Little Badger Pre-K Application Procedures 2026-2027

Our Pre-K Program offers two types of classrooms. IF your family qualifies based on your household income/# in the family or other approved criteria, (see our District Pre-K page for more info) they will be in an ABC classroom. We have 80 ABC slots. IF your family does NOT qualify for one of these spots, we have 35 tuition ($110/week) slots.
The income guideline for an ABC qualification is included in the application.

- Complete each page of the paper application
- Provide copies of additional documents (see next page)
- TUESDAY, MARCH 17TH will be the FIRST day that we will accept applications. We will continue to accept applications until all spots are filled.
- Completed applications along with copies of required documents must be returned to our Pre-K office. We are located in the back of the Central Office Building.
- All applications will be dated and time stamped in the order that they are received.
- All available spots (ABC & tuition) are filled based on a FIRST COME/FIRST SERVED basis
- Once an application is processed, you will receive a letter in the mail giving you the status of your application.
- IF your application is not complete or you are missing necessary documents, this letter will have this information.
- Please make every effort to obtain missing documents and bring them to the Pre-K office so they can be added to your child's application.
- ONLY completed applications (along with documents) will be considered COMPLETE and OFFICALLY enrolled into Pre-K.

It is the responsibility of the enrolling parent/guardian to inform Little Badger Pre-K (501-882-5463 ext. 1117) if there are any changes in mailing address/phone number.

Copies of documents that must be included with application (ABC)

- Birth certificate of enrolling child
- Social Security Card of enrolling child
- ARKids First or Medicaid card
- Current health screening (paperwork included in the application)
- An updated shot record OR a "catch-up" plan for your child
- Income verification for each caregiver listed in the application IF using that criteria to qualify.
- IF either caregiver has "zero earned income" a notarized statement must be included (paperwork included in the application)
- There is a list of other qualifying criteria on our District Pre-K page. Documentation must be included.

Our Pre-K day is from 7:30-2:30. If you require childcare outside of these hours, Beebe Schools offers a Before/After School program. Those hours are 6:15-6:00. There is a cost for this program.

Little Badger Pre-K is dedicated to identifying and providing services for any of our students who might have developmental delays. If your child receives any services now (OT, PT, speech/language, social etc.) please indicate which facility and provide a copy of current paperwork that was provided to you by the facility that provides services. If your child will continue to receive these therapies once the 2026-2027 school year starts in August, the facility is welcome to come during your child's Pre-K school day to continue those therapies. You, as the parent will need to contact the Pre-K office and the therapy clinic to put this into motion for your child.

Consent to Access Public Insurance
Hearing and Vision Screening

With parental consent, the school district can seek federal Medicaid reimbursement for the cost of the health services the school district provides to children who are eligible for Medicaid. In order to seek the federal Medicaid funds for reimbursement, the school district must disclose information from your child's education records to Medicaid and Medicaid billing agencies. Under the Family Educational Rights and Privacy Act (FERPA), parental consent is required in order to release student personally identifiable information to agencies not identified in the Act. This consent grants the school district the ability to release student information for the purpose of billing Medicaid.

As part of our screening process, Wilbur D Mills screens each child's hearing and vision. Please indicate below if you give your consent for Wilbur D Mills Educational Service Cooperative to bill Medicaid for the vision and hearing screening provided to your student.
