East Feliciana Early Childhood Community Network
Coordinated Funding Request
Public Input

- **What is the Coordinated Funding Request?**
  - The Coordinated Funding Request is an opportunity to request state funding for the 2027-2028 school year.

- **Why is it important?**
  - Funding throughout the state is limited. Requests will allow the Program Partners to continue providing services to early childhood students. We are requesting 60 publicly funded Pre-K seats for the 3 elementary schools for the 2027-2028 school year.
