Virginia Preschool Initiative

VPI offers a FREE, high-quality preschool program for eligible young learners designed to help prepare them for success in kindergarten and beyond. Acceptance is based on eligibility criteria. Space is limited. We encourage all interested families to complete the application as soon as possible.

To be Eligible Child must:

- Be four (4) years old by September 30
- Applicant must live in Page County
- Family must meet eligibility requirements

Documents Required to Apply for VPI

- Parent/guardian's state-issued identification Child's original birth certificate
- Proof of income: previous year's W-2, or three (3) of your most recent pay stubs, or previous year's tax returns
- Proof of residency: deed, mortgage statement, or rental/lease agreement
- Proof of address: vehicle registration, utility bill, or tax statement
- Special Education Eligibility letter or current IEP - if the child has an IEP

Once accepted into the program, the child's immunization record and a current school entrance physical are required before child can start. After providing the required information, the parent(s)/guardian(s) will receive an email with specific directions to complete their child's application through the PowerSchool Parent Portal.
