Custodial Services RFP – Addendum 2

Contract Clarification

There is language in the RFP under Contract Requirements and references an attached Proposed Contract. I was not able to locate that document or see any other attachments if you can further clarify.

Please disregard "A Proposed Contract is Attached", on page 8, Contract Requirement. This was eliminated since we do not currently have contracted custodial services. It is our expectation that all other requested information is provided by the contractor, in order for the district to properly evaluate each proposal.

**As noted in the previous addendum, 1 original and 2 completed hard copies of the bid are required. Please disregard "1 pdf CD" in the schedule Checklist on page 11.
