Parents, Guardians and Students,

As many of you know, at the last legislative session, House Bill 1160 was passed into law which required all North Dakota Public School Boards to pass a policy prohibiting cell phone possession and usage by students from "first bell to last bell". The Kidder County School Board passed this required policy last night. I would ask that all parents, guardians and students please read this policy (attached) very closely, especially pages 6 and 7 that outline the consequences of students being caught using or possessing their cell phones.

Thank you and have a great rest of the summer.
