JEWELL SCHOOL DISTRICT

SUPERINTENDENT
Cory Pederson
PRINCIPAL
Sam White
SCHOOL BOARD CHAIR
TJ Hecox

Dear School Community Members,

Our district is beginning its Triennial Assessment of the EFA Wellness Policy, as required by the Oregon Department of Education (ODE), and we are seeking input and participation from our school community.

As part of this process, a Wellness Policy Review Team will assess the progress we have made toward meeting our wellness policy goals, review compliance with state and federal requirements, and compare our current policy with the updated draft model wellness policy provided by ODE.

We invite parents, students, teachers, school health professionals, board members, and members of the general public who are interested in wellness, student health, and school nutrition to take part in this review.

If you are interested in participating or would like more information, please contact Christy Taylor, our Head Office Secretary. She can provide additional details or help document any questions you may have.

Phone: (503) 755-2451
Email: christyt@jewellk12.org

The first two meeting dates are scheduled for Wednesday, January 14th & 21st.

Thank you for your continued support and engagement in promoting a healthy school environment for our students.

Cory Pederson
Jewell School District No. 8
Superintendent
