Office of the Superintendent

Dear Westside Community,

As we begin the 2026–2027 school year, I want to say how honored I am to continue serving as superintendent of Westside Consolidated School District.

Westside has always been home to me. I began here as a kindergartner in 1985 and graduated in 1998 as part of the first class to attend K–12 on the same campus. The people who invested in me shaped who I am and led me back to serve Westside as a teacher, coach, administrator, and now superintendent.

As we enter a new year, we remain committed to getting 1% better every day. While we have made progress through our PLC work, improvement is ongoing. Every student is our student, and together our schools, families, and community share the responsibility to support, challenge, and believe in them.

I also want to update you on work taking place around the district. The high school addition continues to move forward, and we appreciate everyone's patience and flexibility. Traffic patterns will remain the same this year as they were last year. We plan to move into the new cafeteria around the beginning of the new calendar year. The existing cafeteria will then be renovated to add six classrooms, and we remain on track to fully use the new addition beginning with the 2027–2028 school year.

We are also replacing the roof on the high school main building, spanning from the Warrior Dome through the north end of the building. This work is scheduled to be completed before the first day of school. Several smaller projects are also taking place across the district to improve our campus inside and out.

We are excited to welcome students back. The hallways come alive when they return, and their laughter, curiosity, and energy remind us why we do what we do.

We would love for you to join us for our Open Houses that will be held from 6:00–8:00 p.m. on:
• Tuesday, August 4 – Pre-K, K, 1st, 5th, and 8th grades
• Thursday, August 6 – 2nd–4th, 6th–7th, and 9th–12th grades

Thank you for trusting us with your children. We look forward to beginning the 2026–2027 school year on Thursday, August 13.
