JAX SNAX DOG TREATS EAST PALESTINE SCHOLARSHIP APPLICATION

QUESTION 1:

If chosen, what will you use the \$200.00 for?

QUESTION 2:

Jax Snax Dog Treats grew from a passion to give my own dog healthy, quality dog treats and that passion transformed into a business. Do you have a passion, talent or specific experience that you think could turn into a career opportunity?

QUESTION 3:

In 2023 the global dog treat market stands at a valuation of US \$20.3 million dollars. As a small business, Jax Snax needed to find a niche to stand out and decided to offer dog treats that are organic, gluten-free and all natural.

Please share a time when you had an idea or worked on a project and what you did to make it stand out.

QUESTION 4:

There is a lot of hard work, dedication and commitment to turn a passion into a business. When Jax Snax started the journey to become a business there was more to it than ever anticipated. At almost every turn, just when I thought I was finished, there was something else that needed to be done.

Tell me about a project, situation or event that entailed more than you thought it would. How did you persevere? When you completed the project/situation/event, do you feel it was worth the time it took?

QUESTION 5:

Taking risks can be scary. Tell me about a time that you took a risk, and the outcome didn't work out as you had expected. What did you learn from that experience?
