Orangeville CUSD #203 Newsletter

Dear Bronco Families,

Happy April! It's hard to believe how quickly this school year is flying by. At this time, I would like to thank the Orangeville community for their partnership throughout my years at Orangeville and introduce you to the next superintendent, Dr. Rude. In the page to follow you will be able to read an introduction from Dr. Rude. The Illinois Standardized testing is in full swing this time of year. Please enourage your children to do their very best on all tests, get a good night's sleep and eat a healthy breakfast for testing success. Thank you!

- With the unpredictable spring weather, please send a sweatshirt or coat with your child each day in the spring. Students do go outside for activities as well as recess on a daily basis and we just never know how cold and breezy it may be this time of year. Thank you!
    - As a reminder, the school district will be on spring break from March 30- April 3, 2026. Please continue to work with your children over break on reading and math skills and make learning fun!
      If you are looking at possible places to visit in Illinois over spring break, Chicago has opportunities available for you to attend museums for free! Go to the following website to find out free days/nights at various Chicago museums.
      https://www.choosechicago.com/articles/museums-art/free-museum-days-in-chicago/
    - Looking ahead to summer you will find lots to do at Krape Park in Freeport with mini golf, boat rentals, carousel and nature hikes. In addition, the Jane Addams trail in Orangeville as well as
        - Lake Le-Aqua-Na State Park in Lena both offer lots to
        - enjoy in the great outdoors!
        - Happy Spring Break to all of you! Don't forget to catch some Bronco baseball and softball! Go Broncos!
            - Enjoy the nice weather!
            - *Sincerely, Superintendent Katzenberger*

Dear Orangeville CUSD 203 Families:

I am excited to introduce myself as the new Superintendent for Orangeville CUSD 203 beginning July 1, 2026. I am originally from southern Illinois, grew up in Marion and attended Southern Illinois University in Carbondale. I grew up in a family that stressed the importance of education as my father was a high school teacher and principal for 35 years and has been coaching football for over 45 years. I have been in and around education my entire life and I understand the impact that a positive school experience has on students and families.

I began my career in education as a high school business and accounting teacher. I then became an assistant principal in a K-8 district for two years before becoming a high school principal for four years. For the past ten years, I have been the superintendent of St. Libory CSD 30, a K-8 district in southwest Illinois. In addition to my time as a teacher and administrator, I have also coached football and soccer.

I am excited for the opportunity to lead Orangeville CUSD 203 and look forward to forging a collaborative effort with the board, staff, faculty, families, students, and the community to build upon what is already an exemplary foundation. Please feel free to reach out to me should you have any inquires, thoughts, or concerns.

Sincerely,

Dr. Thomas Rude

Attendance Matters

Here are 5 reasons why school attendance is important:

1. **Academic Achievement and Success**: Regular attendance directly correlates with higher grades, better test scores, and higher reading proficiency by third grade. Missing school means missing critical instructions, leading to learning gaps that make it harder to catch up.
2. **Developing Essential Social Skills**: School is a primary place for students to build relationships, practice social skills, and learn to collaborate with peers and teachers. Regular attendance helps children feel more connected to their community, fostering a sense of belonging.
3. **Building Life Habits and Discipline**: Attending school regularly teaches crucial life habits like punctuality, responsibility, and reliability—skills that are essential for success in adulthood and future employment.
4. **Graduation and Future Opportunities**: Chronic absenteeism (missing 10% or more of school) is a primary indicator that a student may drop out of high school. Regular attendance ensures students stay on track to graduate and increases their chances of pursuing higher education.
5. L**ong-Term Financial and Career Stability**: Consistent attendance is linked to better future career outcomes. High school graduates with good attendance records are more competitive in the job market, often earning higher incomes than those who were frequently absent.

4th Quarter Expectation

K-5th grades students will have no more than 1 tardy, no unexcused absence (attendance), no office referrals, and no missing assignments.

April showers are coming, and though I usually don't like the mud… as long as that we get rain and not snow, I'll be okay! Wasn't that a crazy March blizzard we had? Goodness. It just goes to show you that you never know what kind of weather you're going to get in the midwest!

This is a reminder that the blizzard emergency day pushed our tentative last day of school to Friday, May 29th, 2026. This will be a 1:15 dismissal day. The 2026-27 calendar for next school year was also approved at the March board meeting. As usual, it is subject to state approval before it is final, and will be included in a later newsletter.

Emails were sent out, we continue to post on our website and social media, and I want to remind you again here… if you want to *guarantee* your child receives a 2025-26 yearbook, the ONLY way to do that is by ordering one online through Jostens. The JH/HS hardcover book is $58 and the Elementary softcover books are $19. You can go to our News item on our website for links and more information: https://www.orangevillecusd.com/article/2762209 . The LAST DAY TO ORDER is Friday, April 24, 2026. Don't wait until it's too late!

