Title I provides federal funding to ensure equal opportunities for high-quality education.

Title I, Part A is the largest federal education funding program under the Every Student Succeeds Act (ESSA). Schools qualify for these funds based on the percentage of students eligible for free or reduced-price meals.

The primary purpose is to provide supplemental resources that help all students meet challenging state academic standards.

Key student benefits include:

- Smaller class sizes
- Additional highly qualified teachers and paraprofessionals
- Specialized instructional support in reading and math
- Enhanced family engagement programs

Title I Funds are strategically allocated to enhance student achievement through targeted support.

For the **2026-2027 school year,** our Title I allocation directly supports our core academic goals.

Goal 1: By June 2027, Vaughan Elementary School will increase the number of students demonstrating grade-level proficiency by 10 percentage points as measured by EOG tests.

Goal 2: By June 2027, increase schoolwide attendance from 89% to 95%, as measured by attendance data from Infinite Campus..

Goal 3: By June 2027, 100% of classroom instruction will be aligned to the NC Standard Course of Study (NCSCOS), as evidenced by lesson plans and instructional observations.

Funds are used to:

- Hire Day Tutors
- AR Program
- Purchase Technology
- Instructional Materials
- Attendance Initiatives

Our School Improvement Plan targets specific areas for student growth based on recent data.

We continuously monitor student progress using state assessments and local benchmark data to ensure our instructional strategies are effective.

- Our current School Improvement Plan (SIP) focuses heavily on increasing proficiency in literacy and mathematics.
- The SIP outlines specific evidence-based strategies, including implementing daily small-group instruction and providing enhanced professional development for our teaching staff.
- Parents are vital partners in this process and are invited to review the full SIP document and provide feedback during our quarterly review sessions.

Federal law guarantees specific "Right-to-Know" provisions for all Title I parents.

The Every Student Succeeds Act (ESSA) empowers parents with specific rights regarding their child's education.

- You have the right to request the professional qualifications of your child's classroom teachers and paraprofessionals at any time.
- The school is required to notify you if your child has been assigned to, or taught for four or more consecutive weeks by, a teacher who does not meet applicable state certification requirements.
- You will also receive detailed, accessible reports on your child's performance on state academic assessments.

The School-Parent Compact outlines our shared responsibility for student success.

Every Title I school must jointly develop a School-Parent Compact with its families.

This serves as a clear agreement outlining how parents, the entire school staff, and students will share the responsibility for improved academic success.

It details the school's commitment to providing a high-quality curriculum in a supportive learning environment, and the parents' commitment to supporting learning through attendance, homework monitoring, and active communication.

The compact is reviewed and updated annually with direct parent input.
