Dear PC #535 Families & Community:

The countdown to the last day of the school year is on! While there is plenty of excitement about vacations, summer camps, warm weather, and all that summer brings, there is still so much to look forward to in our schools. May is filled with memorable moments - field trips, fine arts festivals, awards nights, and graduations. We hope to see parents and families at these events as we come together to celebrate our students' growth, accomplishments, and successes throughout the year.
