A Commitment to Graduation at EFHS

Members of the **East Feliciana High School Class of 2029** took a meaningful step towards their high school graduation this week - reciting a pledge, signing the class commitment banner, and writing letters to their future selves. These letters will be preserved in a time capsule to be open during their senior year, giving students an opportunity to reflect on their growth, goals, and journey to graduation. Many students in the Class of 2029 will also graduate with an associate degree from Baton Rouge Community College!

VETERANS DAY

HONORING ALL WHO SERVED

We extend our heartfelt gratitude to every individual in East Feliciana Parish who has served our community, our state, and our country as a member of the armed forces. On Wednesday, November 11, all of our students will have an opportunity during their school day to honor your service.

Monday, January 4

2026-27 District Calendar

Fire Safety at SES

Last month, Pre-K students at **Slaughter Elementary School** visited the Slaughter Fire Department to learn more about fire safety and the work of firefighters. We are grateful to our community for their ongoing partnership in support of our students' learning and wellbeing.

Red Ribbon Week

at EF STEAM

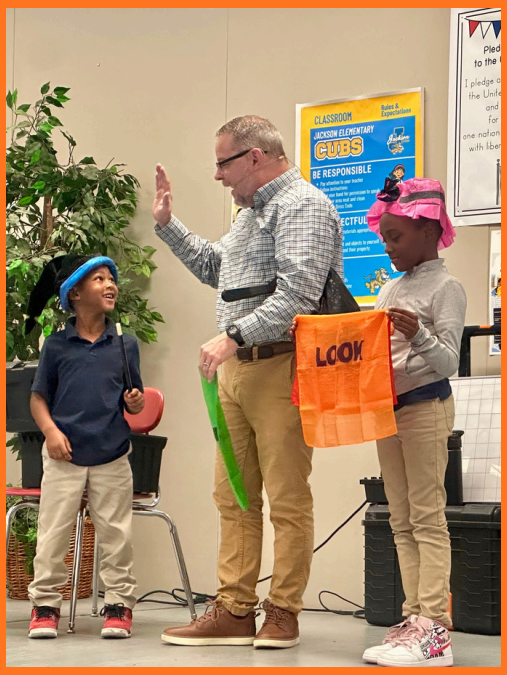
Students at East Feliciana STEAM Academy joined with students across the district during the last week of October to celebrate Red Ribbon Week - an opportunity to share and deepen our commitment to making healthy and safe decisions!

Spotlight on Math at SES

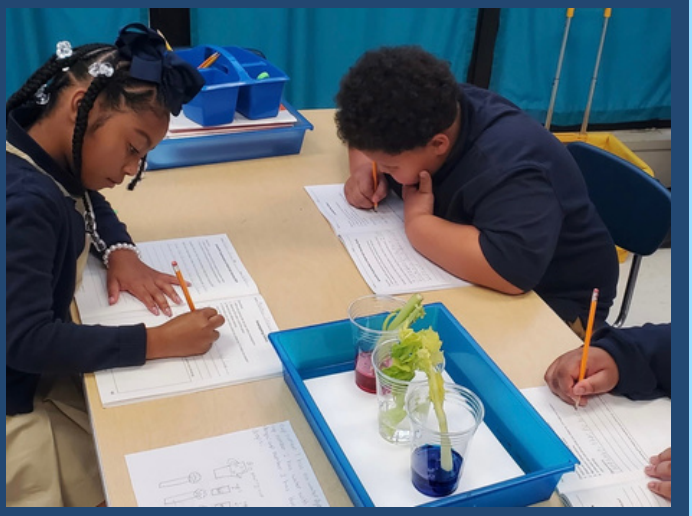
First and second grade students at **Slaughter Elementary School** have been sharpening their math fact fluency with a variety of strategies - including collaborative use of Uno cards!

Making Accidents Disappear!

This week, students across our elementary schools were treated to a magical assembly sponsored by Demco! Magician Scott Davis presented "Making Accidents Disappear," which taught students about electrical safety in a fun and engaging way. Thank you, Demco, for your consistent partnership and commitment to student safety!



Learning through Investigation at JES



Third grade scientists at **Jackson Elementary School** set up a test using dye, water, and celery to investigate how the environment can affect inherited traits.

Learning That Sticks at SES!

*Pre-K students at **Slaughter Elementary School** have been exploring the properties of magnets through hands-on investigation. Science learning across grade levels in East Feliciana Public Schools prioritizes student exploration ofkey scientific principles.*

pork® TASTE WHAT PORK CAN DO.™

National Pork Board School Menu Innovation Grant

We are proud to announce that the **East Feliciana Public Schools Child Nutrition Program** has been named a recipient of the National Pork Board's Recipe Innovation Grant! Through this grant, our CNP team will focus on developing an Asian-inspired pork dish that we plan to test and introduce to students during Lunar New Year.

The **East Feliciana Parish Health Unit** is excited to announce their November Community Food Drive! This holiday season, the Health Unit is partnering with the Greater Baton Rouge Food Bank to help give back to individuals and families in need throughout our community.

You are invited to make a difference by donating nonperishable food items. A colect box is available at the East Feliciana Parish Health Unit **12080 Marston St in Clinton Monday-Friday, 8:00 AM - 4:30 PM until November 23.**

Every donation, big or small, can make a meaningful difference in someone's life. Let's come together as a community to spread kindness, lend a helping hand, and make this holiday season a little brighter for those in need!

Playoff Bound!

Congratulations to our East Feliciana High School Tiger football team on qualifying for the playoffs at the #1 seed in Division IV Non-Select! The Tigers will have a bye in the first round of the playoffs and will play at home on Friday, November 20 in the regional round! We are proud of this team for their sportsmanship and for representing our community with excellence!
