X. COMMITTEE REPORTS

A. Buildings, Grounds and Transportation – M. Pombo, Chairperson; M. Filippone, J. Miscia

The Buildings & Grounds Committee would like to provide an update on several ongoing projects throughout the district. The HVAC project continues to progress at both high schools, with work currently being completed during the second shift. Following graduation ceremonies, the contractor will transition to a daytime schedule to maximize productivity throughout the summer months in anticipation of that project being done by September 1.

The roofing project at Hanover Park High School will begin on weekends during June and will move to a typical workweek schedule after graduation. This phase of work includes roof replacements on Buildings 2, 3, and 4, as well as a portion of Building 5.

The district also hosted additional project meetings this past week to coordinate summer construction activities, with particular focus on the Hanover Park High School roofing project and the Whippany Park High School security vestibule project, which represent two of the district's major summer initiatives in addition to the ongoing HVAC work.

The district received bids for the Hanover Park Swale Project on May 27. The bid rejection is included on this evening's agenda due to a material defect identified within the submitted bid. The project will be re-advertised and re-bid in the near future.

Finally, the district continues to be engaged in discussions with Bridge Industrial regarding the potential relocation of approximately 15 district buses to their property beginning in Fall 2026. Senior property managers are currently finalizing details associated with the proposal. The next steps include securing the necessary approvals from the ground lessor and the property lender before moving forward with any formal agreement.

B. Curriculum – K. Cortright, Chairperson; D. Anello-Feldman, D. Davis

The Curriculum Committee reports, as per compliance with New Jersey Administrative Code and Strauss Esmay's recommendation, that all district course curricula will be public and placed on the district and school websites effective September 1, 2026.

Additionally, the district is in the process of forming a new partnership with The College of New Jersey on the establishment of a dual enrollment program for the 2026-27 school year. This is to increase the dual credit opportunities for our high school students in the district. The district currently has dual enrollment partnerships with Fairleigh Dickinson University, Seton Hall University, William Paterson University, Rutgers University Health Care, and County College of Morris. The agreement with The College of New Jersey for the dual enrollment program is presented in this evening's Board agenda for recommended approval.

The district is planning to hold CPR/AED/First Aid training to coaches who may need certification during final exam week in June 2026. Our Whippany Park and Hanover Park Physical Education teachers will conduct the CPR/AED/First Aid training. There will be no cost to the district as the cost of CPR cards will be at the participant's expense.

C. Finance – M. Lomio, Chairperson; D Davis, T. Donohue

Mr. Lomio noted there was nothing to report.

D. Negotiations – D. Davis, Chairperson; D. Anello-Feldman, M. Pombo

Mrs. Davis noted the Committee met today.

E. Personnel – D. Anello-Feldman, Chairperson; K. Cortright, M. Filippone

Mrs. Anello-Feldman noted there was nothing to report.

F. Policy – J. Miscia, Chairperson; M. Lomio, M. Pombo

The Policy Committee reviewed mandated revisions, newly developed policies and regulations, and recommended abolishment to ensure compliance with New Jersey Administrative Code, federal law, and recent state legislation. The policy and regulations are presented this evening for a first reading.

G. Public Relations – M. Filippone, Chairperson; K. Cortright, T. Donohue

The Public Relations Committee is pleased to recognize the many accomplishments of our students during the past month. Both high schools hosted their underclassmen and senior awards ceremonies, celebrating excellence in academics, athletics, leadership, the arts, and service to the school community.

On behalf of the Board of Education and district administration, we extend our sincere gratitude to the many generous individuals, families, organizations, and community partners who contributed scholarship funds for the Class of 2026. Through their generosity, more than $189,000 was awarded in scholarships to graduating seniors, helping to support their post-secondary educational and career aspirations.

We congratulate all of our award recipients and scholarship winners and extend our best wishes to the Class of 2026. We are proud of their accomplishments and look forward to seeing the positive impact they will make in their future endeavors.

H. Student Affairs – T. Donohue, Chairperson; M. Lomio, J. Miscia

The Student Affairs Committee would like to congratulate our student-athletes on an outstanding spring season. Many of our athletic teams enjoyed remarkable success and advanced deep into state tournament competition, representing their schools and communities with pride, determination, and sportsmanship.

The committee also recognizes the many talented students in our music programs. Throughout the past month, our choir and band ensembles showcased their talents through a variety of performances, demonstrating the dedication, creativity, and excellence that are hallmarks of our performing arts programs.

As the school year comes to a close, we extend our congratulations to the Class of 2026 on their accomplishments and graduation. We wish all of our students, staff, and families a healthy, safe, and enjoyable summer.
