Community Planning Team — Interest Form Closes Friday

A reminder that the deadline to express interest in serving on the Community Planning Team is **this Friday, July 31, at 5:00 p.m.**

Maranacook Area Schools/RSU 38 is partnering with NESDEC on our next Strategic Plan and a Best Educational Use of School Facilities Study covering all six schools. The Community Planning Team is where community voice enters that work — a working team of roughly 14 to 18 people drawn from our four towns and from a range of stakeholder groups, including school board members, parents and guardians, school leaders, teachers and staff, municipal officials, and community members.

If you have been considering it, there is still time. Please review Composition and Selection of the Community Planning Team to understand the role and time commitment, then complete NESDEC's interest form: https://www.surveymonkey.com/r/BQG5DL8

After the form closes, NESDEC will compile the responses for our Plan-to-Plan Committee, which will finalize membership using the established criteria, including town of residence and stakeholder role.

Thank you for your interest in this work.

Karen G. Smith
