Katy ISD Clear Bag Regulation

Rhodes Stadium • Legacy Stadium • Leonard Merrell Center • Agricultural Sciences Center

To ensure visitor safety, along with quick and efficient entry into our event venues, Katy ISD has instituted a Clear Bag Regulation. This will limit the size and type of bag allowed at sporting events, performances and graduations held at Rhodes and Legacy stadiums, as well as the Leonard Merrell Center (LMC), and the Katy ISD Livestock Show and Rodeo at the Agricultural Sciences Center.

While Katy ISD encourages visitors not to bring bags if possible, the following types of bags are permissible:

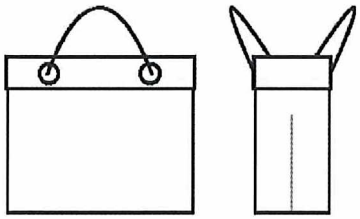

- Clear, plastic, vinyl or PVC bags
- Clear, plastic, one-gallon, re-sealable, Ziploc-style bags
- Clutch bags approximately the size of a hand (4 ½" X 6 ½")
- Medically necessary items

Visitors who bring bags that do not meet the criteria outlined, will not be permitted entrance into the venue.
