FJA Maintains Its "B" School Letter Grade: Arizona has released its 2025-2026 A-F School Letter Grades, and FJA has once again earned a "B." While a letter grade represents only one part of a school's story, it provides an important measure of student achievement and academic growth. We are proud of the hard work and continued commitment of our students, staff, and families.

Mondays - Varsity and JV White, 3:45 - 5:30
