Dear CES Families,

We've had a wonderful month with much to celebrate here at CES. Highlights include a phenomenal chess event in collaboration with Orwell Village School, the close of our second marking period, student artwork featured at the Chaffee Arts Center, the Fair Haven Welcome Center, and the Vermont State Capitol building, our second round of parent-teacher conferences, and the early signs of spring weather.

Looking ahead, students in grades 3–6 have begun and will continue completing the Vermont Comprehensive Assessment Program (VTCAP) over the coming weeks. We appreciate their hard work and focus during this testing period.

We are also excited to welcome our prospective kindergarten students for registration and screening on April 9. This is always a special opportunity to meet our incoming learners and begin building relationships with new families. To schedule an appointment, please contact the CES main office; we currently have openings for both the 9:00 a.m. and 1:00 p.m. sessions. If you know of a family with a child who will be eligible for kindergarten, we would greatly appreciate your help in spreading the word.

As always, thank you for your continued partnership, support, and involvement. We look forward to connecting with you at an upcoming event.

Sincerely,

Jared Danyow & Wendy Foran
