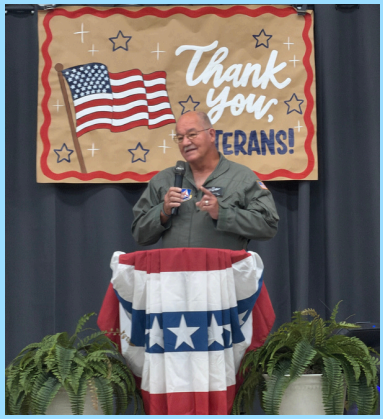
East Feliciana Coming Together

We were proud to participate in the East Feliciana Parish Health Unit's Paint the Parish Purple Initiative in honor of National Recovery Awareness Month, and we're grateful to the East Feliciana Police Jury for investing in safe and healthy students. Last night we celebrated these ongoing partnerships at the monthly meeting of the East Feliciana Parish School Board. When East Feliciana Parish comes together with one vision, the opportunities for our children are truly limitless.

Honoring Our Veterans at Slaughter Elementary School



Slaughter Elementary School *proudly observed Veterans Day by honoring the brave men and women who have served our country. The celebration was a special opportunity for students and staff to express their gratitude and recognize the sacrifices made by those who have protected our freedom. SES welcomed two special community guests, Lieutenant Colonel Darren Spears, Army, Retired, and Lieutenant Colonel Brian Capone, USMC, Retired, who shared their time and experiences with our students. We are grateful for our veterans, both past and present, and the sacrifices they and their families have made to protect the freedoms we enjoy every day. Thank you to Dr. Eddie Elsey for playing Taps; Mrs. Smith's 1st grade class for the flag paper quilt they created, Riley King, our 5th grade Student of the Year for the invocation; Zachary High Jr. ROTC for displaying the colors; and Mrs. Harvey for directing the student performances.*
