# Mountain Home High School STUDENT & STAFF HIGHLIGHTS

## The Jim Holsted Athlete of the Week is Callie Kohler.

*Presented by Mike & Susan Stockton.*

**CALLIE KOHLER — BREAKING RECORDS AND RAISING THE BAR!** Some athletes chase records. Others make breaking them look routine. For the Mountain Home Lady Bombers, **sophomore swimming sensation Callie Kohler** is doing exactly that! At just 15 years old, Callie is already making her mark on the Bomber record books—and she's showing no signs of slowing down. **SIX RECORD-BREAKING PERFORMANCES IN TWO SEASONS! FOUR SCHOOL RECORDS SHATTERED!** Last season, as a freshman, Callie broke four Bomber swimming records that had stood for more than a decade! **TWO MORE RECORDS BROKEN!** At last week's meet in Batesville, Callie improved two of her own school records, proving that even her personal bests aren't safe! **A WORK ETHIC THAT SETS THE STANDARD!** Her coach describes Callie as the team's most dedicated swimmer—putting in more time in the pool than anyone, arriving ready to work, and consistently pushing herself and her teammates to improve. But what makes Callie special isn't simply how fast she swims. It's how she approaches the sport.Her coach says she leads with a quiet confidence, practices with unmatched determination, and carries herself with a maturity well beyond her years. And perhaps the greatest compliment of all comes directly from her coach: *"Achieving greatness has started to become routine for her, but as her coach it will never stop amazing me."* **EXCELLENCE BEYOND THE POOL -** The daughter of **Chris and Mariah Kohler**, Callie also participates in track and yearbook, attends Redeemer Lutheran Church, and continues developing her swimming talents through AAU Swim, the Mountain Home Hurricanes, and USA Swimming's Little Rock Dolphins. **Records are made to be broken. But the dedication, discipline, and character it takes to break them are what make a champion.** And for Callie Kohler, only a sophomore, the most exciting chapters may still be ahead!

---

---

**Transportation Information** - If you need a bus pass for your student, you will need to know the following: the bus #, the address where the student will be going, who the student is riding home with, and a good contact number if the bus driver has any questions. If you do not know the bus number, you can call MHHS Transportation @ 870-425-1240.

**Checking In or Out of School** - Please remember that when being checked in or out of school, students need to stop at the Front office and sign out before leaving campus. Students have **5 days** to get notes turned in at the office for excused absences. These include dentist, doctor, court, etc.
