II. Call to Order

III. Approval of the Agenda

IV. Good News

V. Public Comments

The agenda for each regular monthly meeting will include a time period for citizens to address the Board of Education through public comment. Prior to each meeting a form will be available for any individual or group to indicate a desire to address the Board of Education and the topic to be addressed. A three-minute time limit will apply to each speaker. Groups are to select one spokesperson to address the Board of Education on the group's behalf.

Except when deemed necessary by the Board of Education due to an emergency or other exigent circumstances, information received during public comments will not be acted upon at the time it is received. An official response on behalf of the Board of Education requires the approval of a majority of the Board and will be issued by the Board Chair or his/her designee. Any response by an individual member of the Board of Education shall not be deemed an official response of the Board.

Grievances, complaints, or concerns related to individual school personnel or students will not be heard at this forum. Other channels have been established for the consideration and disposition of a grievance, complaint, or concern that involves school personnel or students. The superintendent will discuss with, and make available to, any individual or group the policies and procedures for this purpose.
