Dear Edgemere Military Family,

I am writing to introduce myself as the Principal of Edgemere International School. Our school is committed to supporting military families and youth. We are intensely aware of the unique struggles military families and students encounter, and we, here at Edgemere, work hard to provide the support that military families may need. Helpful information and resources are located on the Edgemere International website. We would also appreciate any input or feedback you may have, which would assist us in better serving our military families.

If you have any questions, please contact our campus Military Liaison, Ms. Jessica Doporto, at (915)434-4703. She is also the school counselor. In addition, you can contact Alejandrina Guardado at (915)282-0898, campus volunteer coordinator, if you are interested in volunteering as a parent at our campus.

Thank you so much for your service. We are honored that Edgemere is your school of choice. We look forward to offering the wonderful educational opportunities and experiences that come with being a student here. We strive to provide service excellence with every interaction.

Respectfully,

Maria A. Licon
Principal, Edgemere International School
