WIRELESS COMMUNICATION DEVICES

6th grade & below - smartphones/watches are not allowed.

7-12 grades

1. Smart phones are not permitted at any time during the school day. Students are to have their cell phones turned off and in their assigned locker before instruction begins until student dismissal.
2. Earbuds or headphones of any kind are not permitted unless permission is given by school personnel for the purposes of assessment and/or required through an IEP or 504 Plan.
3. Smartwatches are prohibited from being worn or used during school hours unless special permission is granted by the building principal. Smartwatches can be used in the same ways as a smartphone and therefore are a distraction to the educational process.

Violation of these rules will result in the following disciplinary action:

1. Verbal warning and parent notification
2. Detention (30 minutes after school on Thursdays)
3. Thursday School (2 ½ hours after school on Thursdays)
4. Students lose the privilege of having their phone in their locker. Students must turn their phone into the office at the beginning of each day for a period of time to be determined by the administration.
