December 2, 2025

To Parents and Guardians of Arlington Students 7th-12th Grade

Arlington School District will begin implementing Friday school starting December 5, 2025. Friday school will be utilized for 7th-12th grade students who are failing a class, have one unexcused absence or more, or have five or more tardies. If your child meets one of the above mentioned criteria, parents or guardians will receive a phone call from school personnel requiring their attendance at the Friday school. Friday school hours will be 8:30 am until 11:30 am at the high school computer lab.

Students who are required to be at Friday school and do not attend may forfeit the ability to take part in activities sponsored by the school. For example, athletics, dances, field trips, and any other activities put on by the school district.

The goal of Friday school is to help students who are behind academically get caught up and those students who are not meeting current attendance policies to be at school on time.

Sincerely

Dr. Jonathan Fost, Superintendent
