Attendance Policy

East Peoria District 86 values the importance of students being present at school. Our goal is to have students in school as much as possible.

To encourage student attendance the following limits will be adhered to: Each student is allowed 5 days per semester to be called in as sick, and marked as excused. The family must provide evidence from a medical professional, funeral or legal agency for any additional absence called in beyond 5 for it to be marked as excused.

After the 5 semester absences, if no evidence is provided the absence will be marked as unexcused, even if the parent calls.

The new semester will begin in January.

The school day begins at 8:50. Any students arriving after 8:50 will be marked tardy.
Please check the studenthandbook that is distributed on the first day of school for more information.

Thank you!

BREAKFAST & LUNCH

FREE

For **all** District #86 Students!

Our district is committed to providing every student with the tools they need to succeed, including nutritious meals they can enjoy.

For school year 2026-2027, District #86 has been approved for the Community Eligibility Provision, a meal program option offered by the United States Agricultural Department (USDA) that allows us to serve school breakfast and lunch at no charge to all enrolled students, regardless of financial condition. If the district would lose its CEP eligibility the cost would be $2.95 per lunch and $2.10 per breakfast.

Help us ensure our meal program is a success!
Remind and encourage your child/children to take advantage of this opportunity and grab a school breakfast and lunch every single day.
