

Volunteer and Join the *MVR-III* Family

Help a Child Love Reading & Learning!

One Child. One Tutor.

Two Lives Changed Forever.

Since 1989, Oasis tutors have been helping children build reading skills, self-esteem, and a positive attitude toward literacy.

Share your love of reading by volunteering to become an Oasis Tutor! In just one hour a week, you can make a difference in a child's life. Training and materials are provided and no experience is necessary.

How do I become a tutor?

Contact Becca Favier (bfavier@oasisnet.org, 314.687.1141) and we will get you signed up for the upcoming training. Once you have completed training, you will meet with the same child at once a week for the school year. Your student and their teacher will understand time away for vacation, illness, or unforeseen events.

What age are the children?

The program is designed for children in grades K-3, a critical period for developing reading and language skills.

Where and when will I tutor?

Tutoring sessions will be held at elementary schools within the Meramec Valley R-III School District. Meramec Valley's Oasis facilitator will help you find a time during the school day for your weekly tutoring sessions.

What training will I receive?

Tutors complete training based on a proven six-part plan of activities that include talking, reading and writing. You'll learn ways to draw out the child's experiences and create simple stories that form the basis for reading activities. You may also attend tutor meetings for continued development and opportunities to share your successes and challenges with other tutors.

New tutor training session taking place in October!
