Re: Summer Nutrition Program

Parents/Guardians,

The Cherokee Nation Summer Nutrition Program is available to all students (regardless of race) that qualify for the National School Lunch Act which provides free or reduced meals. If your student qualifies for Free or Reduced Meals, we have been asked to provide the Cherokee Nation your contact information so they might reach out to you with more information. If you DO NOT want Justus-Tiawah School to release your contact information for this purpose, please notify April Reece, Child Nutrition Custodian, prior to November 12, 2025 via email: areece@justustiawah.com or 918-341-3626 x 3000.

Respectfully,

Dr. M. Shane Boothe
Superintendent
