Dear CES Families,

It's hard to believe that December has already arrived and our first trimester is coming to a close!

Over the next few weeks, teachers will be completing any remaining assessments, finalizing report card grades, and drafting narrative comments. Report cards will be sent home with students on the afternoon of December 12th. We ask that you please review your child's report card, keep the physical document, and return the envelope to your student's classroom teacher. As always, we encourage you to reach out with any questions you may have as you review your student's progress.

We've appreciated seeing so many of you in the building this past month for parent-teacher conferences, CSO events, and family lunch. Your presence is felt and valued, and it makes a meaningful difference in our school community.

Thank you for your ongoing partnership and collaboration. Strong family engagement is a cornerstone of CES, and we are deeply grateful for the ways you support our students' learning, growth, and sense of belonging each day.

Sincerely,

Jared Danyow & Wendy Foran
