Dear CES Families,

Happy New Year! We hope that winter break provided you and your family with some much-needed time for connection, fun, and relaxation. It has been wonderful to see smiling faces return to our building this week.

As we move into January, we are excited about the variety of upcoming events and activities. This month, we are thrilled to welcome Wunderlee's Big Top Adventure to CES for a two-day circus workshop taking place on January 21st and 22nd. This experience will culminate in a family and community performance on the evening of January 22nd at 5:30 PM. Shortly thereafter, we look forward to featuring our grades 3-6 students in the Mid-Winter Concert on the evening of January 29th. We are also excited to cheer on our winter athletes as they participate in our basketball programs.

Also fast approaching is our winter assessment window for STAR 360, our diagnostic assessment tool used locally to track student progress and guide instruction. We look forward to capturing students' learning to date through this winter administration.

As always, we are deeply appreciative of your ongoing collaboration and support. As we begin the New Year, we remain committed to ensuring that CES continues to be a wonderful place for students to learn and grow.

Sincerely,
Jared Danyow & Wendy Foran
