Parents and Guardians,

We are excited to share that the first phase of our building project is almost finished, and our main office entrance will officially reopen on Monday, September 22!!

Arrival & Dismissal Procedures

- Parent Drop-Off & Pick-Up: Parents should continue using the front of the school. All students will enter through the main office doors.
- Bus Riders: Students riding the bus will continue to use the back loop and will enter and exit through the gym doors.
- Late Arrivals & Early Dismissals: Students arriving after 8:00 AM must enter through the main office doors before going to class. Students leaving early for appointments must be signed out in the main office.
- Dismissal:
    - PreK, Kindergarten, and Grade 1 – Walkers and parent pick-up students will exit through the playground door.
    - Grades 2–6 – Walkers and parent pick-up students will exit through the main doors.

We appreciate your patience and flexibility during this transition. While these adjustments may take some getting used to, we are thrilled about the long-term improvements they will bring to our school community. Thank you for your cooperation and support as we continue to make our building the best it can be for our students and families!

If you have any questions, please contact the Elementary Office at 607.698.4225 x1400.

Respectfully,

Colleen M. Brownell
