Orangeville CUSD 203 Newsletter
May 2026

Dear Bronco Families:

April showers bring May flowers! May is such an exciting time of the school year with graduation and end-of-year celebrations. The students and staff have worked hard all year and are looking forward to summer break. Our last student and staff attendance day will be on Friday, May 29, 2026. Students will be dismissed at 1:15 p.m. Thank you to the Orangeville staff, students and families for a successful year of learning. We will be celebrating Staff Appreciation Week the week of May 4-8, 2026. Please show your appreciation for your child's teacher(s) by sending an email of thanks to him/her or send a note with your child to school for the teacher, paraprofessionals, etc. that your child sees daily. Thank you!

State testing was completed in April and in the middle of May we will be assessing students with spring benchmarking in NWEA-MAP testing and AIMSweb testing. I am looking forward to seeing the academic growth that our students have made throughout the year. Enjoy your summer and as always, thank you.

Sincerely, Superintendent Katzenberger

Orangeville Jr/Sr High School

Testing - Job Well Done!

State testing is now complete! Junior High tested before spring break and did a spectacular job. They spent time on two Language Arts tests and 3 Math tests. 8th graders added an extra Science test as well. On April 21, Freshman and Sophomores completed their Practice ACT tests while Juniors worked on their ACT which is often used for college admission.

During testing times, each group of students also worked on some community service projects including homemade cards for our friends at local assisted living and nursing facilities, cat toys for our animal friends at the Humane Society, tie blankets that will be delivered to local shelters, and chemotherapy care packages that will be taken to a local hospital. Our Seniors also participated in community service projects, college visits or a job shadow of their choice. We look forward to seeing how our students take these experiences and carry them into the future.
