February 12, 2026

Dear Eighth Grade Parent:

I am so excited that your eighth grader will be attending Ruston High School next year. It is a wonderful school with many great opportunities. You can trust that I will work very hard to help your freshman transition easily and find a way to be involved at school. I know that some of the students might be uncertain about the move to high school, but we go to great lengths to do everything possible to make our students comfortable.

There will be a parent meeting regarding RHS class registration in the auditorium of Ruston High School on Monday, March 2 at 6:00 p.m. I will review the registration process, graduation requirements, and explain the classes that your freshman may schedule. Information will be given about the options your student has within the Freshman Academy.

After the presentation, you will have the opportunity to see more of your child's new school and meet the ninth grade teachers. Eighth grade girls will visit RHS on Tuesday, March 3 and eighth grade boys will visit RHS on Wednesday, March 4. I will meet with all eighth grade classes the week of March 16-20 to explain and distribute registration material.

I look forward to meeting you and working with you and your Bearcat this spring!

Sincerely,

Kellye Ratcliff
