

VOTE SEPTEMBER 16

It's more than building maintenance, it's about enhancing and expanding our facilities to preserve the high-quality education that defines Clark.

New playgrounds at both elementary schools would create updated spaces for the entire community to enjoy.

Roof
Replacements
59%

Improvements would benefit students at all four schools:

- Ensuring our school buildings are well-maintained.
 - Roof replacements and phone system upgrades at ALJ, CHK, FKH, and VRS
 - Fire alarm upgrades at CHK and VRS
 - Hallway floor replacements at VRS
 - Canopy and sidewalk renovations at CHK
- Generating space at both our elementary schools to relieve overcrowding.
 - New playgrounds at FKH and VRS
 - Addition at FKH to open up space for specialized classrooms at FKH and VRS and house new pre-k program
 - Parking lot renovations at FKH and VRS

VOTE SEPTEMBER 16

Cast your ballot and make your voice heard!

Persistent roof leaks disrupt learning and require costly repairs.

The Board and district administration chose this strategy to:

- Generate **upfront funding** to improve our schools.
- See upgrades in just a few years while having the cost of the projects spread over time.
- Access **\$8.8 million in state aid**, which can be unlocked through a voter-approved bond referendum.

A COMMUNITY INVESTMENT

The tax impact for the September 16 referendum would *replace* the debt from a previous referendum. This would result in **NO ADDITIONAL school tax burden for residents.**

PROJECTS: \$34.8 MILLION

STATE AID: \$8.8 MILLION

Voter Deadlines

- **August 26** – Voter Registration due
- **September 9** – Vote by Mail Applications due (if mailed to county)
- **September 15** – Vote by Mail Applications due (if hand-delivered by 3pm)
- **September 16** – Vote (in-person or by mail)

**STRONGER.
SAFER.
SMARTER.**

**CLARK PUBLIC SCHOOLS
BOND REFERENDUM 2025**
