PENN VALLEY UNION ELEMENTARY SCHOOL DISTRICT
TRANSPORTATION PLAN

Transportation Services:

1. Enter description of transportation services offered to pupils, and how it will prioritize planned transportation services for pupils in transitional kindergarten, kindergarten, and any of grades 1 -6 inclusive, and pupils who are low income. Plan may provide for the LEA to partner with a municipally owned transit system to provide services to middle and high school students. An LEA may provide no-cost transit passes to students.

PVUESD offers transportation to all students within district boundaries at no charge. This service is offered through our transportation partner, Durham School Services, which is hired by the transportation JPA PVUESD is a member of. Bus stops are arranged to maximize access for students and updated as needed to include pupils who are low-income.

2. Enter description of LEA's transportation services that would be accessible to pupils with disabilities, and homeless children and youth.

Durham also provides transportation services for students with disabilities as identified in students' individual educational plans. Homeless youth and foster children are also provided free transportation, available to all students. These services are offered by PVUESD staff and by Durham School Services.

3. Enter description of how unduplicated pupils would be able to access available home-to-school transportation at no cost to the pupils.

All transportation services are provided at no cost to families for all students.

Consultations:
Enter description of the <u>requirement</u> plan consultation with classified staff, teachers, school administrators, regional local transit authorities, local air pollution control districts, air quality management districts, parents, pupils, and other stakeholders.

Transportation consultation for students was completed through the Local Control Accountability Plan (LCAP) process, which included parent meetings and surveys, school site council and staff meetings, and board approval. Transportation consultation for students with disabilities occurs with each student's family through the IEP process. Consultation with Durham Transportation Services occurs regularly and as needed. This plan was developed with input from each of these educational partners received on a regular basis.

Board Approval Date: February 11, 2026

This Transportation plan is developed in accordance with Education Code Sections 39800.1 and 41850.1.
