Decatur City Schools
Summer 2025 Math Assignments

Below are the summer math assignments links for grades 6-12. Please show your work in the spaces provided for each question.

All pages MUST show the work in order for the work to be accepted. IF more paper is needed, the work may go on the back of each page or neatly on a separate page.

*The special 5th grade math cohort will complete the 7th grade Summer Math Review.