It may be hard to believe, but we're already starting to plan for next school year. If you are an existing family that has a new school-age child coming in the fall, please contact the school to make sure we have all their information. We also ask if you know any new family who has students coming to the district this fall, please let them know to reach out soon. We are beginning the 'future student' information collection, so that we will be ready for online registration when it comes in July.

If your family has a new student enrolling in the fall, please contact myself, Ms. Rachel Heck at rheck@orangevillecusd.com or 789-4289, or elementary secretary Ms. Tonya Doyle at tdoyle@orangevillecusd.com or 789-4450. We will send you a new student packet, to be returned before the end of the school year.

Also, be sure to keep your phone and email information up-to-date in the Family Access Portal in Skyward, as this is the primary way we contact families in the summer. Any important information during the summer will always come through email and the Family Access Portal message.

I am reminding everyone again, as we are nearing the end of the school year, to please look at your Family Access Portal to check if you have outstanding fee balances. We have sent out balance due notices during the year, so please make sure to pay any outstanding balance, and start fresh in the fall. Please also check your lunch balances. School fees and lunch balances are separate, so be sure to check both.

Finally, I end as usual, by reminding you that if you're willing to download & use it, the Box Tops for Education app can help the school earn money when you buy Box Tops branded items, and then scan the receipt with the app. We also continue to collect Loaves 4 Learning bread-shaped UPCs.

Running out of time and space for any more April news, so I will stop here. Enjoy the spring weather and longer days with sunlight!

~Miss Rachel ☺

2025-2026 School Year

Dear Parents/Guardians,

This is a reminder to please turn in your child's **DENTAL EXAMINATION.** The deadline is *May 15th*. This is a State of Illinois School Requirement for Kindergarten, 2nd, 6th, & 9th grade students, as well as any new student from out-of-state who is enrolled in an Illinois school for the first time. If your child has had a dental exam within the last 18 months, that counts for the requirement! Please call and have the dentist office fill out and fax the dental examination form to us. Also, please follow up with either their office or with us to make sure it was faxed/received. Our fax number is listed below. If your child has NOT had a dental exam in the last 18 months, please call and schedule an appointment ASAP. Please, also, inform me via call/email of when the appointment is scheduled!

If you have any questions or need any help, please feel free to contact me.

Thank you!

INTRODUCING YOUR 2025-26 SPRING SPORT TEAMS

HIGH SCHOOL SOFTBALL TEAM

HIGH SCHOOL BASEBALL TEAM

NUIC SPORTSMANSHIP SUMMIT

The NUIC conference had a Sportsmanship Summit on March 17th to review the Sportsmanship Creed that is read before every home sporting event. Two athletes were chosen from each conference school to attend the Summit and to discuss if we should change or modify the conference Sportsmanship Creed. The two athletes chosen to represent Orangeville HS were Sophomore Jillian Carlisle and Freshman Ian Smith. Congrats to them both!!

IMPORTANT NOTE TO PARENTS!

If you haven't viewed the Parent Sports Presentation **on the districts website, or haven't turned in the** Required Forms or paid sports Fees **for your athlete, please do so as soon as possible.**

NATIONAL PARAPROFESSIONAL APPRECIATION DAY

April 1, 2026

Paraprofessionals are unsung heroes in the school, helping our teachers support student learning & behavior. Thank you to our paras: Ms. Glenda, Ms. Ashley, Ms. Beth, Ms. Sabrina, Ms. Hannah, Mr. Moscato, Ms. Reed, Ms. Pat, Ms. Missy, Ms. Holly, and Ms. Casey! We couldn't do it without your help.

National School Librarian Day

Ms. Reed wears many hats at Orangeville School District, but her love of reading is ideal in her main role of library clerk. She works with all of our teachers and helps our students from the littles to the seniors utilize our library. Thank you for all you do!

Thank you to Ms. Paula Crossno, our bookkeeper, Ms. Tonya Doyle, District/Elementary secretary, and Ms. Rachel Heck, Jr./Sr. High secretary, for keeping track of everything and keeping us going on a daily basis!

OEF Highlights for March

We have paid out all of the scholarships for last year's seniors.

Seniors should be looking at the scholarships on the school's website. We will award them at the Senior Honors Night in May.

We are already looking at prizes for the Joleen Memorial Golf Outing in July.

If you are thinking of donating money, the OEF is a great cause. We use money from donations and fundraisers for scholarships and grants for teachers at school to supplement their classrooms. All of our proceeds go back to the students.

Mark your calendars-the golf outing is July 18, 2026. We hope you see you there. Sign up and hole sponsorship opportunities will be coming soon.

Our next meeting is April 8, 2026 at 5:00 in room 227. Please come and join us to see what we are all about.

Reminder

The Food Truck will be at the Jane Addam's Trail on April 7, 2026 from 3:00-4:30.
