Endeavour Elementary

PRINCIPAL:
Catherine Murphy

Grades: PK-6

Enrollment:
706

Mission: Building a legacy of success.
Vision: Teachers dedicated to academic excellence by planning clear, aligned learning targets, prioritizing differentiated instruction, utilizing high quality materials and fostering a culture of growth, engagement, and achievement for all. Teachers create an environment that empower students to thrive by implementing systems that support structure, maintaining high expectations, and holding students accountable.

Noteworthy

- **Certified UCF Community Partnership School** – Endeavour Elementary is one of only five schools in our State to have met the rigorous requirements for certification. In the community partnership model, core partners come together to meet the overall needs of the community.
- **Core partners include:** Brevard Public Schools, University of Central Florida, Eastern Florida State College, Brevard Health Alliance, City of Cocoa and the Children's Home Society.
- Only School in Brevard with a Brevard Health Alliance Pediatric Clinic onsite providing medical and dental services.
- Our HUB is the heartbeat of our Community Partnership School. Families have access to our Wellness Coordinator, Head Start Family Advocate, Family and Community Engagement Coordinator, and our Community Partnership Director.

Academic Excellence

- 2023-24 Endeavour had its highest test scores in 15 years!
- 2023-24 Endeavour increased our overall school grade by 101 points, earning a letter grade of a "C".
- Over 65% of Endeavour's students in the bottom quartile made learning gains in reading and math for the 2023-24 school year.
- In 2024, Endeavour was one of only 5 schools chosen throughout the state to receive a $50,000 grant from FPL to improve our STEM lab.

Special Programs or Activities

- **21st CCLC* –** Available to students in K-5. We offer 1.5 hours per day of academic support provided by certified teachers.
- **STEM Engagement Opportunities** - We provide our students with a variety of extracurricular STEM opportunities. Teams are formed yearly to compete in the Innovation Games: Shark Tank challenge, drone racing, underwater drone racing, and so much more! Other events include Destination Mars team, Girls in STEM, and Science Super Saturday program.
- **Saturday School-** we offer students additional academic instruction for Reading, Math, and Science. Students engage in a variety of creative tasks that enrich their learning.
- **Zoo School-** 5th grade students spend a week at the Brevard Zoo. Teachers provide instruction that is connected to activities and exploration of zoo exhibits.
- **Summer STREAM camp-** students spend their days exploring everything from robotics to gardening to yoga and more!

Describe the culture of Endeavour Elementary:

At Endeavour Elementary, we believe in the power of connection and community. As a Community Partnership School, our families and students have access to wrap around services designed to improve health, wellness, and academic achievement. We are dedicated to creating a culture of connection to ensure our students are successful and motivated to be the best learner they can be.
