Dear Crest Ridge Secondary Families,

Welcome to another exciting school year at Crest Ridge Secondary! I am honored and humbled to begin my first year as your secondary principal. As a Crest Ridge graduate and district parent, it is a privilege to serve the students, staff, and families of the community that helped shape who I am today.

Whether your child is entering sixth grade or preparing to graduate as a senior, our goal is simple: to provide a safe, supportive, and challenging environment where every student can learn, grow, and succeed. We believe strong relationships and high expectations help students discover their strengths and prepare for what comes next.

Families play an important role in that success. Please stay connected with teachers and staff throughout the year, and use Infinite Campus to keep up with grades, attendance, assignments, meal balances, and important school information. Checking Infinite Campus regularly and communicating with teachers when questions arise can make a big difference for your student.

Thank you for trusting us with your child each day. I am excited to build relationships with our students and families while continuing the tradition of excellence that makes Crest Ridge such a special place. I look forward to a fantastic school year and all that we will accomplish together.

Sincerely,

Dr. Barie Krewson, Ed.D.
Secondary Principal
