Metacomet Parent Newsletter

OCTOBER 26, 2026

PRINCIPAL MESSAGE:

Dear Metacomet Families,

Parent-teacher conferences are right around the corner on October 28, 29, and 30 (note: these are early release days with dismissal at 1:25 PM). These meetings are a wonderful opportunity to connect with your child's teacher, review their progress, and collaborate to support their growth throughout the school year.

To help you get the most out of your conference, here are a few suggested questions you might want to ask:

Academic Progress & Goals

- **What are my child's strengths in reading, math, and other subjects?**
- **What specific skills or concepts is my child working to master right now?**
- **What does academic progress look like for my child's grade level?**

Social & Classroom Engagement

- **How is my child adjusting socially and interacting with peers?**
- **How does my child participate and stay focused during classroom learning?**
- **What are my child's favorite activities or subjects during the school day?**

Partnering at Home

- **What can we do at home to reinforce what my child is learning in class?**
- **Are there specific reading habits or math practice routines you recommend?**
- **What is the best way for us to stay in touch throughout the school year?**

We look forward to seeing you at conferences and continuing our partnership to support your child's success!

Parents: Please do not send your child into school with medicine. In order for us to administer any type of medication, we must have a doctor note. Thank you!
