Dew Independent School District

Kent Reynolds Ed.D., Superintendent Kris Staggs, Principal

Great News

The following letter is a required notification from TEA. It refers to some financial issues experienced by the district after Covid, namely Sept.'22 thru Aug.'24. All of these issues have been addressed through Corrective Action Plans implemented over the past year and a half and started in the summer of 2024. The district is pleased to announce that the failing financial reports and accreditation warning will all be lifted by the end of the year when current data is compiled.

Dew ISD continues to focus on offering our students the greatest PK-8 educational experience available. We accept transfers and offer a after-school program for parents who cannot pick their children up immediately after school. If you haven't yet, come visit, and experience the Dew Difference.
