Dear CES Families,

We hope this message finds you well. It has been wonderful to welcome students back following February break and to see classrooms quickly return to the rhythm of learning.

It is hard to believe that the second marking period closes this Friday, March 6th. Teachers have been working diligently to finalize summative assessments, enter grades, and complete report card comments. We look forward to distributing report cards on Thursday, March 12th. This distribution coincides with an early release day and the start of our next round of parent-teacher conferences.

You have likely already heard from your child's classroom teacher regarding conference scheduling and availability. If you have any questions, please do not hesitate to reach out directly. We greatly value this opportunity for connection and collaboration, as strong home-school partnerships are essential to student growth.

As we look ahead, we are also excited to begin the screening and registration process for both Pre-K and Kindergarten. Pre-K screening will take place on Wednesday, April 1st here at CES. Families may contact the main office to schedule an appointment. Kindergarten screening and registration will follow on April 9th. Please see the attached letter for additional details regarding scheduling and next steps.

As always, thank you for your continued partnership, trust, and support.

Sincerely,

Jared Danyow & Wendy Foran
