23.2.6 The Gustine Unified School District and the Gustine-Romero Teachers Association agree to create up to (23) positions as Instructional Team Leader which duties and responsibilities are described in the job description attached. Instructional Team Leaders will be filled by regular contractual procedure for posting and filing certificated stipends positions. The Instructional Team Leader will earn an annual stipend of $650, earning $65 per month for 10 months or pro-rated if worked less than 10 months. Payment will be made by June 30. Instructional Team leaders may work approximately 2 hours outside their working hours. Positions per site are as followed:

Gustine Elementary School: (6)
Romero Elementary School: (3)
Gustine Middle School: (5)
Gustine High School: (7)
Special Education district-wide: (1)
PE Health district-wide: (1).

23.2.6 to expire June 30, 2026.

[The remainder of the Article shall stay status quo]

6. Article IV Association Rights:

Modify Article IV - Association Rights as follows:

4.3 Association Business

4.3.1 Authorized representatives of the Association shall be permitted to transact official Association business on school property when not assigned student contact duties. [status quo]

4.6 Release Time for Association Business

4.6.1 The exclusive representative (president or his/her designee) shall have up to a maximum of fifteen (15) days for Association business at the Association's expense with the following provisions: [status quo]

4.6.1.1 The request must be submitted in writing **with five (5) days' notice.** Approval is subject to the availability of substitutes. ~~Notice shorter if certificated substitutes can be found.~~ 48 hours' notice of a visit to a site must also be provided to the site Principal. Notice to the site principal must include notice of the anticipated arrival and estimated departure time.

4.6.1.2 All Association representatives must be designated by the Association president in writing. The list will be provided by September 15th of the school year.

4.6.1.4 No more than five (5) Association representatives are to be released on any one (1) given duty day.

[New] 4.6.1.6 This maximum of 15 days for Association business shall apply regardless of funding source, including grants or other means of funding, unless notice is provided upon application for a grant or the other means of funding. The parties agree to meet and negotiate an MOU if more than 15 days are needed for association business prior to a grant or other means of funding being implemented.

[The remainder of the Article shall stay status quo]

7. Title VII Teacher Evaluation

Modify Article VII – Teacher Evaluation as follows:

7.11 The District Agrees to form an Ad Hoc Committee to make changes in the Teacher Evaluation Process. The committee will consist of four (4) teachers and four (4) members from the District (In the event of a tie 4-4 regarding the final product that is to be implemented, the Superintendent will break those ties if necessary. The report and recommendation must be presented to the District Office for implementation no later than ~~9.15.15~~June 30, 2026.

The committee will make the new Teacher Evaluation Format which may include using local or standardized test scores as part of the evaluative process. Other exemplaries will also be considered by the committee.

The committee will include the forms an evaluation standard for California Standards for the Teaching Profession (CSTP), as revised in 2024, including:

CSTP 1: Engaging and Supporting All Students in Learning Teachers apply knowledge about each student to activate an approach to learning that strengthens and reinforces each student's participation, engagement, connection, and sense of belonging.

CSTP 2: Creating and Maintaining Effective Environments for Student Learning Teachers create and uphold a safe, caring, and intellectually stimulating learning environment that affirms student agency, voice, identity, and development and promotes equity and inclusivity.

CSTP 3: Understanding and Organizing Subject Matter for Student Learning Teachers integrate content, processes, materials, and resources into a coherent, culturally relevant, and equitable curriculum that engages and challenges learners to develop the academic and social–emotional knowledge and skills required to become competent and resourceful learners.

CSTP 4: Planning Instruction and Designing Learning Experiences for All Students Teachers set a purposeful direction for instruction and learning activities, intentionally planning, and enacting challenging and relevant learning experiences that foster each student's academic and social–emotional development.

CSTP 5: Assessing Students for Learning Teachers employ equitable assessment practices to help identify students' interests and abilities, to reveal what students know and can do, and to determine what they need to learn. Teachers use that information to advance and monitor student progress as well as to guide teachers' and students' actions to improve learning experiences and outcomes.
CSTP 6: Developing as a Professional Educator Teachers develop as effective and caring professional educators by engaging in relevant and high-quality professional learning experiences that increase their teaching capacity, leadership development, and personal well-being. Doing so enables teachers to support each student to learn and thrive
The 2025 Continuum of Teaching Practice is aligned with the CSTP, builds on California's pre-service Teaching Performance Expectations and sets forth a description of teaching that respects the diverse ways teachers pursue excellence in teaching and learning. The Continuum of Teaching Practice is a tool for self-refection, goal setting, and inquiry into practice. It provides common language about teaching and learning and can be used to promote professional growth within an environment of collegial support.

The Committee shall also include the descriptions of Developmental Levels including:
Level 1: Emerging
Level 2: Exploring
Level 3: Applying
Level 4: Integrating
Level 5: Innovating

[The remainder of the Article shall stay status quo]

8. **Article XIV – Teacher's Work year:**

Article shall stay status quo. The District agrees to withdraw its proposal dated November 3, 2025 and defers any continued bargaining on this subject to the 2026-2027 bargaining cycle.

9. **Article XXIV- Peer Assistance and Peer Review (PAR)**

Modify XXIV - Peer Assistance and Peer Review (PAR) as follows:

The Gustine-Romero Teachers Association and the Gustine Unified School District are continuously striving to provide the highest possible quality of education. In order for students to succeed in learning, teachers must succeed in teaching. Therefore, the parties agree to cooperate in the design and implementation of programs to improve the quality of instruction through expanded and improved professional development and peer assistance. Teachers referred to or who volunteer for the program are viewed as valuable professionals who deserve to have the best resources available provided to them in the interest of improving performance to a successful standard. Article XXIV (Peer Assistance and Peer Review (PAR)) applies to Counselors.

24.1 Joint Committee (JC)

24.1.1 The Joint Committee shall consist of five (5) members, three (3) of whom shall be certificated classroom teachers who are selected by classroom teachers in a process supervised by the Association. The members selected by the Association must have been with the District for at least ten (10) years and cannot have been referred to PAR within the previous seven (7) years. The ~~District~~Superintendent shall choose two (2) of its representatives of the Joint Committee.

24.1.3.3 Selecting the panel of Consulting Teachers. The pool for the panel of Consulting Teachers must be larger than the number of Consulting Teachers needed.

[NEW] 24.3.14 Teachers participating as Consulting Teachers in the PAR program will be compensated with an annual stipend of $2,000 paid on June 30th.

The Parties agree that all other articles remain shall stay status quo and in full force and effect during the term of the collective bargaining agreement. The above settles negotiations on reopeners to the existing agreement which extends to June 30, 2026.

AGENDA ITEM TITLE: Articulating Boom Lift Purchase

AGENDA SECTION: Action

PRESENTED BY: Barry Roche, Maintenance Director

RECOMMENDATION:
It is recommended that the Board of Trustees approve the purchase of one articulating boom lift for use by the Facilities and Maintenance Department.

SUMMARY:
District maintenance activities regularly require safe access to elevated and hard to reach areas. These needs are currently addressed through equipment rentals or alternative methods. An articulating boom lift provides safe, efficient access for routine maintenance across multiple sites. Ownership will reduce rental dependence, improve scheduling flexibility, and support timely completion of work. Staff will be trained in proper operation and safety procedures.
Approval of this purchase will enhance employee safety, and reduce long-term cost to the district.
