Welcome Letter from our Superintendent

Dear Parents and Athletes,

Participating in the athletic program within the Cottonwood-Oak Creek School District is a privilege we are proud to offer our students. We sincerely appreciate your trust in us to work with your child and are grateful for the opportunity to support their growth through our athletic program.

Students who choose to participate are expected to uphold the highest standards of conduct, both during and between seasons, reflecting the values of our school, program, and community. This involvement requires a strong commitment to academic achievement, good citizenship, physical fitness, and alignment with the goals and values of the school and athletic department. Maintaining these personal standards not only promotes individual success but also sets a positive example for others, reinforcing the athlete's role as a student leader.

While learning the values of sportsmanship, teamwork, and handling both victory and defeat with grace, we also believe that having fun is essential to every athlete's experience. Our program is designed to create an environment where students not only develop important life skills but also build lasting friendships, enjoy the game, and develop a lifelong love for sports.

Sincerely,

Jessica Vocca

Jessica Vocca, Superintendent
Cottonwood-Oak Creek School District

I. **Rules and Regulations for COCSD Athletes**

1. Abide by all school, district, and league rules.

2. The athlete's first responsibility is to academics. The educational process should not be compromised by participation in a sport. A student's grades and behavior will be a factor for eligibility. Eligibility:

A. Students having (2) or more incomplete or missing assignments during subsequent eligibility grade checks will be deemed ineligible to participate until the next eligibility grade check, two weeks.

B. Any athlete deemed ineligible for two eligibility periods shall be removed from the team.

C. Severe misbehaviors at school, sponsored events or on the bus will be reviewed by the school administration and the athlete may be subject to dismissal from the team or game suspensions.

3. The student must be a good citizen on and off campus. The students must promote good sportsmanship at practices, games, during travel and during attendance at home and away games. Poor sportsmanship may lead to game suspensions or dismissal from the team.

4. Athletics is an arena where we represent our school in a very public light, so both participants and spectators are reminded to behave correctly. This includes, but is not limited to, treating opponents, officials and spectators with respect, never using improper or foul language, cheering for our team and not against our opponents, and abiding by all rules and the sportsmanship code of conduct.

5. Athletes must inform the coach ahead of time whenever a practice is to be missed or the athlete will be subject to partial or complete game suspension. Be on time to all activities. Absences should always be avoided when possible. Absences must be excused by a note or phone call from the parent.

6. Transportation will be provided by the school to away games. Athletes must ride the bus to and from games. Students may only ride home with a parent if confirmation is given by the parent at the game. Coaches should observe the athlete leaving with the parent.

7. Any unsupervised time before or after practices and games, all athletes must go home (half-days, late practices, etc...). It is the athlete's responsibility to arrange with their parents for all transportation needs. Coaches may provide a safe place for students to attend after school until practice time.

8. An athlete must be in attendance at school on game day for at least half of the school day or s/he cannot participate in the athletic event. Students must be in school for at least half the school day and may not go home ill and then return to participate in a game or practice. Attendance is taken into consideration for play time.

9. Uniforms (including equipment such as bags) must be kept in good condition and clean at all times. **Uniforms or equipment ruined, lost or stolen will be replaced by the individual at their own expense.**

10. I am **obligated to report to my coaches any suspected concussion** that may have during: school, athletics or away from school. The district will require a physician's note to return to play after injury.

II. COCSD Code of Conduct for Parents/Guardians of Interscholastic Student-Athletes

Athletic competition of interscholastic age children should be fun and should also be a significant part of a sound educational program. Everyone involved in sports programs has a duty to assure that their programs impart important life skills and promote the development of good character. Essential elements of character building are embodied in the concept of sportsmanship and six core ethical values: trustworthiness, respect, responsibility, fairness, caring, and good citizenship (the "Six Pillars of Character"). The highest potential of sports is achieved when all involved consciously teach, enforce, advocate and model (T.E.A.M.) these values and are committed to the ideal of pursuing victory with honor. Parents/guardians of student-athletes can and should play an important role and their good-faith efforts to honor the words and spirit of this Code can dramatically improve the quality of a child's sports experience.

TRUSTWORTHINESS

- Trustworthiness — Be worthy of trust in all you do.
- Integrity — Live up to high ideals of ethics and sportsmanship and encourage players to pursue victory with honor. Do what's right even when it's unpopular or personally costly.
- Honesty — Live honorably. Don't lie, cheat, steal or engage in any other dishonest conduct.
- Reliability — Fulfill commitments. Do what you say you will do.
- Loyalty — Be loyal to the school and team; Put the interests of the team above your child's personal glory.
- Respect — Treat all people with respect at all times and require the same of your student-athletes.
- Class — Teach your child to live and play with class and be a good sport. He/she should be gracious in victory and accept defeat with dignity, compliment extraordinary performance, and show sincere respect in pre- and post-game rituals.
- Disrespectful Conduct — Don't engage in disrespectful conduct of any sort including profanity, obscene gestures, offensive remarks of a sexual nature, trash-talking, taunting, boastful celebrations, or other actions that demean individuals or the sport.
- Respect for Officials — Treat game officials with respect. Don't complain or argue about calls or decisions during or after an athletic event.

RESPONSIBILITY

- Importance of Education — Support the concept of "being a student first." Commit your child to earning a diploma and getting the best possible education. Be honest with your child about the likelihood of getting an athletic scholarship or playing on a professional level. Reinforce the notion that many universities will not recruit student-athletes who do not have a serious commitment to their education. Be the lead contact for college and university coaches in the recruiting process.
- Role Modeling — Remember, participation in sports is a privilege, not a right. Parents/guardians too should represent the school, coach and teammates with honor, on and off the court/field. Consistently exhibit good character and conduct yourself as a positive role model.
- Self-Control — Exercise self-control. Don't fight or show excessive displays of anger or frustration.
- Healthy Lifestyle — Promote to your child the avoidance of all illegal or unhealthy substances including alcohol, tobacco, drugs and some over-the-counter nutritional supplements, as well as of unhealthy techniques to gain, lose or maintain weight.
- Integrity of the Game — Protect the integrity of the game. Don't gamble or associate with gamblers.

- Sexual Conduct — Sexual or romantic contact of any sort between students and adults involved with interscholastic athletics is improper and strictly forbidden. Report misconduct to the proper authorities.

FAIRNESS

- Fairness and Openness — Live up to high standards of fair play. Be open-minded, always willing to listen and learn.

CARING

- Caring Environment — Consistently demonstrate concern for student-athletes as individuals and encourage them to look out for one another and think and act as a team.

CITIZENSHIP

- Spirit of the Rules — Honor the spirit and the letter of rules. Teach your children to avoid temptations to gain competitive advantage through improper gamesmanship techniques that violate the highest traditions of sportsmanship.

*I have read and understand the requirements of this Code of Conduct. I understand that I'm expected to perform according to this code and I understand that there may be sanctions or penalties if I do not.
