Tony Venezia was a very active student at EPHS, he participated in many school activities, from Hi-Y, Epic, football, baseball and more. He also worked evenings at his family's business. We would like to select a student who is very close in terms of activities and work. In the space below or on a separate page, please write an essay letting us know why you would be a good candidate in terms of activities you are involved in and what job you have outside of school.

Please return to the school counseling office by the end of March
