Dear CES Families,

October was a wonderful month at Castleton Elementary School! Our halls were filled with creativity and school spirit as students and staff took part in our Book Character Parade, Spirit Week, and a school-wide snack and movie celebration. These events brought smiles, laughter, and a strong sense of community—reminders of what makes CES such a special place to learn and grow.

During October, students also completed their STAR 360 assessments in reading and math. These assessments help us monitor progress and guide instruction to meet each child's needs. Assessment results will be shared during parent-teacher conferences or mailed home for families unable to attend.

As we move into November, we look forward to continuing to strengthen our CES community through learning, connection, and shared celebration. Thank you for your ongoing partnership and support. It truly makes all the difference in our students' success.

Sincerely,

Jared Danyow & Wendy Foran
