The Class of 2026: The Future

Johan Ayala – Plans to go to school to become a barber.
Shae Blum – Plans to attend cosmetology school to become a licensed esthetician.
Anthony Brinkmeyer – Plans to go directly into the workforce, and hopes to be a custodian full time.
Nadalee Doyle – Plans to attend Illinois State University to major in elementary education.
Jaxon Grilliot – Plans to either play basketball at William Penn University, or go to a trade school.
Joe Isenberger – Plans to become an electrician.
Drew Kloepping – Plans to go to trade school.
Blake Komprood – Plans to attend a university and major in construction management.
Anicka Kraft – Plans to attend Highland Community College and play softball. She then plans to transfer to a four-year university to major in accounting.
Braeden Laurent – Plans to go into the electrician field, and eventually own his own company.
Zae McClain – Plans to major in psychology at the University of Memphis and play intramural basketball there.
Kayden Pfeiffer – Plans to go into the trades, work hard, and make money.
Oxtin Poss – Plans to attend Southern Illinois University – Carbondale to become an airline pilot.
Jada Reed – Plans to play softball and get her associate degree at Highland Community College, then transfer and get a Bachelor of Science in diagnostic medical sonography.
Lily Rodebaugh – Plans to attend North Central College to major in biology and enter the health care field.
Nate Sciaraffa – Plans to attend a yet undecided college.
Kylie Wolfe – Plans to attend Loras College and major in engineering.
Noah Workinger – Plans to begin his welding career.
