Sophia Women's Center 2026 Scholarship - $1,000

Dear Graduating Senior,

Sophia Women's Center was established in 2014 to be the first step for women facing an unplanned pregnancy, transforming their fear into confidence by addressing their physical, spiritual, and emotional needs and equipping them to make healthy, life-affirming decisions. We believe that women are strong and capable of making their own choices, and we are not here to judge their decisions. We also believe that no woman should feel pressured into making a choice about her pregnancy, and women facing an unplanned pregnancy should have a safe place to seek help that will not profit from the reproductive choice they make.

The qualifications for the scholarship recipients are determined by the Sophia Women's Center Scholarship Committee and are based on the following criteria:

1. Has a minimum 2.5 GPA.
2. Lives or attends school in Columbiana County, including home school.
3. Tours our facility to learn about what Sophia patients experience during their visit. Applications will be accepted after attending a tour of the center.
4. Composes a well-written essay of 500 words or more responding to the prompt provided on the last page of this application.
5. Includes a wallet-sized senior picture or recent photo to be included in Sophia Women's Center's newsletters to donors and publications.

We look forward to reviewing your application.

Sincerely,
Amy Arcuri and Sophia Women's Center Scholarship Committee
