Michael Parry
Superintendent

Kelly Sininger
Treasurer

Position: Metal Fabrication Instructor

Location: Grant Career Center | 718 W. Plane Street, Bethel, Ohio

Start Date: August 10, 2026

Salary Range: Salary is commensurate with educational preparation and work experience in the field.

Benefits: Based upon Board Policy

Work Schedule: 185 Days following the school calendar.

Position Description:

An enthusiastic teacher is needed to provide classroom instruction for metal fabrication and welding courses. The successful candidate will be both innovative and creative, possess a commitment to career technical education, and an overall passion for project, problem-based learning with real world application. This teacher is responsible to ensure all students acquire some industry-based credentials including, but not limited to American Welding Society (AWS) certification, AWS Qualification, NCCER CORE, NCCER Level 1, and OSHA 10.

Minimum Qualifications:

To be qualified for this position, applicants must possess:

- Valid licensure, certification, and/or registrations as required by the Ohio Department of Education and Workforce (or any governing body associated with the education programs directed) or the ability to obtain one;
- Industry-based experience in the field of Metal Fabrication and/or Welding.
- Effective and demonstrated problem solving, critical thinking, analytical, oral and written communication, and organizational skills;
- History of strong work record, including good job attendance; and
- Documented evidence of acceptable criminal record as required by Ohio law and Board Policy.

Application Deadline:

- Please apply to the Superintendent's Office as soon as possible, not later than March 16, 2026 (or until filled).
- Submit letter of interest, resume, at least 3 references, copies of licenses (if applicable), and the completed application. The application can be found at <https://www.my.grantcareer.com/page/employment-opportunities>.

Please submit applications to:
