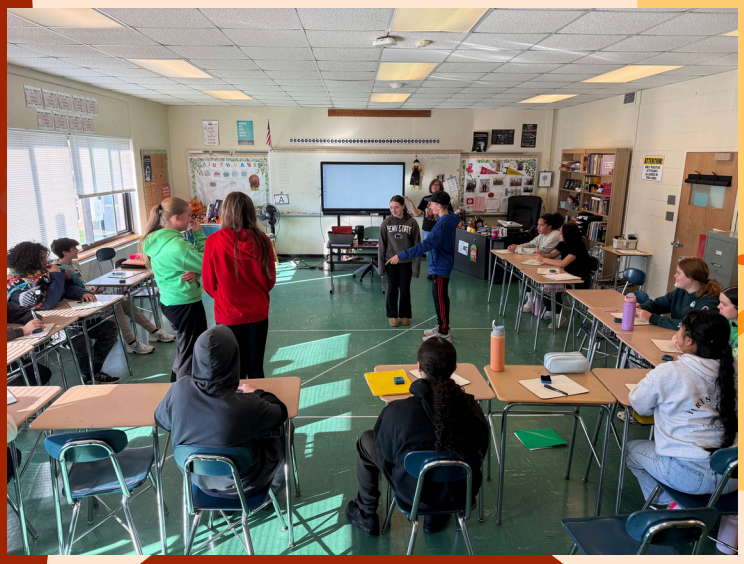
TAMARAC SECONDARY SCHOOL

NOVEMBER 20, 2026



Happy Thanksgiving

THE 8TH GRADE MATH CLASSES HAVE BEEN STUDYING A UNIT IN GEOMETRY. ON FRIDAY, TO REVIEW, THE CLASSROOM FLOOR WAS TURNED INTO PARALLEL LINES CUT BY A TRANSVERSAL. STUDENTS WERE ABLE TO STEP INTO THE DIAGRAM TO IDENTIFY ANGLE RELATIONSHIPS AND PRACTICE FINDING ANGLE MEASURES BASED ON THE DIAGRAM. THIS HANDS-ON APPROACH ALLOWED THE STUDENTS TO WORK TOGETHER AND MOVE AROUND THE ROOM TO GAIN A DEEPER VISUAL UNDERSTANDING OF THE CONCEPTS.
