Dear CES Families,

Happy February! It looks like Punxsutawney Phil saw his shadow, signaling six more weeks of winter. Here's hoping those weeks bring at least a little warmer weather. Despite the cold, CES has been busy and full of energy. It was wonderful to see so many students and families at both our circus performance and the Grades 3-6 Midwinter Concert. A huge thank you to our faculty, staff, student performers, and volunteers who helped make both events such a success. The fun continues and we hope to see you at CSO Bingo Night on the evening of February 12th!

February also marks the start of our winter administration of STAR 360. This diagnostic assessment helps us capture and reflect on student learning. We appreciate the effort and focus our students bring to this process.

Lastly, you may notice a small adjustment to our typical PBIS Assembly schedule. With recurring Friday afternoon assemblies —combined with the occasional half-day—some classrooms have been missing their Friday specials more often than others. In the interest of fairness, we will be shifting assembly times for March and April to 8:30AM. Thank you for your understanding and flexibility.

As always, please don't hesitate to reach out with any questions or concerns.

Warmly,

Jared Danyow & Wendy Foran
